CIRCULAR

To: All Regional Councils and Chapters

Sub.:- Campus Placement.

Dear Sir,

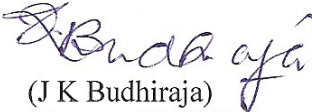

After declaration of results in March and August every year, the Institute holds Campus Placement of recently passed Cost & Management Accountants. This placement is being done by Head Quarters and all Regional Councils. For enabling the Institute to create database of such passed out students for arranging their suitable placement with various companies, HQ requests the students to upload their CVs in the format provided on Institute website. It is understood that the Regional Councils/Chapters also seek CVs from the students within their jurisdiction.

In view of facilitating the students in their best placements, we request you to kindly seek from us database of recently passed out students on periodical interval as students upload their CVs from time to time and hence database once generated bound to change periodically. We also request you to kindly send your database and CVs periodically so that the database sought by various organizations directly from HQ be provided to them with large number of candidates as per their specifications/criteria.

The combined exercise would provide an excellent opportunity to all the students who have either uploaded their CVs on Institute's website or submitted their CVs with respective Regional Councils/Chapters to have their best placement. This would also facilitate the organizations seeking campus placement or recruitment of Cost and Management Accountants to have the choice of interviewing the large number of students with varied talent and aptitude.

By this circular we request all the Regional Councils & Chapters to seek centralized database from Delhi Office at the e-mail id:- tnp.budhiraja@icwai.org / tnp.saraf@icwai.org and also send the CVs of the qualified ICWAI students to Delhi office periodically either by e-mail or by post to:-
