

The Institute of Cost Accountants of India

(Statutory body under an Act of Parliament)

H.Q: 12 Sudder Street, Kolkata – 700 016
Delhi Office: 3, Institutional Area, Lodhi Road, New Delhi – 110 003

Dear Professional Colleagues,

Greetings from the Institute!

The Institute is in receipt of a Communication from Ministry of Corporate Affairs (MCA). As per that, the MCA is implementing a new plan Scheme 'Corporate Data Management' that envisages to create in-house data mining and analytics facility with the objective of disseminating corporate sector data in a structured manner. This Scheme would provide a forward linkage to MCA-21 data repository by transforming transactional system into a data warehouse system.

Further, it states that the IT and Human Resource components are integral part for successful execution of the project. The Human Resource support has been envisaged to serve as the immediate trained manpower requirement to execute the project. This human resource requirement is proposed to be managed through a Technical Support Group (TSG) which would comprise domain experts drawn from IT, Economics, Statistics, Commerce, Management, etc. National Institute of Smart Government (NISG) has been requested to hire & provide the TSG members for the project.

The NISG has proposed to the MCA, that inter alia **CMA professionals** having requisite experience may be hired.

The MCA has requested Institute to suggest few professionals who may be considered for these positions.
