CHAIRMAN'S COMMUNIQUÉ - JANUARY 2019

"Arise, Awake, and Stop not till the Goal is reached" – Swami Vivekananda

Dear Friends,

New Year Greetings!!!

We have just started with a sparkling new year with lots of hopes and resolutions. We have lots of dreams and aspirations to be cherished. Let all the hopes, dreams and resolutions be fulfilled.

Moreover, examinations are knocking at our door now and then. Every moment in our life is a challenge. We have to boldly face and accept all the challenges and to convert them into opportunities. It is not only passing a mere professional examination; we have to be successful in every examinations (challenges) in our life.

I strongly believe and am having faith on 3Ds -

- *Desire*
- *Dedication*
- *Discipline*

- three keys to success in every walk of life. If you desire to climb up in your life, you must be dedicated enough towards that end as well as you must be well disciplined in your life - combination of these three character traits can only make you successful and accomplished. Have a faith on your ability and try to deliver your best in every sphere of life. Your sincere investment of energy and time will surely be rewarded with positive return. You only need to develop and build up your capacity and professional skill; rest will take care of itself.

The aim of education is to acquire knowledge - not of facts but of values. Both perseverance and determination are needed to sail through any professional qualification.

I wish you all a very happy, prosperous and eventful new year ahead!!!

Best Wishes,

CMA Manas Kumar Thakur
