Advisory to the Members of the Institute

Dear Members,

Please Note that migration of existing dealers to GSTN has been commenced today, the 8th November 2016 and new registration number / password etc. would be provided to the existing dealers by the GSTN system. The dealers are required to update information and furnish additional information to GSTN using the user id and password to be provided by the GSTN.

All the members of the Institute are advised to mobilize the system to help the dealers to migrate to new portal with all relevant business details. All Regional Councils/Chapters may also start helpdesk to support dealers and professionals in the process of smooth and effective transition towards GSTN.

Your active participation and involvement can only make this new system a grand success for effective implementation of GST which is landmark tax reforms in India.
