

GOOD OPPORTUNITY FOR INTERMEDIATE QUALIFIED STUDENTS

The Institute of Cost Accountants of India and Food Corporation of India (FCI) (Government of India Undertaking) have signed an MOU on 28th February'2012. As per this MOU the intermediate passed students of the Institute will be able to undergo Practical Training with FCI.

The students of the Institute will get wider exposure to the working of a giant and vital organization like FCI and hence this opportunity will be good stepping stone for their future career. They can also apply for membership after qualifying the final examinations of the Institute. All the intermediate passed students of the Institute are invited to utilise this opportunity. The Students selected by FCI will be positioned in any of the units of FCI spread across the country. The exact number of trainees, place of engagement and interview details will be made available shortly in Institute's website. The separate application form for FCI training will also be available in Institute's website shortly.
