ICAI launches new syllabus

- Special Correspondent

Institute of Cost Accountants of India (ICAI) launched new syllabus for cost management accountancy students here on Sunday to nurture young business leaders of tomorrow to convert the dream of 'Make in India' a reality by taking strategic management decisions effectively at both national and international arena.

The syllabus is based on the international standards set by International Federation of Accountants (IFAC) and International Accounting Education Standards Board (IAESB) and Initial Professional Development-Professional Skills (revised) through International Educational Guidelines (IEG).

The new syllabus is in line with the present industry requirements. Visakhapatnam and Ukkunagaram ICAI chapters organised meetings separately to create awareness about the changes in the syllabus for existing as well as new students.

On this occasion, city chapter chairman P.V.N. Madhav, secretary M. Ramakrishna and Ukkunagaram chapter chairman N.V.B. Ramasarma and secretary V.S.R. Kotaiah explained the objectives and the salient features of the new syllabus-2016.

ICAI is a statutory body set up under an Act of Parliament in 1959. It is the premier professional body imparting education, training, and propagating cost and management accountancy in India and abroad.

The institute is the second largest CMA body in the world and the largest in Asia, having approximately 5,00,000 students and 70,000 members all over the globe.
