President's Message

I'm delighted to learn that the Taxation Committee has swiftly published the revised handbook on "Input Tax Credit." This news is truly fantastic, and I imagine the team must be feeling quite proud of their accomplishment. It's an outstanding piece of work, and I eagerly anticipate delving into its contents further.

The Institute has been proactive in various taxation initiatives, and the release of the "Input Tax Credit" handbook undoubtedly adds another accolade to its list of achievements. In the context of ITC, an input encompasses any goods utilized by businesses in the production of finished products for end-users. Since the introduction of GST, businesses and individuals are obliged to pay GST on goods/services used as inputs. The input tax credit mechanism facilitates GST-registered businesses in reclaiming GST paid for input purchases, thereby preventing the cascading effect of taxation.

It's important to note that Input Tax Credit (ITC) is accessible solely to GST-registered entities. This implies that a diverse array of businesses and individuals, including service providers, aggregators, e-commerce operators, agents, suppliers, and manufacturers, are eligible to claim ITC. In all these instances, GST-registered entities can assert input tax credit on taxes paid for relevant business inputs.

I extend my heartfelt congratulations to the Indirect Taxation Committee for their efforts in producing the updated handbook on "Input Tax Credit." The commendable work of the entire Tax Research Team is truly praiseworthy. My best wishes are with the Taxation Committee for all their future endeavors.

Vice President's Message

Best wishes to all the Members of ICMAI and Stakeholders!

It gives me an immense pleasure to know that, the Tax Research Department of the Institute is releasing the updated version of "Handbook on Input Tax Credit" for reference of Professionals and Stakeholders.

The significance of input tax credit (ITC) cannot be overstated in the context of Goods and Services Tax (GST), as it serves as a pivotal mechanism in preventing the cascading of taxes, thereby ensuring a seamless flow throughout the supply chain. By allowing credits for taxes paid at previous stages of the supply chain, GST promotes efficiency and fairness in the taxation system. It's indeed a significant shift from the previous tax regime where such credits were not available across different tiers of government.

The revised handbook provides comprehensive guidance on the intricacies of input tax credit, offering valuable insights for manufacturers, suppliers, e-commerce operators and other entities covered under the GST Act. This resource is unquestionably instrumental in fostering better understanding and compliance with GST regulations.

Congratulations to the Tax Research Department for their outstanding work and extend heartfelt thanks to all the members of the Indirect Taxation Committee and knowledge contributors for their collective efforts in bringing this valuable publication of "Handbook on Input Tax Credit".

With warm regards,

Chairman's Message

I am glad to note that the Tax Research Department has finally published the revised handbook on "Input Tax Credit" with so much effort. It is indeed great news, and I am sure that the team must be proud too. It is indeed a great work, and I look forward to more such activities.

Input credit means at the time of paying tax on output, one can reduce the tax he/she has already paid on inputs and pay the balance amount. For Example: When you buy a product/service from a registered dealer you pay taxes on the purchase. On selling, you collect the tax. You adjust the taxes paid at the time of purchase with the amount of output tax (tax on sales) and balance liability of tax (tax on sales minus tax on purchase) has to be paid to the government. This mechanism is called utilization of input tax credit.

ITC can be claimed only for business purposes. ITC will not be available for goods or services exclusively used for: (a) Personal use (b) Exempt supplies (c) Supplies for which ITC is specifically not available. Again, ITC can be claimed by a person registered under GST only if he fulfils all the conditions as prescribed, like (a) The dealer should be in possession of tax invoice (b) The said goods/services have been received (c) Returns have been filed (d) The tax charged has been paid to the government by the supplier (e) When goods are received in instalments ITC can be claimed only when the last lot is received (f) No ITC will be allowed if depreciation has been claimed on tax component of a capital good. To make learners know and address such intricate issues the handbook would be quite helpful.

Congratulations to Team – Tax Research and the Resource pool for this outstanding effort and hence the publication.

Preface

Input tax credit is the credit manufacturers receive for paying input taxes towards inputs used in the manufacture of products. Similarly, a dealer is entitled to input tax credit if he has purchased goods for resale. Input Tax Credit means reducing the taxes paid on inputs from taxes to be paid on output. When any supply of services or goods is supplied to a taxable person, the GST charged is known as Input Tax. The concept is not entirely new as it already existed under the pre-GST indirect taxes regime (service tax, VAT and excise duty). Now its scope has been widened under GST.

All dealers are liable for output tax on taxable sales done in the process of his business. With the help of input tax credit, he can offset the output tax against the input tax already paid. Input tax credit is not applicable on all types of inputs. Each state has its own norms and conditions in this regard and are applicable accordingly. Input Tax Credit is also viable to a dealer who has purchased good to resale.

Tax Credit is the backbone of GST and for registered persons is a major matter of concern. This is majorly in line with the pre-GST regime. These rules are quite stringent and particular in their approach. We should know the details before we work in today practical world. We are glad to publish this book for your stakeholders. We are deeply motivated by CMA Vishwanath Bhat without whose contributions this publication would not have been so successful.

Thank You.

Input Tax Credit or ITC is the tax that a business pays on a purchase and that it can use to reduce its tax liability when it makes a sale. In other words, businesses can reduce their tax liability by claiming credit to the extent of GST paid on purchases. Goods and Services Tax (GST) is an integrated tax system where every purchase by a business should be matched with a sale by another business. This makes flow of credit across an entire supply chain a seamless process.

What is “Input Tax” :

“Input tax” in relation to a registered person, means the central tax, State tax, integrated tax or Union territory tax charged on any supply of goods or services or both made to him and includes

- IGST charged on import of goods
- Tax payable on reverse charge basis under IGST Act/ SGST Act/ CGST Act/ UTGST Act.
- But excludes tax paid under composition levy.

Therefore, ‘Input tax credit’ is the tax paid by a registered person under the Act whether on forward charge or reverse charge for the use of such goods or services or both in the course or furtherance of his business.

Capital Goods [Sec. 2(19) of CGST Act]

Capital Goods means goods, the value of which is capitalized in the books of account of the person claiming the input tax credit and which are used or intended to be used in the course or furtherance of business.

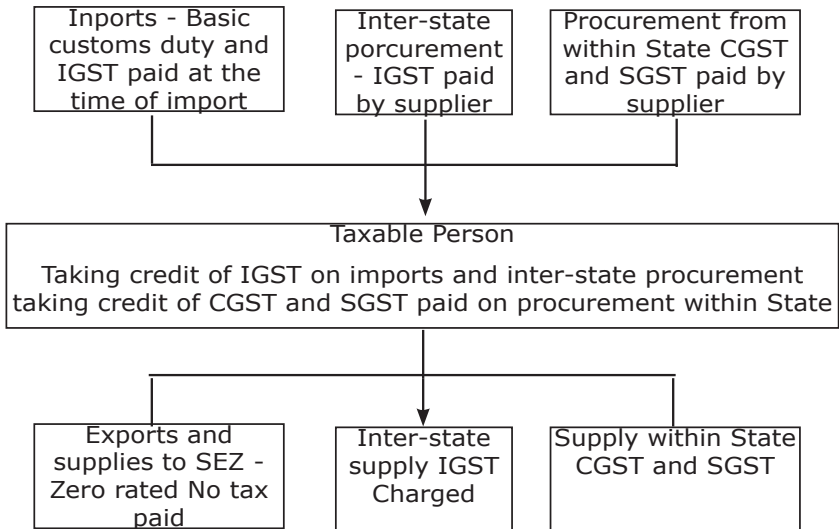

Input [Sec. 2(59) of CGST Act]

“Input” means

- Any goods,
- Other than capital goods,
- Used or intended to be used by a supplier
- In the course or furtherance of business Input Service [Sec. 2(60) of CGST Act] “Input service” means
- Any service
- Used or intended to be used by a supplier
- In the course or furtherance of business

‘Input tax credit’ means credit of “input tax”- section 2(56) of CGST Act. Burden of proof on taxable person availing input tax credit - Where any person claims that he is eligible for input tax credit under this Act, the burden of proving such claim shall lie on such person - section 155 of CGST Act.

Let’s understand the flow of ITC:

Input —→ Output

IGST —→ IGST, in any order in any proportion (CGST & SGST)

CGST —→ IGST and balance (if any) to CGST

SGST —→ IGST and balance (if any) to SGST

Every registered taxable person shall, subject to such conditions and restrictions as may be prescribed and in the manner specified in section 49 of CGST Act, be entitled to take credit of input tax charged on any supply of goods or services or both to him which are used or intended to be used in the course or furtherance of his business and the said amount shall be credited to the electronic credit ledger of such person - section 16(1) of CGST Act.

Electronic Credit Ledger means the electronic credit ledger referred to in section 49(2) of CGST Act - section 2(46) of CGST Act.

“Electronic Credit Ledger” is the input tax credit ledger in electronic form maintained at the common portal for each registered taxable person. This credit can be utilized for GST liability as specified in section 49(4) of CGST Act.

“Input” means any goods other than capital goods, used or intended to be used by a supplier in the course or furtherance of business - section 2(59) of CGST Act.

“Input Service” means any service used or intended to be used by a supplier in the course or furtherance of business - section 2(60) of CGST Act.

“Outward supply” in relation to a person, means supply of goods or services, whether by sale, transfer, barter, exchange, licence, rental, lease or disposal or any other mode, made or agreed to be de by such person in the course or furtherance of business – section 2(83) of CGST Act.

Tax Credit to be taken in GSTR 3B by taxable person **on his own** - When GST Law was implemented w.e.f. 1-7-2017, it was envisaged that supplier of goods and services will upload details

of his supplies **in his** GSTR-1 return. He will also upload debit notes and credit notes. These details will be auto populated in the GSTR 2A of the recipient of goods and services. Once he accepts them, these will go in his GSTR-2 return. The Input Tax credit will be taken on basis of details of his receipts in form GSTR-2.

Section 16 amended to allow taxpayers' claim of the input tax credit based on GSTR-2A and GSTR-2B. Henceforth, the input tax credit on invoice or debit note may be availed only when the details of such invoice or debit note have been furnished by the supplier in the statement of outward supplies and such details have been communicated to the recipient of such invoice or debit note.

This procedure is not yet operational. Hence, presently, Input Tax Credit to be taken in GSTR 3B by taxable person on his own. Of course, supplier has to upload his supplies in his GSTR-1. The recipient has to make sure that he can take Input Tax Credit only on basis of details of invoices as uploaded by supplier of goods and services in his GSTR-1.

Rule 86B: Restrictions on use of amount available in electronic credit ledger

Notwithstanding anything contained in these rules, the registered person shall not use the amount available in electronic credit ledger to discharge his liability towards output tax in excess of ninety-nine per cent. of such tax liability, in cases where the value of taxable supply other than exempt supply and zero-rated supply, in a month exceeds fifty lakh rupees.

How the recipient will know that supplier of goods and services has deposited the tax with Government? - As per section 16(2) (c) of CGST Act, the recipient of goods and services can avail ITC only if supplier has deposited the tax with Government either in cash or through utilisation of Input Tax Credit. At present, there is no mechanism by which the recipient would know whether the supplier has paid the tax with Government.

However, as per revised system of returns w.e.f. 1 -10-2018, facility will be available to recipient to know whether supplier has filed return and paid taxes return cannot be f i led without payment of taxes.

If the payment not made to supplier within 180 days, the recipient is required to reverse the ITC with interest. In my view, interest is payable only after 180 days, but issue is litigation prone.

At present, there is no mechanism by which the recipient would know whether the supplier has paid the tax with Government. However, as per revised system of returns w.e.f. 1-1-2019, facility will be available to recipient to know whether the supplier of goods or services has uploaded his return in his return GSTR-1. These details will be available to recipient of goods or services or both in form GSTR-2A.

Revised system of filing returns and taking ITC Revised system of filing returns and taking ITC is being implemented w.e.f. 1-7-2019. Beginning is expected to be made from 1-7- 2019. Let us hope that new system works.

Comparison Between Old and Amended Law on GST Set-Off

The table below highlights the differences in the order of ITC utilisation between the old system and the new system- As per the old set-off rules, the following is the order and priority for ITC utilisation-

Liability of →	IGST	CGST	SGST
ITC of ↓			
IGST	1	2	3
CGST	2	1	Not permitted
SGST	2	Not permitted	1

From July 2019 onwards the below mode of off-set functionality has been made available, the following is the order and priority for ITC utilisation

Liability of →	IGST	CGST	SGST
ITC of ↓			
IGST	1	2*	
CGST	4	3	Not permitted
SGST	6	Not permitted	5

*The order of utilisation of IGST credit post offset to IGST liability can be in any order or proportion between CGST/SGST but the only pre-condition is exhausting IGST completely before using other credits. Hence, from the above table for new rules, it can be concluded that any taxpayer must begin with set-off process starting with ITC of IGST and utilise it completely before proceeding to utilise the ITC of CGST or ITC of SGST.

Eligibility and Conditions for taking Input Tax Credit [Sec. 16 of CGST Act]

- (a) Registered person to take credit: Every registered person subject to Section 49, shall be entitled to take credit of input tax charged on any supply of goods or services or both to him which are used or intended to be used in the course or furtherance of his business. The input tax credit is credited to the electronic credit ledger.
- (b) Conditions for availment of credit by registered person: Subject to section 41, input tax credit is available only if –
- (i) He has received goods or services or both. The goods and or services must be used **by him** in the course or furtherance **of his** business.
 - (ii) The input tax credit shall be availed by a registered person, including the Input Service Distributor, on the basis of any of the following documents, namely:
 - (a) An invoice issued by the supplier of goods or services or both in accordance with the provisions of section 31;

- (b) A debit note issued by a supplier in accordance with the provisions of section 34;
 - (c) A bill of entry;
 - (d) An invoice issued in accordance with the provisions of section 31(3)(f);
 - (e) A document issued by an input Service Distributor in accordance with the provisions of sub-rule (1) of rule invoice 7;
 - (f) A document issued by an Input Service Distributor, as prescribed in clause (g) of sub- rule (1) of rule 4.
- (iii) The said document must contain all the prescribed particulars specified in the Invoice Rules. It may be noted that Invoice or such other document can contain additional details other than those prescribed but not less.
- (iv) Supplier of goods and/or services must upload the details of such document in the common portal i.e. GSTN.
- (v) The supplier has paid the said amount of tax (as charged in the invoice) to appropriate Government in cash or by way of utilization of input tax credit, as admissible;
- (vi) He (claimant of input tax credit) has furnished return under section 39 in FORM-GSTR 2/3B;
- (vii) **Goods received in Installments:** If goods are received in installments against a single invoice, credit can be taken upon receipt of last installment of goods.
- (viii) **Failure to pay to supplier of goods or service or both, the value of supply and tax there on:** If recipient of goods or service or both has not paid the supplier within 180 days from date of invoice, the amount equal to input tax credit availed will be added to output liability of the recipient. Such non- payment of the value of invoice must be admitted in the return filed

in FORM-GSTR 2 (Rule 2) for the month immediately following the period of 180 days from the date of issue of invoice. The said input tax credit can be re-availed on payment of value of supply and tax payable thereon.

- (ix) **Tax component of Capital goods on which depreciation is claimed:** Where the registered person has claimed depreciation on the tax component of the cost of capital goods and plant and machinery under the provisions of the Income Tax Act, 1961, the input tax credit shall not be allowed on the said tax component.
- (x) **Time limit to avail the input tax credit:** A registered person shall not be entitled to take input tax credit in respect of any invoice or debit note for supply of goods or services or both after the thirtieth day of November following the end of financial year to which such invoice or debit note pertains or furnishing of the relevant annual return, whichever is earlier.
- (xi) No registered person is permitted to avail any input tax credit pursuant to an order of demand on account of fraud, willful misstatement, or suppression of fact.

Input Tax Credit only if invoice complete in all respects
- Input tax credit shall be availed by a registered person only if all the applicable particulars as prescribed in Invoice Rules are contained in the said document, and the relevant information, as contained in the said document, is furnished in form GSTR-2 by such person

- ❖ Rule 36(2) of CGST and SGST Rules, 2017.

Input Tax Credit available if tax invoice contains minimum specified details, even if it does not contain all required details

- ❖ Rule 36(2) of CGST Rules provides that Input Tax Credit shall be availed by a registered person only if all the applicable particulars as prescribed in Invoice Rules are contained in the said document.

(xii) Input tax credit to be availed by a registered person in respect of invoices or debit notes, the details of which have not been furnished by the suppliers under sub-section (1) of section 37, [in FORM GSTR-1 or using the invoice furnishing facility shall not exceed 5 per cent of the eligible credit available in respect of invoices or debit notes the details of which have been furnished by the suppliers under sub-section (1) of section 37 [in FORM GSTR-1 or using the invoice furnishing facility.

However, it is possible that there may be some omissions. Hence, now it is provided that if the said document does not contain all the specified particulars but contains the details of the amount of tax charged, description of goods or services, total value of supply of goods or services or both, GSTIN of the supplier and recipient and place of supply in case of inter-State supply, input tax credit may be availed by such registered person - Proviso to rule 36(2) of CGST Rules inserted w.e.f. 4-9-2018.

Good and practical relaxation indeed.

In fact, after 1-7-2019, ITC will be mainly on basis of tax invoices and debit/credit notes uploaded by supplier in his return.

99% GST Liability to pay by ITC as per Rule 86B and balance to pay cash whenever monthly sales cross Rs.50 Lakhs:

What is the Maximum ITC that can be utilised to pay GST liability?

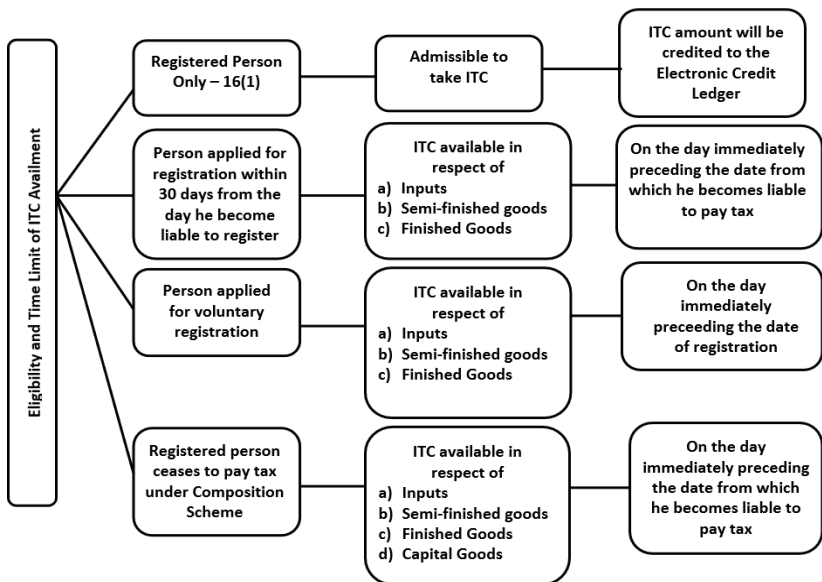

From 1st January 2021, certain taxpayers cannot utilise the ITC balance available in the electronic credit ledger to discharge more than 99% of the tax liability for a tax period. It means atleast 1% of tax liability must be paid by cash.

It applies to such taxpayers who have monthly value of taxable supplies more than Rs.50 lakh (not being exempt or zero-rated supplies). The following taxpayers are exempted from this restriction:

- A registered taxpayer where more than Rs.1 lakh is paid as income tax in the last two FY in belated IT returns of himself or his proprietor or any two partners or managing director, trustee or board, etc.
- A registered taxpayer who has received more than Rs.1 lakh as refund of unutilized input tax credit under GST, on account of zero-rated supplies without payment of tax or inverted tax structure.
- A registered taxpayer paid more than 1% of his GST liability using only his electronic cash ledger, for all the tax periods in the current FY so far.
- Government departments, PSU, local authorities, statutory bodies, etc

Time Limit for availing ITC: ITC can be claimed/availed prior to 30th day of November following the end of the financial year to which such invoice or debit note pertains or furnishing of the relevant annual return, whichever is earlier.

A taxable person shall not be entitled to take input tax credit in respect of any supply of goods and/or services to him after the expiry of, one year from the date of issue of tax invoice relating to such supply - section 18(2) of CGST Act.

Further, a taxable person shall not be entitled to take input tax credit in respect of any invoice or debit note for supply of goods or services or both, after the filing of the return under section 39 of CGST Act for the month of September following the end of financial year to which such invoice or invoice relating to debit note pertains or riling of the relevant annual return, whichever is earlier- section 16(4) of CGST Act.

Really, in view of section 16(4), in case of invoices receive after October, the taxable person gets less than one year to take input tax credit.

Relaxation for financial year 2017-18 - For the financial year 2017- 18 (really only for the period July 2017 to March 2018), the input tax credit can be taken till the due date of furnishing return under section 39 of CGST Act till due date of filing return for the Month of March 2019 in respect of any invoice or invoice relating to debit note for supply of goods or services or both made during the financial year 2017-18, the details of which have been uploaded by supplier under section 37(1) of CGST Act till due date of filing details under section 37(1) of CGST Act for March 2019 - proviso to section 16(4) of CGST Act inserted vide Removal of Difficulties Order No. 02/2018 dated 31-12-2018.

In short, invoices and debit notes pertaining to period July 2017 to March 2018 can be uploaded by supplier in his GSTR- 1 return up to return of March 2019 (which is to be filed by 10-4-2019) and the recipient can take its credit in bis GSTR- 3B return up to return for the period up to March 2019 (which is to be filed by 20-4-2019).

Statute can prescribe time limit for availing Input Tax Credit -Input Tax Credit is in nature of benefit extended to dealer under the statutory scheme. The concession can be received by beneficiary only as per the scheme of statute.

The Amended Law on Order of ITC Set-Off

CGST Circular No. 98/17/2019 was issued on 23 April 2019 has clarified the order of ITC utilisation for each tax head. It further had stated that until the Rule 88A of the CGST Rules was implemented on the GST portal, taxpayers had to follow the facility available on the GST portal up to July 2019. The facility was made available from July 2019 returns onwards.

Firstly, let's take a look at the two sections inserted in the CGST Act- "49A. Notwithstanding anything contained in section 49, the input tax credit on account of central tax, State tax or Union territory tax shall be utilised towards payment of integrated tax, central tax, State tax or Union territory tax, as the case may be, only after the input tax credit available on account of integrated tax has first been utilised fully towards such payment. 49B. Notwithstanding anything contained in this Chapter and subject to the provisions of clause (e) and clause (f) of sub-section (5) of section 49, the Government may, on the recommendations of the Council, prescribe the order and manner of utilisation of the input tax credit on account of integrated tax, central tax, State tax or Union territory tax, as the case may be, towards payment of any such tax."

Subsequently, the rule 88A has been inserted to notify the above new provision via CT notification no. 16/2019 dated 29th March 2019. Rule 88A. Order of utilization of input tax credit.- Input tax credit on account of integrated tax shall first be utilised towards payment of integrated tax, and the amount remaining, if any, may be utilised towards the payment of central tax and State tax or Union territory tax, as the case may be, in any order: Provided that the input tax credit on account of central tax, State tax or Union territory tax shall be utilised towards payment of integrated tax, central tax, State tax or Union territory tax, as the case may be, only after the input tax credit available on account of integrated tax has first been utilised fully.

ITC on Advance:

No Input tax credit if GST was paid by supplier on advance paid to him

Normally, ITC is taken on basis of 'Electronic Credit Ledger'. If advance payment was made to supplier of services before supply of services, the supplier is required to issue receipt voucher and pay tax to Government. However, at that stage the supplier cannot issue tax invoice and hence recipient cannot take ITC.

Input tax credit cannot be taken as services are not received and tax invoice is not issued by supplier. Presently, **GST is payable on receipt of advance in case of services and not in case of goods.**

What is the Entitlement for claiming ITC?

As per section 16(2) of CGST Act, registered taxable person shall not be entitled to the credit of any input tax in respect of any supply of goods or services or both to him unless following conditions are satisfied:

- (i) he is in possession of a tax invoice or debit note issued by a supplier registered under GST Act or such other tax paying documents may be prescribed,
- (ii) he has received the goods or services or both,
- (iii) subject to section 41 or section 43A of CGST Act, the tax charged in respect of such supply has been actually paid to the credit of the appropriate Government, either in cash or through utilization of input tax credit admissible in respect of the said supply [section 41 of CGST Act allows taking input tax credit in electronic credit ledger on self-assessment basis. Section 43A of CGST Act allows ITC on basis of invoices uploaded by the supplier] {words in italics inserted vide CGST (Amendment) Act. 2018 but not yet notified} and

(iv) he has furnished the return under section 39 [every taxable person is required to file electronic return every month as per section 39 of CGST Act].

In case of Inputs or capital goods received in installments. Where the goods against an invoice are received in lots or installments, the registered taxable person shall be entitled to the credit upon receipt of the last lot or installment - first proviso to section 16(2) of CGST Act.

Credit on basis of invoices uploaded by supplier, even if goods or services are received later, but before filing of return - As a simplification process, if the supplier uploads invoices by 10th of following month, input tax credit can be availed by recipient even if goods are received later, but before filing of return of same month [the due date of return may vary]. Due dates for very large taxpayers will be 20th of following month. For smaller taxable persons, due date may be earlier. [This will be effective after revised system of filing returns is implemented].

Delivery to transporter or any person on direction of recipient by supplier is sufficient to take input tax credit - For the purpose of section 16(2)(b) of CGST Act, it shall be deemed that the taxable person has received the goods where the goods are delivered by the supplier to a recipient or any other person on the direction of such registered person, whether acting as an agent or otherwise, before or during movement of goods, either by way of transfer of documents of title to goods or otherwise - Explanation(i) to section 16(2)(b) of CGST Act. [The Explanation has been renumbered as Explanation (i) vide CGST(Amendment)Act,2018 w.e.f. 1-2-2019]. Thus, in case 'bill to ship to' transactions, the intermediary can take ITC when documents of title (i.e. LR or Consignment Note) is endorsed in his favour.

Section 39(1) of Sale of Goods Act states that delivery of goods to carrier is prima facie delivery to buyer.

As per section 23(2) of Sale of Goods Act if in pursuance of the contract, the seller delivers the goods to the buyer or to an earner or other bailee, for the purpose of transmission to the

buyer, and does not reserve the right of disposal, he is deemed to have unconditionally appropriated the goods to the contract. It does not make difference whether the bailee or buyer was named by buyer or not.

In *Manwar Tent Factory v. UOI* AIR 1990 SC 1735, it was held that when contract stipulates for delivery of goods F.O.R. basis at place of dispatch, risk passes from consignor to consignee as soon as goods are loaded at the place of dispatch. Thus, transporter is agent of buyer for collection of goods. Hence, in my view, delivery to transporter is delivery to agent and ITC can be taken even if goods do not physically reach the place of taxable person. Of course, the supplier has to upload the invoice in his GSTR-1 and the recipient has to accept it and include it in his GSTR-2.

Supply of service to final customer by contractor is receipt of service by Principal (intermediary) - In many cases, services are sub-contracted. The Principal (or Contractor) asks contractor (or sub-contractor) to supply service directly to customer. In such cases, supply of service to customer will be supply of service to Principal, as per Explanation (ii) to section 12(2)(a) of CGST Act, which reads as follows -

For the purposes of section 16(2)(4) of CGST Act, it shall be deemed that the registered person has received the services where the services are provided by the supplier to any person on the direction of and on account of such registered person

- Explanation (ii) to section 16(2)(b) inserted vide CGST (Amendment) Act, 2018 w.e.f. 1-2-2019.

Final Input tax credit only after supplier makes payment of GST - The receiver (of goods and services) can take provisional credit on basis of return filed by supplier. However, he will be eligible to take final Input Tax Credit only after the supplier of such goods and services has paid the tax.

Taking input tax credit in respect of inputs sent for job work - Input tax credit is available in respect of goods sent for job work and brought back for further use.

To summarize, the credit of input tax can be taken as and when the person applies for the registration but the entitlement of credit of inputs would be from the day liability to tax arises.

Illustration:

- A person becomes liable to pay tax on 1st August 2018 and has obtained registration on 15th August 2018. Such person is eligible for input tax credit on inputs held in stock as on 31st July 2018.
- Mr. A applies for voluntary registration on 5th June 2018 and obtained registration on 22th June 2018. Mr. A is eligible for input tax credit on inputs in stock as on 21st June 2018.
- Mr. B, registered person was paying tax under composition rate up to 30th July 2018. However, w.e.f. 31st July 2018. Mr. B becomes liable to pay tax under regular scheme. Mr. B is eligible for input tax credit on inputs held in stock and capital goods as on closure of business hours as on 30th July 2018.

What will happen if payment not made to supplier within 180 days – Reversal:

Where a recipient fails to pay to the supplier of goods or services or both (other than the supplies on which tax is payable on reverse charge basis), the amount towards the value of supply along with tax payable thereon within a period of 180 days from the date of issue of invoice by the supplier, an amount equal to the input tax credit availed by the recipient shall be added to his output tax liability, along with interest thereon, in such manner as may be prescribed - second proviso to section 16(2) of CGST Act.

If partial payment is made, the reversal will be proportionate to the amount not paid to the supplier. If the recipient later makes payment to supplier, he can take credit of input tax - third proviso to section 16(2) of CGST Act. Really, the recipient can take input tax credit only if tax has been actually paid by

supplier. Then how Government is concerned about payment of invoice amount to supplier? Why Government is acting as recovery agent?

It seems that the intention is to avoid bogus transfers of input tax credit e.g. if a person has excess input tax credit, he can pass on this credit to others. However, the remedy thought of seems to be worse than disease as many genuine transactions will get affected. Often in case of large works contracts, some retention money is opted which is released after warranty period.

Further, some deductions from invoice for various reasons is common. In such case, this provision will create great nuisance to taxable persons. Post-sale discounts after negotiations are common in business. All such transactions will get affected.

Proportionate reversal if part amount paid - If (say) 85% amount of supplier's invoice (including tax amount) is paid, only 15% tax amounts should be reversed.

Pay tax with interest even if supplier has paid full tax to Government- An unfair provision - On one hand, post supply discounts are not allowed as deduction from 'value' for GST. On the other hand, if less amount is paid to supplier, corresponding input tax credit is required to be reversed with interest, even when entire tax amount has been paid to Government by supplier.

44A. Manner of reversal of credit of Additional duty of Customs in respect of Gold dore bar.

The credit of Central tax in the electronic credit ledger taken in terms of the provisions of section 140 relating to the CENVAT Credit carried forward which had accrued on account of payment of the additional duty of customs levied under sub-section (1) of section 3 of the Customs Tariff Act, 1975 (51 of 1975), paid at the time of importation of gold dore bar, on the stock of gold dore bar held on the 1st day of July, 2017 or contained in gold or gold jewellery held in stock on the 1st day

of July, 2017 made out of such imported gold dore bar, shall be restricted to one-sixth of such credit and five-sixth of such credit shall be debited from the electronic credit ledger at the time of supply of such gold dore bar or the gold or the gold jewellery made therefrom and where such supply has already been made, such debit shall be within one week from the date of commencement of these Rules.

In case of nonpayment/underpayment of consideration what is the Procedure for reversal ITC:

A registered person, who has availed of input tax credit on any inward supply of goods or services or both, but fails to pay to the supplier thereof the value of such supply along with the tax payable thereon within the time limit specified in the second proviso to section 16(2), shall furnish the details of such supply and the amount of input tax credit availed of in form GSTR-2 for the month immediately following the period of 180 days from the date of issue of invoice'- Rule 37(1) of CGST and SGST Rules, 2017.

In cases where GST is payable without consideration as specified in Schedule I of CGST Act, the amount shall be deemed to have been paid - first proviso to Rule 37(1) of CGST and SGST Rules, 2017 [The proviso re-numbered as first proviso w.e.f. 13- 6-2018][Thus, in such case, actual receipt of payment is not required].

The amount of input tax credit as above shall be added to the output tax liability of the registered person for the month in which the details are furnished - Rule 37(2) of CGST and SGST Rules, 2017.

The registered person shall be liable to pay interest at the rate notified under section 50(1) of CGST Act for the period starting from the date of availing credit on such supplies till the date when the amount added to the output tax liability, as mentioned above is paid - Rule 37(3) of CGST and SGST Rules, 2017.

Payment deemed to be received if amount paid by recipient behalf of supplier is added in value for payment of GST – Section 15(2)(b) of CGST Act provides that any amount that the supplier is liable to pay in relation to such supply but which has been incurred by the recipient of the supply and not included in the price actually paid or payable for the goods or services or both is includible in value.

This cannot cover free inputs or services supplied by recipient, as only 'amount' paid by recipient on behalf of supplier is includible. This would be so only where there was contractual liability on supplier to make those supplies. However, if amount was contractual liability of supplier but paid by recipient on his behalf, that amount will be includible in 'value' for purpose of payment of GST.

Even if this amount is addible in value, obviously payment will not be received in respect of this amount from recipient. Normally, if payment is not received from recipient, proportionate input tax credit has to be reversed as per section 16(2) of CGST Act. However, in such cases, it will be deemed that the payment has been received. Thus, reversal of proportionate input tax credit will not be required - second proviso to rule 37(1) of CGST Rules, inserted w.e.f. 13-6- 2018. This second provision should apply with retrospective effect, though the rule does not specifically say so.

Re-availing the credit after payment to supplier - The credit of ITC so reversed can be taken after payment is made to the supplier of goods or services or both. The time limit as specified in section 16 of CGST Act will not apply to such re-credit - Rule 37(4) of CGST and SGST Rules, 2017.

If part of input goes in by-product or waste, ITC would be available:

Entire input tax credit is available, even if part of input goes in by-product or waste like sludge which is not taxable. Principle of proportionate apportionment is not applicable - Ruchi Soya Industries v. State of Madhya Pradesh (2014) 70 VST 40 (MP)

HC DB) - - following CST v. Bharat Petroleum Corporation Ltd. (1992) 2SCC220 = 85 ST C220(SC).

Availment of ITC in case of Process losses and handling loss:

There will be some loss of inputs during manufacturing process Cenvat (now ITC) is available on entire quantity of input even if part of input goes in process loss, since all inputs are 'used' in the manufacture of final product, even if it is not reflected in final product – Multi-metals Ltd. v. ACCE 57 ELT 209 (SC) = 1992 (1) SCC 715 = AIR 1992 SCI 532 = 1992 AIR SCW 1644-quoted with approval in UOI v. Indian Aluminum Co. Ltd - 1995 (77) ELT 268(SC - 3-member bench order), where it was held that exact mathematical equation between quantity of raw material purchased and the raw material found in finished product is not possible, and should not be looked for. [This judgment is in respect of Proforma Credit, but its ratio is fully applicable to Cenvat (now ITC).]

In CCE v. IPF Vikram India 2002(150) ELT 175 (CEGAT), it was held that Cenvat on inputs (now ITC) which have gone in waste is not deniable - Departmental appeal dismissed by SC on merits -2003(153) ELT A303.

Entire Cenvat credit (now ITC) is available if part of input is contained in waste, refuse or by – product – Mahindra Hinoday Industries v. CCE (2014) 308 ELT 555 (CESTAT) relying on CBE&C circular No. B-4/7/2000-TRU dated 3-4-2000 – same view in Rupa and Co. v. CESTAT (2015) 324 ELT 295 (Mad HC DB)

Even if waste is not returned by job worker, Cenvat credit of excise duty (now ITC of GST) contained in such scrap or waste is not required to be reversed – Mukand Ltd. v. CCE (2015) 318 ELT 134 (CESTAT SMB).

Loss of input by evaporation during manufacturing processing is to be treated as ware or loss and Cenvat credit (now ITC) on such loss is not required to be reversed –CCEv. BOC(India) (2008) 223 ELT 33 (Guj HC DB).

Chlorine gas Left in cylinder after use of gas in processing can be termed as 'process loss' and its Cenvat credit (now ITC) is available -CCE v. Andhra Paper Mill (2011) 269 ELT 79 (AP HC DB).

Even excess process loss is allowable if any evidence of clandestine removal is not available - Rollex Electro Products v. CCE (2016) 338 ELT 736 (CESTAT).

During handling eligible there is Loss of inputs - In or in relation to the manufacture covers the entire manufacturing process starting from initial stage of handling of inputs. Thus, if wastage of input at the initial handling from tank discharge due to various reasons like spillage, pipeline losses, handling losses etc., it is 'in or in relation to manufacture' and Cenvat (now ITC) cannot be denied.

Full ITC is available in case of natural losses but not in short receive:

If inputs are short received and there is loss during transit, the goods short received cannot be termed as 'used in or in relation to manufacture'. Hence, Cenvat credit (now ITC) on such short- received inputs is not available - Asea Brown Boveri Ltd. v. CCE 1994(74) ELT 897 (CEGAT) - same view in Bombay Dyeing v. CCE 1999 (113) ELT 331 (CEGAT)* Sterlite Industries v. CCE (2007) 212 ELT 193 (CESTAT) 'Carborundum Universal v. CCE (2008) 227 ELT 535 (CESTAT SMB).

Loss in transit of inputs due to natural causes allowable - In CCE v. Bhuwalka Steel Industries (2010) 24 STT 436 = 249 ELT 218 (CESTAT 3-member bench), it has been held that tolerances in respect of hygroscopic, volatile and such other cargo has to be allowed as per industry norms, excluding, however, unreasonable and exorbitant claims.

This was followed in CCE v. Somaiya Organo Chemicals (2012) 275 ELT 83 (CESTAT), where it was held that loss of molasses up to 2% in transit and storage is permissible and Cenvat credit is not required to be reversed.

It has been held that if the loss is due to drayage occurring in transit, i.e. moisture loss, full Cenvat credit is available, as full quantity is received in the factory and loss is only due to atmospheric changes - PKPN Spinning Mills v. C CE 1997(89) ELT 588 (CEGAT) *CCE v. Bombay Dyeing & Mfg. Co Ltd 1998(97) ELT 101(CEGAT) * Hindustan Lever v. CCE 2004 (166, ELT 273 (CESTAT)* Tata Motors v. CCE(2005) 1 STT228= (179) ELT 413 (CESTAT) * Ganges Valley Foodsv. CCE(2007) 217 ELT 147 (CESTAT) * UOI v. Hindustan Zinc (2013).

Is correlation necessary between Input & Finished Goods for taking ITC?

There is no requirement of establishing relation between inputs/ input services and final product. There is no correlation of the raw material and the final product; that is to say, it is not as if credit can be taken only on a final product that is manufactured out of the particular raw material to which the credit is related - CCE v. DaiIchi Karkaria Ltd. 112 ELT 353 = AIR 1999 SC 3234 = 1999

AIR SCW 3205 - (1999) 7 SCC 448 (SC 3-member bench) - quoted with approval in CCE v. Bombay Dyeing (2007) 10 STT 286 (SC).

Credit on any input can be used for any taxable final product - Credit of input can be used in any of the taxable final product. In Pratap Steels Ltd v. CCE 1997(95) ELT 584 (CEGAT), it was held that excess credit accumulated on account of duty on final product being less than duty on inputs utilised there for, can be utilised for same final product manufactured out of non-duty paid inputs, as one to one correlation is not required under Cenvat (now ITC).

Is there any restriction to take the credit until sold or Utilised?

Credit will be available as soon as inputs or input services are received. It is not necessary to wait till these are utilised or sold.

What are the goods and services in which ITC is not eligible? – The Exclusion

The input tax credit eligibility is based on whether the same is used for taxable supplies or zero-rated supplies. Where the goods or service is used for both taxable and exempted supplies, only proportionate credit is eligible for registered person. Further, a list of ineligible input tax credit is also provided.

The value of exempt supplies shall include supply on which tax is paid under Reverse Charge, transaction in securities, sale of land and sale of building. Supplies in respect of which the outward supplier is not liable to pay tax but the recipient is made liable to pay the tax, then due to section 17(3), for the limited purpose of restricting input tax credit to the supplier (who is not made responsible to pay tax due to RCM provisions) the value of these supplies will be regarded as 'exempt supplies' while arriving at the net available input tax credit. Doubts have been raised whether such supplies should be included as exempt supplies by the recipient who pays the tax (on RCM basis). This is not the case, as the recipient has not made such supply.

Though definition of input tax is broad, input tax credit shall not be available in respect of activities and transactions specified in section 17(5) of CGST Act (termed as 'blocked credit']. The specific exclusion means that but for such exclusion by blocking credit, the Input Tax Credit (ITC) would have been available.

Section 17(5)(a) and 17(5)(b) of CGST Act have been amended substantially vide CGST (Amendment) Act, 2018, w.e.f. 1-2-2019. The blocked credit as applicable w.e.f. 1-2-2019 is summarized below.

ITC is not available in respect of following -

- ❖ **Motor Vehicles and other Conveyances:** ITC for Motor Vehicles will not be available

- Except when they are used for:
 - i. Transportation of Goods, or Making the following taxable services:
 - ii. Further supply of such vehicles/conveyances, or
 - iii. Transportation of passengers, or
 - a. Training for driving / flying / navigating such vehicles/conveyances.
 - b. Motor Vehicle for transportation of persons having seating capacity of more than 13 (including driver), vessels and aircraft.
 - c. Motor Vehicles for transportation of money for or by a banking company or financial institution.
- ❖ Services of general insurance, repair and maintenance in respect of motor vehicles, vessels and aircraft on which credit is available.
- ❖ Vessels and aircrafts, except when used for (i) further supply, transportation of passengers or training (ii) transportation of goods. ITC on its leasing, renting or hire is also not allowable, except when used for making outward supply of same category of goods or services, or as element of mixed composite supply [no change]
- ❖ General insurance, servicing, repairs and maintenance of motor vehicles, vessels and aircrafts which are not eligible for ITC except when used for making outward supply of same category of goods or services, or as element of mixed composite supply [Specifically provided now. Earlier, there was no specific exclusion and hence it can be argued that these expenses were eligible earlier for ITC]
- ❖ Food, beverages, outdoor catering, beauty treatment etc. except when used for making outward supply of same category of goods or services, or as element of mixed/ composite supply.

- ❖ Membership of club, health and fitness centre.
- ❖ Travel benefits extended to employees on vacation.
- ❖ Works contract service for construction, repairs, renovations, additions, alterations, re-construction of immovable property except when used for further supply of works contract service.
- ❖ Construction, repairs, renovations, additions, alterations, re-construction of immovable property except plant and machinery on his own account.
- ❖ Tax paid under composition scheme under section 10 of CGST Act
- ❖ Goods and services received by non-resident taxable person except goods imported by him
- ❖ Goods and services used for personal consumption (may be of employees, directors or even others)
- ❖ Goods lost, stolen, destroyed, written off or given as gift or free samples
- ❖ Tax paid under section 74 (tax paid after allegation of fraud, willful misstatement or suppression of facts), 129 (tax paid after detention of goods in transit for violations of provisions of e-way bill) and 130 (penalty paid after confiscation of goods).

Section 17(5) of CGST Act, as amended w.e.f. 1 -2-2019

The entire section 17(5) of CGST Act (as amended by CGST (Amendment) Act, 2018 w.e.f. 1-2-2019, is given below for ready reference.

Notwithstanding anything contained in sub-section (1) of section 16 and sub-section (1) of section 18, input tax credit shall not be available in respect of the following, namely: –

- (a) motor vehicles for transportation of persons having approved seating capacity of not more than thirteen persons (including the driver), except when they are used

- for making the following taxable supplies, namely: — (A) further supply of such motor vehicles; or (B) transportation of passengers; or (C) imparting training on driving such motor vehicles;
- (aa)vessels and aircraft except when they are used—(i) for making the following taxable supplies, namely: — (A) further supply of such vessels or aircraft; or (B) transportation of passengers; or (C) imparting training on navigating such vessels; or (D) imparting training on flying such aircraft; (ii) for transportation of goods;
- (ab)services of general insurance, servicing, repair and maintenance insofar as they relate to motor vehicles, vessels or aircraft referred to in clause (a) or clause (ad): Provided that the input tax credit in respect of such services shall be available— (i) where the motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa) are used for the purposes specified therein; (ii) where received by a taxable person engaged— (I) in the manufacture of such motor vehicles, vessels or aircraft; or (II) in the supply of general insurance services in respect of such motor vehicles, vessels or aircraft insured by him;
- (b)(i) the following supply of goods or services or both— food and beverages, outdoor catering, beauty treatment, health services, cosmetic and plastic surgery, leasing, renting or hiring of motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa) except when used for the purposes specified therein, life insurance and health insurance: - - Provided that the input tax credit in respect of such goods or services or both shall be available where an inward supply of such goods or services or both is used by a registered person for making an outward taxable supply of the same category of goods or services or both or as an element of a taxable composite or mixed supply;
- (b)(ii) the following supply of goods or services or both— membership of a club, health and fitness centre; and

(iii) the following supply of goods or services or both— travel benefits extended to employees on vacation such as leave or home travel concession:

Provided that the input tax credit in respect of such goods or services or both shall be available, where it is obligatory for an employer to provide to its employees under any law for the time being in force.

(c) works contract services when supplied for construction of an immovable property (other than plant and machinery) except where it is an input service for further supply of works contract service;

(d) goods or services or both received by a taxable person for construction of an immovable property (other than plant or machinery) on his own account including when such goods or services or both are used in the course or furtherance of business.

Explanation: For the purposes of clauses (c) and (d), the expression “construction” includes re-construction, renovation, additions or alterations or repairs, to the extent of capitalisation, to the said immovable property;

(e) goods or services or both on which tax has been paid under section 10;

(f) goods or services or both received by a non-resident taxable person except on goods imported by him;

(fa) goods or services or both received by a taxable person, which are used or intended to be used for activities relating to his obligations under corporate social responsibility referred to in section 135 of the Companies Act, 2013 (18 of 2013).

(g) goods or services or both used for personal consumption;

(h) goods lost, stolen, destroyed, written off or disposed of by way of gift or free samples; and

(i) any tax paid in accordance with the provisions of sections 74, 129 and 130.

Goods and services where ITC are blocked w.e.f. 1-2-2019 are discussed below:

Motor vehicles - Motor vehicles for transportation of persons having approved seating capacity of not more than thirteen persons (including the driver), are not eligible for ITC except when used for making the following taxable supplies, namely—

- a. further supply of such motor vehicles
- b. transportation of passengers
- c. imparting training on driving of such vehicles - section 17(5) (a) of CGST Act. The words in italics inserted w.e.f. 1-2-2019.

The **ITC** on motor vehicles used for transportation of goods was eligible prior to 1-2-2019 and continues to be eligible after 1-2-2019.

Services of leasing, renting or hiring of motor vehicles referred to in clause (a) are also not eligible for ITC except when used for the purposes specified therein- section 17(5) (b)(i) of CGST Act inserted w.e.f. 1-2-2019. This clause is inserted vide CGST (Amendment) Act, 2018.

In my view, even prior to 1-2-2019, these services were not eligible for **ITC** in view of the words 'in respect of used in section 17(5) of **CGST** Act.

Vessels and aircraft - Vessels and aircrafts are not eligible for ITC except when used for making the following taxable supplies, namely—(i) (A) further supply of such vessels or aircrafts (B) transportation of passengers (C) imparting training on navigating such conveyances (D) imparting training on flying such aircrafts (ii) for transportation of goods - section 17(5) (aa) of CGST Act inserted w.e.f. 1-2-2019.

Services of leasing, renting or hiring of vessels or aircraft referred to in clause (aa) are also not eligible for ITC except when used for the purposes specified therein - - section 17(5) (b)(i) of CGST Act w.e.f. 1-2-2019.

In my view, even prior to 1-2-2019, these services were not eligible for **ITC** in view of the words 'in respect of' used in section 17(5) of CGST Act.

Ineligible Repairs, maintenance and insurance of motor vehicles, vessels and aircrafts - Services of general insurance, servicing, repair and maintenance insofar as they relate to motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa) is not eligible [i.e. when motor vehicle, vessel or aircraft is not eligible for ITC, its repairs, insurance and maintenance expenses are also not eligible. - section 17(5)(ab) of CGST Act inserted w.e.f. 1-2-2019.

The ITC on motor vehicles used for transportation of goods was eligible and continues to be eligible after 1-2-2019

Even earlier, in my view, these expenses were not eligible for ITC for reasons discussed below.

The term used in section 17(5) is 'in respect of motor vehicle or conveyance'. The phrase 'in respect of' is usually treated as similar to 'in relation to'. This is a broad term and it is expansive.

Thus, it should cover expenses relating to repair, insurance and maintenance of motor vehicles and conveyances also and these should not be eligible for input Tax Credit.

In respect of can be given wide meaning as 'in relation to' or 'with reference to' – Tularam Relumlalv. State of Bombay AIR 1954 SC 496. The phrase 'in respect of has wider connotation that 'in' – Godavaris Misra v. Nanda kishore AIR 1953 Ori 111, CIT v. Chunilal AIR 1968 Pat 364. The words 'in respect of admit of a wide connotation – UOI v. Vijay Chand Jain AIR 1977 SC 1302 = (1977) 2 SCC 405.

No ITC for vehicle used for transportation of cash (money) - Cash (money) is not 'goods'. Hence, ITC for vehicle used for transportation of cash is not available.

When Repairs, maintenance and insurance of motor vehicles, vessels and aircrafts eligible for ITC - The input tax credit in respect of insurance, maintenance and repair services of motor vehicle, vessels and aircrafts shall be available— (i) where the motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa) are used for the purposes specified therein; (ii) where received by a taxable person engaged— (I) in the manufacture of such motor vehicles, vessels or aircraft; or (II) in the supply of general insurance services in respect of such motor vehicles, vessels or aircraft insured by him - proviso to section 17(5)(ab) of CGST Act inserted w.e.f. 1-2- 2019.

This is new provision. This amendment in clause (ii) will be helpful in case of manufacturer of motor vehicles and suppliers of general insurance service. The items mentioned in clause (i) above were eligible even prior to 1-2-2019.

Goods and services for food, beauty treatment, health mainly for personal consumption -Services of food and beverages, outdoor catering, beauty treatment, health services, cosmetic and plastic surgery, life insurance and health insurance are not eligible for ITC except where such inward supply of goods or services or both is used by a registered person for making an outward taxable supply of the same category of goods or services or both or as an element of taxable composite or mixed supply - section 17(5)(b) (i) of CGST Act, as amended vide CGST (Amendment) Act, 2018 w.e.f. 1-2-2018.

Even earlier, the statutory provision was same. These expenses are predominantly for personal use. Input tax credit in respect of such goods or services or both shall be available, where it is obligatory for an employer to provide to its employees under any law for the time being in force - - proviso to section 17(5) (j) of CGST Act inserted w.e.f. 1-2-2019.

ITC of canteen facility provided in factories under Factories Act- As per section 46 of Factories Act, if 250 or more workers are employed, provision of canteen facility is mandatory. Since this is mandatory, Input Tax Credit of canteen services

provided to employees should be available in view of proviso to section 17(5)(b) of CGST Act w.e.f. 1-2-2019.

Really, under Factories Act, it is not legally required to provide free or subsidised meals.

Membership of club, health centre- Service of membership of a club, health and fitness centre is not eligible - section 17(5) (b)(ii) of CGST Act. This clause is inserted w.e.f. 1-2-2019. Even prior to 1-2-2019, the statutory provision was same. These expenses are predominantly for personal use.

Travel benefit to employees on leave or vacation - Services travel benefits extended to employees on vacation such as leave or home travel concession are not eligible for ITC - section 17(b)(iii) of CGST Act inserted w.e.f. 1-2-2019. Even prior to 1-2- 2019, the statutory provision was same. These expenses are predominantly for personal use.

Works Contract service- Works contract services when supply for construction of an immovable property (other than plant and machinery) is not eligible, except where it is an input service for further supply of works contract service - section 17(5)(c) of CGST Act [same provision prior to 1-2-2019 - no change].

'Other than plant and machinery' means input tax credit of GST paid on plant and machinery procured will be available. Further, this credit of works contract will be available to build' or contractor who himself is undertaking works contract service as he is suing those services for further supply of works contra service.

The expression "construction" includes re-construction, renovation, additions or alterations or repairs, to the extent of capitalization, to the said immovable property - explanation below section 17(5)(d) of CGST Act. Thus, if expenses of renovation, repairs, re-construction or alterations are not capitalized in books of account of taxable person, its ITC is allowable. Input tax credit of works contract services received for maintenance and repairs of mall is not admissible.

Construction service - Goods or services received by a taxable person for construction of an immovable property (other than plant and machinery) on his own account including when such goods or services or both are used in course or furtherance of business is not eligible for Input Tax Credit - section 17(5)(d) of CGST Act [same provision prior to 1-2-2019 - no change].

The expression "construction" includes re-construction, renovation, additions or alterations or repairs, to the extent of capitalization, to the said immovable property - explanation below section 17(5)(d) of CGST Act.

Thus, if expenses of renovation, repairs, re-construction or alterations are not capitalized in books of account of taxable person, its ITC is allowable.

Input tax credit of material purchased for maintenance and repairs of mall is not admissible.

GST paid under composition scheme- Goods or services or both on which tax has been paid under section 10 (composition scheme) are not eligible - section 17(5)(e) of CGST Act [same provision prior to 1-2-2019 - no change].

Goods or services or both received by a non-resident taxable person- Goods or services or both received by a non-resident taxable person are not eligible for input tax credit, except on goods imported by him - section 17(5)(f) of CGST Act [same provision prior to 1-2-2019 - no change].

Goods or services or both received by a taxable person, which are used or intended to be used for activities relating to his obligations under corporate social responsibility referred to in section 135 of the Companies Act, 2013 (18 of 2013)- section 17(5)(fa) of CGST Act [Inserted w.e.f 01-10-2023]

Goods and services used for personal consumption - Goods or services or both used for personal consumption are not eligible for input tax credit - section 17(5)(g) of CGST Act [same provision prior to 1-2-2019 - no change]. What probably it means is that goods or services or both used for non-business

purposes like personal use on consumption by partners or directors or proprietor will not be eligible for ITC.

Lost, stolen or destroyed goods and free samples - Goods lost, stolen, destroyed, written off or disposed of by way of gift or free samples are not eligible for input tax credit - section 17(5)(h) of CGST Act [same provision prior to 1-2-2019 - no change].

GST paid after detection of fraud or suppression or goods removed in contravention of GST Act - Any tax paid in terms of sections 74, 129 and 130 of CGST Act are not eligible for input tax credit. This covers GST paid after detection of fraud or suppression or goods removed in contravention of GST Act - section 17(5)(i) of CGST Act [same provision prior to 1-2-2019 no change]. - same provision in Rule 36(3) of CGST and SGST Rules, 2017.

What is the definition of 'plant and machinery' in GST?

Section 17(6) of CGST Act:

"Plant and machinery" means apparatus, equipment, and machinery fixed to earth by foundation or structural support that are used for making outward supply of goods or services or both and includes such foundation and structural supports but excludes - (i) land, building or any other civil structures

(ii) telecommunication towers; and (iii) pipelines laid outside the factory premises. Shed to protect plant and machinery is civil structure and its ITC is not available.

Can it be said that building is plant'? - Normally, 'plant' can include 'building', as per following case law. However, in view of specific exclusion of building from definition of 'plant', it is doubtful if building can be held as 'plant' for purpose of ITC in GST.

In CIT v. Taj Mahal Hotel (1971) 82 ITR 44 (SC) = AIR 1972 SC 168 = 1971 (3) SCC 550, Supreme Court has held that sanitary fittings and pipelines installed in a hotel are 'plant' as

their installation made it possible to carry on the business of hotel more profitably. SC followed 'functional test' in this case.

Dictionary meaning of "Plant"- The land, buildings and equipment used in an industry. - Quoted from McGraw Hills Dictionary in Singh Alloys & Steel Ltd v. ACCE1993 (66) ELT 594 (Cal). - quote in Rat hi Udyog Ltd v. CCE 2000 (121) ELT 524 (CEGAT 5 membi bench).

'Used for' is wider than 'used in' - The term 'Used for' is wide than 'used in' - Oblum Electrical Industries P Ltd. v. CC 94 EL 449 (SC) = AIR 1997 SC 3467 = 1997 AIR SCW 3557 = 1997 (' SCC 581.

What is the meaning of works contract in GST Law?

"Works contract" means a contract for building, construction fabrication, completion, erection, installation, fitting, improvement, modification, repair, maintenance, renovation alteration or commissioning of any immovable property wherein transfer of property in goods (whether as goods or in some other form) is involved in the execution of such contract - section 2(119) of CGST Act. Only composite contracts relating to immovable property are covered under 'works contract'.

Works contract as defined in section 2(119) of CGST Act is a composite supply and shall be treated as 'supply of service' - para 6(a) of Schedule II of CGST Act.

A tax on the transfer of property in goods (whether as goods or in some other form) involved in the execution of a works contract is deemed sale of goods under Article 366(29A) of Constitution of India. [As inserted by 46th Amendment to

Constitution in 1982]. Thus, the Constitution states that 'works contract' is deemed sale of goods, while GST Law states that it is 'supply of service'

What is the meaning of Motor Vehicle in GST Law?

As per section 2(28) of Motor Vehicles Act, 1988, Motor vehicle or vehicle means any mechanically propelled vehicle adopted for use upon roads whether the power of propulsion is transmitted thereto from external or internal source and includes a chassis to which a body has not been attached and a trailer; but does not include a vehicle running upon fixed rails or vehicle of a special type adapted for use only in a factory or any other enclosed premises or a vehicle having less than four wheels fitted with engine capacity of not exceeding 25 (Twenty-five) cubic centimeters.

In *Bose Abraham v. State of Kerala* (2001) 3 SCC 157 = 121 STC 614 (SC) = AIR 2001 SC 835, it was held that excavators and road rollers are 'motor vehicles'. Merely because a motor vehicle is put to a specific use as such being confined to an enclosed premise, will not render the same to be a different kind of vehicle - quoted in *Vijaya Traders v. CTO* (2011) 45 VST 113 (AP HC DB).

In *RDS Projects v. CTO* (2007) 8 VST 574 (Mad HC), it has been held that excavator moving on chains mounted on belt and not meant for use on roads is not 'motor vehicle'.

No ITC of GST paid on excavators and road rollers, but available on tippers and dumpers - The ITC of GST paid on excavators or road rollers will not be available, as they are 'motor vehicles' as per MV Act (unless some specific provision is made).

However, ITC of GST paid on tippers and dumpers will be available as they are not 'motor vehicle' - FAQ No. 21 of FAQ on Mining issued by Directorate General of Taxpayer Services on 31-7-2017. ITC of GST paid on tippers and dumpers will be available as they are not 'motor vehicle' - FAQ No. 21 of FAQ on Mining issued by Directorate General of Taxpayer Services on 31 -7-2017.

Based on Important Case Law: Eligible/Ineligible ITC

Input services used for CSR Activity - Corporate Social Responsibility (CSR) is not only holistic approach but integrating core business strategy. Sustainability of company is dependent on CSR. Hence, input services used for CSR activities are eligible for Cenvat credit –Essel Petropack v. CCGST(2018) 362 ELT 833 (CESTAT) [decision for period prior to GST but principle applies to GST also].

Brokerage services relating to renting of building - Brokerage services relating to renting of building is eligible input service for renting of commercial property. The service falls under heading 9972 (really 99621 appears to be more appropriate)- Adwitya Spaces P Ltd. (AAR-Tamil Nadu).

GST paid on lease rent for land not eligible for ITC- In GGL Hotel and Resort Company Ltd.,(AAR-WEST BENGAL), applicant had taken on lease certain land for construction of resort and he was liable to pay annual lease rent. The lease rent paid during pre-operative period was to be capitalized in account books by applicant. It was held that input tax credit is not available to applicant for lease rent paid during pre-operative period. The reason given was that ultimately the land should be treated as part of the cost of goods and services received for the purpose of constructing an immovable property (other than plant and machinery) on the applicant's own account. Input tax credit is, therefore, not admissible on such lease rental in terms of section 17(5)(d) of CGST Act [very strained reasoning indeed. It is well settled that exclusion clause in any benevolent provision has to be constructed].

Availment of ITC of capital goods:

Entire ITC of GST paid on capital goods will be available in first year itself, as these are 'goods'. Term 'capital goods' is defined in section 2(19) of CGST Act as follows -

"Capital goods" means goods, the value of which is capitalised in the books of account of the person claiming the credit

and which are used or intended to be used in the course or furtherance of business - section 2(19) of CGST Act.

What is the meaning of 'capital goods' for purpose of ITC?

"Capital goods" shall include "plant and machinery" as defined in the Explanation to section 17 of CGST Act - Explanation below Rule 45 of CGST and SGST Rules, 2017.

For purpose of Chapter V of CGST Act (Input Tax Credit) and Chapter VI of CGST Act (Registration), expression 'plant and machinery' is defined as follows [Explanation to section 17 of CGST Act].

"Plant and machinery" means apparatus, equipment and machinery fixed to earth by foundation or structural support that are used for making outward supply of goods or services or both and includes such foundation and structural supports but excludes - (i) land, building or any other civil structures (ii) telecommunication towers; and (iii) pipelines laid outside the factory premises.

Double benefit is not allowed - If depreciation claimed on tax component the ITC is not available:

Where the registered taxable person has claimed depreciation on the tax component of the cost of capital goods under the provisions of the Income-tax Act, 1961, the input tax credit on the said tax component shall not be allowed - section 16(3) of CGST Act.

Thus, if net value of capital goods is ₹ 100 lakhs and GST paid is Rs. 18 lakhs, the taxable person should claim depreciation in income tax only on ₹100 lakhs.

Pipelines and telecommunication tower - Ineligible ITC

Credit of input tax in respect of pipelines laid outside the factory and telecommunication towers fixed to earth by foundation or structural support including foundation and structural support are not eligible for input tax credit - Explanation to section 17 of CGST Act.

Though telecommunication tower, being immovable property, is not eligible for ITC, the Input Tax Credit will be available in respect of other goods used to provide infrastructure (which are movable) and services used for providing infrastructure. These would cover pre-fabricated shelter made of insulating PUF material made of fibers, Electronic Panel, Base Transceiver Station (BTS) and other radio transmission and reception equipment, a diesel generator set, six poles of 6 to 9 meters length each made of hollow steel galvanized pipes. These are easily removable and hence are 'goods' eligible for ITC -Vindhya Telelinks Ltd,(AAR- Uttarakhand).

Supply of capital goods on which Input tax credit is taken:

The registered person shall:

- ❖ Pay an amount equal to input tax credit taken on such capital goods reduced by percentage points as prescribed or
- ❖ Tax on the transaction value of such capital goods, whichever is higher.

In case of supply of capital goods on which input tax credit has been taken, the registered person shall pay an amount equal to the input tax credit taken on the said capital goods or plant and machinery reduced by the percentage points as may be specified or the tax on the transaction value of such capital goods or plant and machinery determined under section 15 of CGST Act, whichever is higher- section 18(6) of CGST Act.

The amount of credit shall be calculated by reducing the input tax @ 5% for every quarter or part thereof, from the date of

issue of invoice for the capital goods - Rule 40(2) of CGST and SGST Rules, 2017.

However, in case of bricks, moulds and dies, jigs and fixtures are supplied as scrap, the taxable person may pay tax on the transaction value of such goods determined under section 15 of CGST Act - proviso to section 18(6) of CGST Act.

Tax implication at the time of Merger, amalgamation or sale of business:

Where there is a change in the constitution of a registered person on account of sale, merger, demerger, amalgamation, lease or transfer of the business with the specific provision for transfer of liabilities, the said registered person shall be allowed to transfer the input tax credit which remains unutilized in his electronic credit ledger to such sold, merged, demerged, amalgamated, leased or transferred business in the such manner as may be prescribed -section 18(3) of CGST Act. Procedure for transfer of credit on sale, merger, amalgamation, lease or transfer of a business.

A registered person shall, on sale, merger, demerger, amalgamation, lease or transfer or change in ownership of business for any reason, furnish the details of sale, merger, demerger, amalgamation, lease or transfer of business, in form GST ITC-02 electronically on the Common Portal along with a request to transfer the unutilized input tax credit lying in his electronic credit ledger to the transferee - Rule 41(1) of CGST and SGST Rules, 2017.

In the case of demerger, the input tax credit shall be apportioned in the ratio of the value of assets of the new units as specified in the demerger scheme.

The transferor shall also submit a copy of a certificate issued by a practicing cost accountant (CMA) or chartered account (CA) certifying that the sale, merger, demerger, amalgamation, lease or transfer of business has been done with a specific provision for transfer of liabilities - Rule 41(2) of CGST and SGST Rules, 2017.

The transferee shall, on the Common Portal, accept the details so furnished by the transferor and, upon such acceptance, the unutilized credit specified in form GST ITC-02 shall be credited to his electronic credit ledger - Rule 41(3) of CGST and SGST Rules, 2017.

The inputs and capital goods so transferred shall be duly accounted for by the transferee in his books of account - Rule 41 (4) of CGST and SGST Rules, 2017.

What will happen if sole proprietor died in between?

The application for cancellation of registration shall be made by legal heir/successor in form GST REG-16. The new entity in which the applicant proposes to amalgamate itself shall be registered under GST before submission of application for cancellation of registration which is in name of deceased sole proprietor. Before filing application for cancellation, tax return up to the date of surrender of registration should be filed - Instruction No. 7(b) under form GST REG-16 inserted on 30-10-2018.

Transfer of ITC on obtaining separate registration for multiple places of business within a State or Union Territory:

A person who is having single registration within State or Union Territory make like to have multiple registrations within the State. Procedure for the same has been specified in rule 41A of CGST Rules, inserted w.e.f. 1-2-2019. The procedure is discussed under 'Registration'.

Input Tax Credit when taxable person becomes eligible for first time -

In some cases, the taxable person becomes liable to pay GST at a later stage e.g. exemption to his supply of goods or services is withdrawn or when he opts out of composition scheme or when he applies for registration after he becomes liable to pay GST. In such cases, provisions have been made to enable him to avail input tax credit.

Credit of input tax at the time of registration -

A person who has applied for registration under the Act within thirty days from the date on which he becomes liable to registration and has been granted such registration shall, subject to such conditions and restrictions as may be prescribed, be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock on the day immediately preceding the date from which he becomes liable to pay tax under the provisions of CGST Act - section 18(1) (a) of CGST Act.

This provision also applies if a taxable person takes voluntary registration under section 25(3) of CGST Act, even if his turnover is below exemption limit - section 18(1)(b) of CGST Act.

The amount of credit under section 18(1) of CGST Act shall be calculated in such manner as may be prescribed - section 18(5) of CGST Act.

Claiming credit when person applies for registration within 30 days - Input tax credit claimed in accordance with the provisions of section 18(1) of CGST Act on the inputs lying in stock or inputs contained in semi-finished or finished goods lying in stock, or the credit claimed on capital goods in accordance with the provisions of clauses (c) and (d) of section 18(1) of CGST Act, shall be subject to the following conditions—

The input tax credit on capital goods, in terms of clauses (c) and (d) of section 18(1), shall be claimed after reducing the tax paid on such capital goods by 5% per quarter of a year or part thereof from the date of invoice or such other documents on which the capital goods were received by the taxable person.

The registered person shall within thirty days from the date of his becoming eligible to avail of input tax credit under section 18(1) shall make a declaration, electronically, on the Common Portal in form GST ITC-01 to the effect that he is eligible to avail

of input tax credit as aforesaid. This period of 30 days can be extended by Commissioner by a notification. The notification can be issued either by Central Tax Authorities or State Tax Authorities or Union Territory Tax Authorities.

The declaration under clause (b) shall clearly specify the details relating to the inputs lying in stock or inputs contained in semi-finished or finished goods lying in stock, or as the case may be, capital goods—

- a. on the day immediately preceding the date from which he becomes liable to pay tax under the provisions of this Act, in the case of a claim under Section 18(1)(a).
- b. on the day immediately preceding the date of grant of registration, in the case of a claim under Section 18(1)(b).
- c. on the day immediately preceding the date from which he becomes liable to pay tax under section 9, in the case of a claim under Section 18(1)(c).
- d. on the day immediately preceding the date from which supplies made by the registered person becomes taxable, in the case of a claim under Section 18(1)(d).

The details furnished in the declaration under clause (c) shall be duly certified by a practicing cost accountant (CMA) or chartered accountant (CA) if the aggregate value of claim on account of central tax, State tax and integrated tax exceeds two lakh rupees.

The input tax credit claimed in accordance with clauses (c) and (d) of section 18(1) of CGST Act shall be verified with the corresponding details furnished by the corresponding supplier in form GSTR-1 or in form GSTR- 4, on the Common Portal.

Input tax credit when person opts out of composition scheme
Where any registered taxable person ceases to pay tax under

section 10 of CGST Act [which provides for composition scheme], he shall be entitled to take credit of input tax in respect of inputs held in stock, inputs contained in semi-finished or finished goods held in stock and on capital goods on the day immediately preceding the date from which he becomes liable to pay tax under section 9 of CGST Act [on basis of transaction value]. Credit on capital goods shall be reduced by such percentage as may be prescribed - section 18(1)(d) of CGST Act.

Input tax credit on stock when exemption on goods or services withdrawn

Where an exempt supply of goods or services or both by a registered taxable person becomes a taxable supply, such person shall be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock relating to such exempt supply and on capital goods exclusively used for such exempt supply on the day immediately preceding the date from which such supply becomes taxable - section 18(1) (d) of CGST Act.

The credit on capital goods shall be reduced by such percentage points as may be prescribed in this behalf - proviso to section 18(1)(d) of CGST Act.

Procedure for Claiming credit when person applies for registration within 30 days or when shifts from composition scheme or goods cease to be exempt.

As per rule 40(1) of CGST Rules, Input tax credit claimed in accordance with the provisions of section 18(1) of CGST Act on the inputs lying in stock or inputs contained in semi-finished or finished goods lying in stock, or the credit claimed on capital goods in accordance with the provisions of clauses (c) and (d) of section 18(1) of CGST Act, shall be subject to the following conditions -

[Note - section 18(1)(c) of CGST Act relates to ITC when taxable person under composition scheme shifts to normal scheme. Section 18(1)(d) of CGST Act relates to ITC when

exempt supply of goods becomes a taxable supply. Credit of ITC on capital goods can be availed only in these two situations and not when a taxable person applies for fresh registration].

The input tax credit on capital goods, in terms of clauses (c) and (d) of section 18(1), shall be claimed after reducing the tax paid on such capital goods by 5% per quarter of a year or part thereof from the date of invoice or such other documents on which the capital goods were received by the taxable person

The registered person shall within thirty days from the date of his becoming eligible to avail of input tax credit under section 18(1) make a declaration, electronically, on the Common Portal in form GST ITC-01 to the effect that he is eligible to avail of input tax credit as aforesaid. This period of 30 days can be extended by Commissioner by a notification. The notification can be issued either by Central Tax Authorities or State Tax Authorities or Union Territory Tax Authorities.

The declaration under clause (b) shall clearly specify the details relating to the inputs lying in stock or inputs contained in semi-finished or finished goods lying in stock, or as the case may be, capital goods-

- (i) on the day immediately preceding the date from which he becomes liable to pay tax under the provisions of this Act, in the case of a claim under section 18(1)(a).
- (ii) on the day immediately preceding the date of grant of registration, in the case of a claim under section 18(1)(b).
- (iii) on the day immediately preceding the date from which he becomes liable to pay tax under section 9, in the case of a claim under section 18(1)(c).
- (iv) on the day immediately preceding the date from which supplies made by the registered person becomes taxable, in the case of a claim under section 18(1)(d).

The details furnished in the declaration under clause (c) shall be duly certified by a practicing cost accountant (CMA) or chartered accountant (CA) if the aggregate value of claim on account of central tax, State tax and integrated tax exceeds two lakh rupees.

The input tax credit claimed in accordance with clauses (c) and (d) of section 18(1) of CGST Act shall be verified with the corresponding details furnished by the corresponding supplier in form GSTR-1 or in form GSTR- 4, on the Common Portal.

If goods become exempt or taxable person switches to composition scheme - Reversal of ITC

If a taxable person switches over from normal scheme to composition scheme, or his product which was earlier taxable becomes exempt, he is required to reverse input tax credit of GST paid on stock, WIP and finished goods. He is also required to reverse ITC taken on capital goods, after allowing deduction of 5% per quarter.

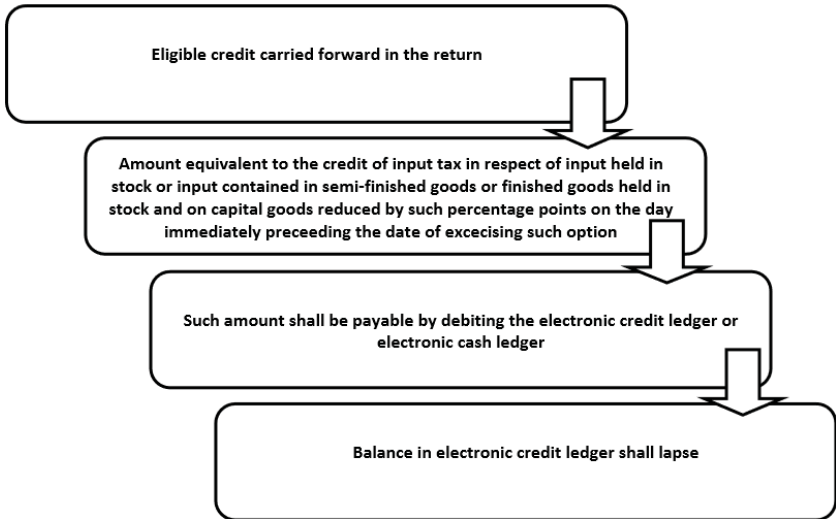

Provisions for this purpose are made in section 18(4) and Rule 44 of CGST and SGST Rules, 2017.

Where any registered taxable person who has availed of input tax credit switches over as a taxable person for paying tax under section 10 of CGST Act [composition scheme] or, where the goods and/or services supplied by him become wholly exempt, he shall pay an amount, by way of debit in the electronic credit ledger or electronic cash ledger, equivalent to the credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock and on capital goods, reduced by such percentage points as may be prescribed, on the day immediately preceding the date of such switch over or, as the case may be, the date of such exemption - section 18(4) of CGST Act.

After payment of such amount, the balance of input tax credit, if any, lying in his electronic credit ledger shall lapse - proviso to section 18(4) of CGST Act. The amount payable under section 18(4) of CGST Act shall be calculated in such manner as may be prescribed - section 18(5) of CGST Act.

Switching from regular to composition - Pay and Exit

Reversal of ITC if registration is cancelled

If GST registration of a taxable person is cancelled, reversal of Input Tax Credit on inputs in stock is required. Reversal of ITC on capital goods is also required by reducing the credit @ 5% per quarter - section 29(5) of CGST Act.

Reversal of input tax credit if goods or services become wholly exempt or GST registration cancelled

The amount of input tax credit, relating to inputs lying in stock, inputs contained in semi-finished and finished goods lying in stock, and capital goods lying in stock, for the purposes of section 18(4) or section 29(5) of CGST Act, shall be determined as follows - Rule 44(1) of CGST and SGST Rules, 2017:

For inputs lying in stock, and inputs contained in semi-finished and finished goods lying in stock, the input tax credit shall be calculated proportionately on the basis of corresponding invoices on which credit had been availed by the registered taxable person on such input.

For capital goods lying in stock the input tax credit involved in the remaining residual life in months shall be computed on pro- rata basis, taking the residual life as five years.

The amount, as prescribed in rule 44(1) shall be determined separately for input tax credit of IGST and CGST - rule 44(2) of CGST Rules.

Where the tax invoices related to the inputs lying in stock are not available, the registered person shall estimate the amount under rule 41(1) based on the prevailing market price of goods on the effective date of occurrence of any of the events specified in section 18(4) or section 29(5) - rule 44(3) of CGST Rules.

The amount determined under rule 44(1) shall form part of the output tax liability of the registered person and the details of the amount shall be furnished in form GST ITC-03, where such amount relates to any event specified in section 18(4) and in form GSTR-10, where such amount relates to cancellation of registration - rule 44(4) of CGST Rules.

The details shall be certified by a practicing CA/CMA - rule 44(5) of CGST Rules. The amount of ITC for purpose of section 18(6) of CGST Act relating to capital goods will be determined in same manner as specified in rule 44(1)(b) of CGST Rules. It will be determined separately for ITC of CGST, SGST, UTGST and IGST - rule 44(6) of CGST Rules.

If such amount exceeds the tax determined on the transaction value of the capital goods, the amount shall be added as output tax liability in form GSTR-1 - proviso to rule 44(6) of CGST Rules.

Imported gold dore bar sold after 1-7-2017 - Reversal of ITC

In case of import of gold dore bar before 1-7-2017, CVD was payable. The credit of such CVD is available under section 140 of CGST Act. While supplying such gold bars or contained in gold or gold jewellery held in stock on 1-7-2017, the taxable person is eligible for only one-sixth (i.e. 16/6667%) of the credit.

Balance (i.e. 83.3333%) will have to be reverse i.e. debited in electronic credit ledger at the time of supply. In case of supplies made prior to 17-8-2017, such reversal shall be made within one week - rule 44A of CGST Rules inserted w.e.f. 17-8-2017.

ITC wrongly taken - Recovery

Where credit has been taken wrongly, the same shall be demanded from the registered person by issuing show cause notice sections 73 and 74 of CGST Act.

Note 1: T1, T2, T3 and T4 shall be DETERMINED AS ABOVE and declared in Form GSTR-2

Note 2: If the registered person does not have any turnover for May 2018, then the value of E and F shall be considered for the last tax period for which such details are available

Note 3: Aggregate value excludes taxes

Note 4: The registered person is expected to make such computation for each tax period and for the whole year as well. In case the resultant computation results in short credit availed, then such credit can be claimed in the electronic credit ledger. Further, if on computation for the whole year, the registered person has claimed excess credit on a month on month basis, then such excess credit claimed for the year shall be added back to the output liability and will be liable for payment with interest.

Manner of Distribution of Credit by Input Service Distributor (ISD) [Sec. 20]

Input Service Distributor (ISD) is an office of the supplier of goods or services or both where a document (like invoice) of services attributable to other locations are received (since they might be registered separately). Since the services relate to other locations the corresponding credit should be transferred to such locations (having separate registrations) as services are supplied from there. ISD cannot be an office that does any supply of its own but must be one that merely collects invoice for services and issue prescribed document for its distribution.

Illustration: Corporate office of XYZ company Ltd., is at New Delhi, having its business locations of selling and servicing of goods at New Delhi, Chennai, Mumbai and Kolkata. For example, if the software license and maintenance is used at all the locations, invoice indicating CGST and SGST is received at Corporate Office. Since the software is used at all the four

locations, the input tax credit of entire services cannot be claimed at New Delhi. The same has to be distributed to all four locations. For that reason, the Delhi Corporate office has to act as ISD to distribute the credit.

Conditions to distribute credit by ISD

The conditions to distribute the credit by ISD are as follows:

- ❖ Credit to be distributed to recipient under prescribed documents containing prescribed details. Such document should be issued to each of the recipient of credit.
- ❖ Credit distributed should not exceed the credit available for distribution.
- ❖ Tax paid on input services used by a particular location (registered as supplier), is to be distributed only to that location.
- ❖ Credit of tax paid on input service used by more than one location who are operational is to be distributed to all of them based on the pro-rata basis of turnover of each location in a State to aggregate turnover of all such locations who have used such services.
- ❖ The period to be considered for computation is the previous financial year of that location. If it does not have any turnover in the previous financial year, then previous quarter of the month to which the credit is being distributed.
- ❖ The credit of IGST should always be distributed as IGST credit to all the units to which the service is attributable, regardless of where they are located.
- ❖ The credit of CGST and SGST should be distributed as IGST credit to all the units located outside the State in which the ISD is located, and as CGST and SGST respectively, in case of distribution of credit to a unit located in the same State as the ISD.

Rule 39 of Central Goods and Services Tax (CGST) Rules, 2017 - For distribution of credits by an Input Service Distributor (ISD)

Yoko Infotech Ltd. Has its head office in Mumbai, for which it additionally has an ISD registration. The company has 12 units across India including its head office. It receives the following invoices in the name of the ISD at Mumbai, for the month of January 2019; **Invoice A:** ₹1,00,000 @ IGST 18,000 issued by Peace Link Technologies (registered in Uttar Pradesh) for repairs executed in 3 units – Bangalore, Kolkata, Gurgaon (Note: Gurgaon location is not registered as it is engaged in making only exempt supplies)

Notification no 49/2019-central tax on 9th October, 2019 Regarding input Tax.

Notification no 49/2019-central tax on 9th October, 2019 has come restricting the input tax credit to 120% of the eligible input tax credit on the basis of invoices actually uploaded by supplier under section 37(1).

Implementation Mechanism.

GSTR-2A has following components:

A. ITC of invoices that are available with the assesses.

- B. ITC of invoices that are not available with the recipient as they do not pertain to him i.e Invoice uploaded by supplier under Wrong GSTIN.
- C. ITC of invoices that are not available with the recipient but pertain to Eg. Airline invoices, bank charges (as they are received later).
- D. ITC pertaining to block credit as per Section 17(5).
- E. ITC attracting a reverse charge.

**Assumed the filing status is filed. Not filed status has to be excluded.*

ITC that can be availed shall be 120%* **A**, subject to satisfaction of eligibility criteria stipulated below:

Q1. What are the conditions to be fulfilled for entitlement of input tax credit?**Answer:**

A registered person will be entitled to claim input tax credit only upon fulfillment of the following conditions:

He is in possession of tax invoice/ debit note issued by a registered supplier or any other tax paying documents;

He has received the goods and /or services or both;

The tax charged on such supply is paid to the Government (by way of cash or by utilizing input tax credit)

He has furnished a valid return.

Q2. Whether Input tax credit on Inputs and Capital Goods is allowed in one installment?**Answer:**

Yes. Input tax credit will be available in full with respect to inputs and capital goods, subject to fulfillment of the prescribed conditions under Section 16(2) of the CGST Act. Even in the case of supply of goods in lots/ installments, the credit would be available in full on the receipt of the last lot/ installment.

Q3. One of the conditions to claim credit is that the receiver has received the goods. Is there any provision for deemed receipt of goods in case of transfer of document of title before or during the movement of goods?

Answer:

Yes. Explanation to Section 16(2)(b) of the CGST Act provides for deemed receipt of goods where the goods are delivered by the supplier to the recipient or any other person on the direction of the recipient, whether acting as agent or otherwise, before or during movement of goods.

Q4. If certain goods/ services are used partly for business and partly for non-business purposes, will the credits be allowed in full or proportionately?

Answer:

The credit on goods/ services used partly for business and partly for non-business purposes will be allowed proportionately to the extent it is attributable for business purposes.

Q5. Credit attributable to exempt supplies is not available to a registered person. What are the supplies that are included in exempt supplies?

Answer:

'Exempt Supplies' for these purposes means all supplies other than taxable and zero-rated supplies and specifically include the following:

- ❖ Supplies liable to tax under reverse charge mechanism;
- ❖ Transactions in securities;
- ❖ Sale of land;
- ❖ Sale of building.

Q6. Whether input tax credit will be available on taxable goods which are given by way of gift or free samples under the sales promotion?

Answer:

No. Section 17(5)(h) specifically restricts input tax credit on goods disposed of by way of gift or free samples.

**Q7. Whether input tax credit is allowed on inputs which become waste and is sold as scrap?****Answer:**

Section 17(5)(h) specifically restricts input tax credit on goods lost, stolen, destroyed, written off or disposed by way of gift or free samples. Therefore, if the goods have been destroyed in full, input tax credit will not be available.

However, if in the process of manufacture some inputs become waste and are sold as scrap, credit shall not be denied. Further, output tax shall be payable on sale of such waste/scrap.

Q8. Whether Input tax credit is available in respect of input tax paid on use of mobile phones/ laptops given to employees?**Answer:**

Yes. The mobile phones/ laptops would be covered under the definition of 'inputs' as they are used in the course/ furtherance of business and hence, the input tax paid on such goods will be available as input tax credit.

Q9. Whether benefit of input tax credit would be available if the company procures health insurance services for benefit of its employees. Procurement of such services is mandatory under Factories Act**Answer:**

Yes. Section 17(5) (b)(iii)(A) provides that tax paid w.r.t rent a cab services, life/health insurance services will be eligible as input tax credit where the Government notifies that such services are obligatory for an employer to provide to its employees under any law for the time being in force.

Q10. Whether input tax credit can be availed on input services and capital goods (lying in stock) when there is application for new registration or during voluntary registration under section 18?

Answer:

No. In case of new registrations and voluntary registrations, input tax credit can be availed only on the stock held (inputs, semi-finished goods or finished goods) preceding the day when he is liable to pay tax or preceding to the date of grant of voluntary registration. Input service and capital goods lying in stock are not eligible for ITC.

Q11. In case of change of scheme from composition scheme to Regular scheme whether input tax credit on capital goods is eligible.

Answer:

Yes. In such a scenario, the registered person will be entitled to claim input tax credit on the stock held (inputs, semi-finished goods or finished goods) and on the capital goods preceding the day when he is liable to pay tax under the regular scheme. The credit of capital goods shall stand reduced by five percentage points for every quarter.

Q12. Whether the principal is entitled to take input tax credit even when the principal has not received the goods and directly sent to job worker by the vendor?

Answer:

Yes. Section 19(2) and Section 19 (5) allows the principal to take input tax credit of goods not received by him, if the goods are sent directly to the job workers premises by the vendor.

Q13. Whether CGST can be distributed as SGST and whether SGST can be distributed as CGST within the states and between the states?

Answer:

No. Section 20(1) does not permit distribution of CGST as SGST and vice versa. This flows from the fundamentals of the GST law wherein the credit of CGST cannot be utilized against SGST and *vice versa*.

Q14. What are the documents to be issued by an ISD?

Answer:

An ISD is required to issue an ISD invoice indicating that the invoice is issued only for distribution and an ISD credit note for reduction of credit (if already distributed).

Q15. How will transfer of credit on account of demerger be apportioned?

Answer:

In case of demerger, the credit will be apportioned in the ratio of the value of assets of the new units as specified in the demerger scheme.

Q16. How to determine the reversals of credit in case of such special circumstances if the invoices are not available?

Answer:

If the invoices relating to inputs in stock are not available, the prevailing market price of goods on the effective date of occurrence of the events i.e. change of the scheme from Composition to Regular scheme, supplies becoming taxable which were earlier exempt and cancellation of registration, should be considered for estimation.

Q17. For the purpose of determining exempt supply under Section 17(2) and Section 17(3), how should the value of land and building be determined?

Answer:

The value of land and building adopted for the purpose of paying stamp duty should be considered.

Q18. For the purpose of determining exempt supply under Section 17(2) and Section 17(3), how should the value of security be determined?

**Answer:**

The value of security should be considered as 1% of such security.

Net GST payable	Nil	5,000	Nil

Note: ITC of IGST has been used to pay IGST, CGST and SGST in that order.

INPUT TAX CREDIT

Eligibility and conditions for taking input tax credit.

- 16.(1) Every registered person shall, subject to such conditions and restrictions as may be prescribed and in the manner specified in section 49, be entitled to take credit of input tax charged on any supply of goods or services or both to him which are used or intended to be used in the course or furtherance of his business and the said amount shall be credited to the electronic credit ledger of such person.
- (2) Notwithstanding anything contained in this section, no registered person shall be entitled to the credit of any input tax in respect of any supply of goods or services or both to him unless, –
- (a) he is in possession of a tax invoice or debit note issued by a supplier registered under this Act, or such other tax paying documents as may be prescribed;
 - (b) he has received the goods or services or both.
Explanation. —For the purposes of this clause, it shall be deemed that the registered person has received the goods where the goods are delivered by the supplier to a recipient or any other person on the direction of such registered person, whether acting as an agent or otherwise, before or during movement of goods, either by way of transfer of documents of title to goods or otherwise;
 - (c) subject to the provisions of section 41, the tax charged in respect of such supply has been actually paid to the Government, either in cash or through utilisation of input tax credit admissible in respect of the said supply; and

(d) he has furnished the return under section 39: Provided that where the goods against an invoice are received in lots or installments, the registered person shall be entitled to take credit upon receipt of the last lot or installment:

Provided further that where a recipient fails to pay to the supplier of goods or services or both, other than the supplies on which tax is payable on reverse charge basis, the amount towards the value of supply along with tax payable thereon within a period of one hundred and eighty days from the date of issue of invoice by the supplier, an amount equal to the input tax credit availed by the recipient shall be added to his output tax liability, along with interest thereon, in such manner as may be prescribed:

Provided also that the recipient shall be entitled to avail of the credit of input tax on payment made by him of the amount towards the value of supply of goods or services or both along with tax payable thereon.

- (3) Where the registered person has claimed depreciation on the tax component of the cost of capital goods and plant and machinery under the provisions of the Income-tax Act, 1961, the input tax credit on the said tax component shall not be allowed.
- (4) A registered person shall not be entitled to take input tax credit in respect of any invoice or debit note for supply of goods or services or both after the due date of furnishing of the return under section 39 for the month of September following the end of financial year to which such invoice or invoice relating to such debit note pertains or furnishing of the relevant annual return, whichever is earlier.

Apportionment of credit and blocked credits:

- 17.(1) Where the goods or services or both are used by the registered person partly for the purpose of any business and partly for other purposes, the amount of credit shall be restricted to so much of the input tax as is attributable to the purposes of his business.
- (2) Where the goods or services or both are used by the registered person partly for effecting taxable supplies including zero-rated supplies under this Act or under the Integrated Goods and Services Tax Act and partly for effecting exempt supplies under the said Acts, the amount of credit shall be restricted to so much of the input tax as is attributable to the said taxable supplies including zero-rated supplies.
- (3) The value of exempt supply under sub-section (2) shall be such as may be prescribed, and shall include supplies on which the recipient is liable to pay tax on reverse charge basis, transactions in securities, sale of land and, subject to clause (b) of paragraph 5 of Schedule II, sale of building.
- (4) A banking company or a financial institution including a non-banking financial company, engaged in supplying services by way of accepting deposits, extending loans or advances shall have the option to either comply with the provisions of sub-section (2), or avail of, every month, an amount equal to fifty per cent. of the eligible input tax credit on inputs, capital goods and input services in that month and the rest shall lapse:
- Provided that the option once exercised shall not be withdrawn during the remaining part of the financial year:
- Provided further that the restriction of fifty per cent. shall not apply to the tax paid on supplies made by one registered person to another registered person having the same Permanent Account Number.

(5) Notwithstanding anything contained in sub-section

(1) of section 16 and subsection (1) of section 18, input tax credit shall not be available in respect of the following, namely:—

(a) motor vehicles and other conveyances except when they are used—

(i) for making the following taxable supplies, namely:—

(A) further supply of such vehicles or conveyances; or

(B) transportation of passengers; or

(C) imparting training on driving, flying, navigating such vehicles or conveyances;

(ii) for transportation of goods;

(b) the following supply of goods or services or both—

(i) food and beverages, outdoor catering, beauty treatment, health services, cosmetic and plastic surgery except where an inward supply of goods or services or both of a particular category is used by a registered person for making an outward taxable supply of the same category of goods or services or both or as an element of a taxable composite or mixed supply;

(ii) membership of a club, health and fitness centre;

(iii) rent-a-cab, life insurance and health insurance except where—

(A) the Government notifies the services which are obligatory for an employer to provide to its employees under any law for the time being in force; or

(B) such inward supply of goods or services or both of a particular category is used by a registered person for making an outward taxable supply of the same category of goods or services or both or as part of a

- taxable composite or mixed supply; and
- (iv) travel benefits extended to employees on vacation such as leave or home travel concession;
 - (c) works contract services when supplied for construction of an immovable property (other than plant and machinery) except where it is an input service for further supply of works contract service;
 - (d) goods or services or both received by a taxable person for construction of an immovable property (other than plant or machinery) on his own account including when such goods or services or both are used in the course or furtherance of business.

Explanation.— For the purposes of clauses (c) and (d), the expression “construction” includes re-construction, renovation, additions or alterations or repairs, to the extent of capitalisation, to the said immovable property;

- (e) goods or services or both on which tax has been paid under section 10;
- (f) goods or services or both received by a non-resident taxable person except on goods imported by him;
- (fa) goods or services or both received by a taxable person, which are used or intended to be used for activities relating to his obligations under corporate social responsibility referred to in section 135 of the Companies Act, 2013 (18 of 2013).
- (g) goods or services or both used for personal consumption;
- (h) goods lost, stolen, destroyed, written off or disposed of by way of gift or free samples; and
- (i) any tax paid in accordance with the provisions of sections 74, 129 and 130.

- (4) The Government may prescribe the manner in which the credit referred to in sub-sections (1) and (2) may be attributed. Explanation.--For the purposes of this Chapter and Chapter VI, the expression "plant and machinery" means apparatus, equipment, and machinery fixed to earth by foundation or structural support that are used for making outward supply of goods or services or both and includes such foundation and structural supports but excludes—
- (i) land, building or any other civil structures;
 - (ii) telecommunication towers; and
 - (iii) pipelines laid outside the factory premises.

Availability of credit in special circumstances.

- 18.(1) Subject to such conditions and restrictions as may be prescribed—
- (a) a person who has applied for registration under this Act within thirty days from the date on which he becomes liable to registration and has been granted such registration shall be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock on the day immediately preceding the date from which he becomes liable to pay tax under the provisions of this Act;
 - (b) a person who takes registration under sub-section (3) of section 25 shall be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock on the day immediately preceding the date of grant of registration;
 - (c) where any registered person ceases to pay tax under section 10, he shall be entitled to take credit of input tax in respect of inputs held in stock, inputs contained in semi-finished or finished goods held in stock and on

capital goods on the day immediately preceding the date from which he becomes liable to pay tax under section 9:

Provided that the credit on capital goods shall be reduced by such percentage points as may be prescribed;

- (d) where an exempt supply of goods or services or both by a registered person becomes a taxable supply, such person shall be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock relatable to such exempt supply and on capital goods exclusively used for such exempt supply on the day immediately preceding the date from which such supply becomes taxable:

Provided that the credit on capital goods shall be reduced by such percentage points as may be prescribed.

- (2) A registered person shall not be entitled to take input tax credit under sub-section (1) in respect of any supply of goods or services or both to him after the expiry of one year from the date of issue of tax invoice relating to such supply.
- (3) Where there is a change in the constitution of a registered person on account of sale, merger, demerger, amalgamation, lease or transfer of the business with the specific provisions for transfer of liabilities, the said registered person shall be allowed to transfer the input tax credit which remains unutilized in his electronic credit ledger to such sold, merged, demerged, amalgamated, leased or transferred business in such manner as may be prescribed.
- (4) Where any registered person who has availed of input tax credit opts to pay tax under section 10 or, where the goods or services or both supplied by him become wholly exempt, he shall pay an amount, by way of

debit in the electronic credit ledger or electronic cash ledger, equivalent to the credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock and on capital goods, reduced by such percentage points as may be prescribed, on the day immediately preceding the date of exercising of such option or, as the case may be, the date of such exemption:

Provided that after payment of such amount, the balance of input tax credit, if any, lying in his electronic credit ledger shall lapse.

- (5) The amount of credit under sub-section (1) and the amount payable under sub-section (4) shall be calculated in such manner as may be prescribed.
- (6) In case of supply of capital goods or plant and machinery, on which input tax credit has been taken, the registered person shall pay an amount equal to the input tax credit taken on the said capital goods or plant and machinery reduced by such percentage points as may be prescribed or the tax on the transaction value of such capital goods or plant and machinery determined under section 15, whichever is higher:

Provided that where refractory bricks, moulds and dies, jigs and fixtures are supplied as scrap, the taxable person may pay tax on the transaction value of such goods determined under section 15.

Taking input tax credit in respect of inputs and capital goods sent for job work.

- 19.(1) The principal shall, subject to such conditions and restrictions as may be prescribed, be allowed input tax credit on inputs sent to a job worker for job work.
 - (1) Notwithstanding anything contained in clause (b) of sub-section (2) of section 16, the principal shall be entitled to take credit of input tax on inputs even if the inputs are directly sent to a job worker for job work

- without being first brought to his place of business.
- (2) Where the inputs sent for job work are not received back by the principal after completion of job work or otherwise or are not supplied from the place of business of the job worker in accordance with clause
- (a) or clause (b) of sub-section (1) of section 143 within one year of being sent out, it shall be deemed that such inputs had been supplied by the principal to the job worker on the day when the said inputs were sent out:
- Provided that where the inputs are sent directly to a job worker, the period of one year shall be counted from the date of receipt of inputs by the job worker.
- (3) The principal shall, subject to such conditions and restrictions as may be prescribed, be allowed input tax credit on capital goods sent to a job worker for job work.
- (4) Notwithstanding anything contained in clause (b) of sub-section (2) of section 16, the principal shall be entitled to take credit of input tax on capital goods even if the capital goods are directly sent to a job worker for job work without being first brought to his place of business.
- (5) Where the capital goods sent for job work are not received back by the principal within a period of three years of being sent out, it shall be deemed that such capital goods had been supplied by the principal to the job worker on the day when the said capital goods were sent out:
- Provided that where the capital goods are sent directly to a job worker, the period of three years shall be counted from the date of receipt of capital goods by the job worker.
- (6) Nothing contained in sub-section (3) or sub-section (6) shall apply to moulds and dies, jigs and fixtures, or tools sent out to a job worker for job work.

Explanation.—For the purpose of this section, “principal” means the person referred to in section 143.

Manner of distribution of credit by Input Service Distributor.

20.(1) The Input Service Distributor shall distribute the credit of central tax as central tax or integrated tax and integrated tax as integrated tax or central tax, by way of issue of a document containing the amount of input tax credit being distributed in such manner as may be prescribed.

(1) The Input Service Distributor may distribute the credit subject to the following conditions, namely:—

(a) the credit can be distributed to the recipients of credit against a document containing such details as may be prescribed;

(b) the amount of the credit distributed shall not exceed the amount of credit available for distribution;

(c) the credit of tax paid on input services attributable to a recipient of credit shall be distributed only to that recipient;

(d) the credit of tax paid on input services attributable to more than one recipient of credit shall be distributed amongst such recipients to whom the input service is attributable and such distribution shall be pro rata on the basis of the turnover in a State or turnover in a Union territory of such recipient, during the relevant period, to the aggregate of the turnover of all such recipients to whom such input service is attributable and which are operational in the current year, during the said relevant period;

(e) the credit of tax paid on input services attributable to all recipients of credit shall be distributed amongst such recipients and such distribution shall be pro rata on the basis of the turnover in a State or turnover in a Union territory of such recipient, during the relevant period,

to the aggregate of the turnover of all recipients and which are operational in the current year, during the said relevant period.

Explanation.—For the purposes of this section,—

(a) the “relevant period” shall be—

(i) if the recipients of credit have turnover in their States or Union territories in the financial year preceding the year during which credit is to be distributed, the said financial year; or

(ii) if some or all recipients of the credit do not have any turnover in their States or Union territories in the financial year preceding the year during which the credit is to be distributed, the last quarter for which details of such turnover of all the recipients are available, previous to the month during which credit is to be distributed;

(b) the expression “recipient of credit” means the supplier of goods or services or both having the same Permanent Account Number as that of the Input Service Distributor;

(c) the term “turnover”, in relation to any registered person engaged in the supply of taxable goods as well as goods not taxable under this Act, means the value of turnover, reduced by the amount of any duty or tax levied under entry 84 of List I of the Seventh Schedule to the Constitution and entries 51 and 54 of List II of the said Schedule.

Manner of recovery of credit distributed in excess.

21. Where the Input Service Distributor distributes the credit in contravention of the provisions contained in section 20 resulting in excess distribution of credit to one or more recipients of credit, the excess credit so distributed shall be recovered from such recipients along with interest, and the provisions of section 73 or section 74, as the case may be, shall, mutatis mutandis, apply for determination of amount to be recovered.

REFUNDS

Refund of tax:

- 54.(1) Any person claiming refund of any tax and interest, if any, paid on such tax or any other amount paid by him, may make an application before the expiry of two years from the relevant date in such form and manner as may be prescribed: Provided that a registered person, claiming refund of any balance in the electronic cash ledger in accordance with the provisions of sub-section (6) of section 49, may claim such refund in the return furnished under section 39 in such manner as may be prescribed.
- (2) A specialized agency of the United Nations Organization or any Multilateral Financial Institution and Organization notified under the United Nations (Privileges and Immunities) Act, 1947, Consulate or Embassy of foreign countries or any other person or class of persons, as notified under section 55, entitled to a refund of tax paid by it on inward supplies of goods or services or both, may make an application for such refund, in such form and manner as may be prescribed, before the expiry of six months from the last day of the quarter in which such supply was received.
- (3) Subject to the provisions of sub-section (10), a registered person may claim refund of any unutilized input tax credit at the end of any tax period:
- Provided that no refund of unutilised input tax credit shall be allowed in cases other than--
- (i) zero rated supplies made without payment of tax;
 - (ii) where the credit has accumulated on account of rate of tax on inputs being higher than the rate of tax on output supplies (other than nil rated or fully exempt supplies), except supplies of goods or services or both as may be notified by the Government on the recommendations of the Council:

Provided further that no refund of unutilised input tax credit shall be allowed in cases where the goods exported out of India are subjected to export duty:

Provided also that no refund of input tax credit shall be allowed, if the supplier of goods or services or both avails of drawback in respect of central tax or claims refund of the integrated tax paid on such supplies.

(4) The application shall be accompanied by—

- (a) such documentary evidence as may be prescribed to establish that a refund is due to the applicant; and
- (b) such documentary or other evidence (including the documents referred to in section 33) as the applicant may furnish to establish that the amount of tax and interest, if any, paid on such tax or any other amount paid in relation to which such refund is claimed was collected from, or paid by, him and the incidence of such tax and interest had not been passed on to any other person:

Provided that where the amount claimed as refund is less than two lakh rupees, it shall not be necessary for the applicant to furnish any documentary and other evidences but he may file a declaration, based on the documentary or other evidences available with him, certifying that the incidence of such tax and interest had not been passed on to any other person.

- (5) If, on receipt of any such application, the proper officer is satisfied that the whole or part of the amount claimed as refund is refundable, he may make an order accordingly and the amount so determined shall be credited to the Fund referred to in section 57.
- (6) Notwithstanding anything contained in sub-section (5), the proper officer may, in the case of any claim for refund on account of zero-rated supply of goods or services or both made by registered persons, other than such category of registered persons as may be notified by the Government

on the recommendations of the Council, refund on a provisional basis, ninety per cent. of the total amount so claimed, excluding the amount of input tax credit provisionally accepted, in such manner and subject to such conditions, limitations and safeguards as may be prescribed and thereafter make an order under sub- section (5) for final settlement of the refund claim after due verification of documents furnished by the applicant.

- (7) The proper officer shall issue the order under sub- section (5) within sixty days from the date of receipt of application complete in all respects.
- (8) Notwithstanding anything contained in sub-section (5), the refundable amount shall, instead of being credited to the Fund, be paid to the applicant, if such amount is relatable to—
- (a) refund of tax paid on zero-rated supplies of goods or services or both or on inputs or input services used in making such zero-rated supplies;
 - (b) refund of unutilized input tax credit under sub- section (3);
 - (c) refund of tax paid on a supply which is not provided, either wholly or partially, and for which invoice has not been issued, or where a refund voucher has been issued;
 - (d) refund of tax in pursuance of section 77;
 - (e) the tax and interest, if any, or any other amount paid by the applicant, if he had not passed on the incidence of such tax and interest to any other person; or
 - (f) the tax or interest borne by such other class of applicants as the Government may, on the recommendations of the Council, by notification, specify.
- (9) Notwithstanding anything to the contrary contained in any judgment, decree, order or direction of the Appellate Tribunal or any court or in any other provisions of this Act

- or the rules made there under or in any other law for the time being in force, no refund shall be made except in accordance with the provisions of sub-section (8).
- (10) Where any refund is due under sub-section (3) to a registered person who has defaulted in furnishing any return or who is required to pay any tax, interest or penalty, which has not been stayed by any court, Tribunal or Appellate Authority by the specified date, the proper officer may—
- (a) withhold payment of refund due until the said person has furnished the return or paid the tax, interest or penalty, as the case may be;
 - (b) deduct from the refund due, any tax, interest, penalty, fee or any other amount which the taxable person is liable to pay but which remains unpaid under this Act or under the existing law. Explanation.—For the purposes of this sub-section, the expression “specified date” shall mean the last date for filing an appeal under this Act.
- (11) Where an order giving rise to a refund is the subject matter of an appeal or further proceedings or where any other proceedings under this Act is pending and the Commissioner is of the opinion that grant of such refund is likely to adversely affect the revenue in the said appeal or other proceedings on account of malfeasance or fraud committed, he may, after giving the taxable person an opportunity of being heard, withhold the refund till such time as he may determine.
- (12) Where a refund is withheld under sub-section (11), the taxable person shall, notwithstanding anything contained in section 56, be entitled to interest at such rate not exceeding six per cent. as may be notified on the recommendations of the Council, if as a result of the appeal or further proceedings he becomes entitled to refund.
- (13) Notwithstanding anything to the contrary contained in this section, the amount of advance tax deposited by a casual

taxable person or a non-resident taxable person under sub-section (2) of section 27, shall not be refunded unless such person has, in respect of the entire period for which the certificate of registration granted to him had remained in force, furnished all the returns required under section 39.

(14) Notwithstanding anything contained in this section, no refund under sub-section (5) or sub-section (6) shall be paid to an applicant, if the amount is less than one thousand rupees.

Explanation.—For the purposes of this section,—

(1) “refund” includes refund of tax paid on zero-rated supplies of goods or services or both or on inputs or input services used in making such zero-rated supplies, or refund of tax on the supply of goods regarded as deemed exports, or refund of unutilised input tax credit as provided under sub-section (3).

(2) “relevant date” means— (a) in the case of goods exported out of India where a refund of tax paid is available in respect of goods themselves or, as the case may be, the inputs or input services used in such goods,—

(i) if the goods are exported by sea or air, the date on which the ship or the aircraft in which such goods are loaded, leaves India; or

(ii) if the goods are exported by land, the date on which such goods pass the frontier; or

(iii) if the goods are exported by post, the date of despatch of goods by the Post Office concerned to a place outside India;

(b) in the case of supply of goods regarded as deemed exports where a refund of tax paid is available in respect of the goods, the date on which the return relating to such deemed exports is furnished;

(c) in the case of services exported out of India where a refund of tax paid is available in respect of services themselves or,

as the case may be, the inputs or input services used in such services, the date of--

- (i) receipt of payment in convertible foreign exchange, where the supply of services had been completed prior to the receipt of such payment; or
- (ii) issue of invoice, where payment for the services had been received in advance prior to the date of issue of the invoice;
- (d) in case where the tax becomes refundable as a consequence of judgment, decree, order or direction of the Appellate Authority, Appellate Tribunal or any court, the date of communication of such judgment, decree, order or direction;
- (e) in the case of refund of unutilised input tax credit under sub-section (3), the end of the financial year in which such claim for refund arises;
- (f) in the case where tax is paid provisionally under this Act or the rules made there under, the date of adjustment of tax after the final assessment thereof;
- (g) in the case of a person, other than the supplier, the date of receipt of goods or services or both by such person; and
- (h) in any other case, the date of payment of tax.

Refund in certain cases.

55. The Government may, on the recommendations of the Council, by notification, specify any specialised agency of the United Nations Organisation or any Multilateral Financial Institution and Organisation notified under the United Nations (Privileges and Immunities) Act, 1947, Consulate or Embassy of foreign countries and any other person or class of persons as may be specified in this behalf, who shall, subject to such conditions and restrictions as may be prescribed, be entitled to claim a refund of taxes paid on the notified supplies of goods or services or both received by them.

Interest on delayed refunds.

56. If any tax ordered to be refunded under sub-section (5) of section 54 to any applicant is not refunded within sixty days from the date of receipt of application under subsection (1) of that section, interest at such rate not exceeding six per cent. as may be specified in the notification issued by the Government on the recommendations of the Council shall be payable in respect of such refund from the date immediately after the expiry of sixty days from the date of receipt of application under the said sub-section till the date of refund of such tax:

Provided that where any claim of refund arises from an order passed by an adjudicating authority or Appellate Authority or Appellate Tribunal or court which has attained finality and the same is not refunded within sixty days from the date of receipt of application filed consequent to such order, interest at such rate not exceeding nine per cent. as may be notified by the Government on the recommendations of the Council shall be payable in respect of such refund from the date immediately after the expiry of sixty days from the date of receipt of application till the date of refund.

Explanation.— For the purposes of this section, where any order of refund is made by an Appellate Authority, Appellate Tribunal or any court against an order of the proper officer under sub-section (5) of section 54, the order passed by the Appellate Authority, Appellate Tribunal or by the court shall be deemed to be an order passed under the said sub-section (5).

57. The Government shall constitute a Fund, to be called the Consumer Welfare Fund and there shall be credited to the Fund,—

- (a) the amount referred to in sub-section (5) of section 54;
- (b) any income from investment of the amount credited to the Fund; and

(c) such other monies received by it, in such manner as may be prescribed.

58.(1) All sums credited to the Fund shall be utilised by the Government for the welfare of the consumers in such manner as may be prescribed.

(1)The Government or the authority specified by it shall maintain proper and separate account and other relevant records in relation to the Fund and prepare an annual statement of accounts in such form as may be prescribed in consultation with the Comptroller and Auditor-General of India.

- (e) a statement containing the number and date of invoices, the evidence regarding the endorsement specified in the second proviso to sub-rule (1) and the details of payment, along with the proof thereof, made by the recipient to the supplier for authorised operations as defined under the Special Economic Zone Act, 2005, in a case where the refund is on account of supply of services made to a Special Economic Zone unit or a Special Economic Zone developer;
- (f) a declaration to the effect that the Special Economic Zone unit or the Special Economic Zone developer has not availed the input tax credit of the tax paid by the supplier of goods or services or both, in a case where the refund is on account of supply of goods or services made to a Special Economic Zone unit or a Special Economic Zone developer;
- (g) a statement containing the number and date of invoices along with such other evidence as may be notified in this behalf, in a case where the refund is on account of deemed exports;
- (h) a statement containing the number and the date of the invoices received and issued during a tax period in a case where the claim pertains to refund of any unutilised input tax credit under sub-section (3) of section 54 where the credit has accumulated on account of the rate of tax on the inputs being higher than the rate of tax on output supplies, other than nil- rated or fully exempt supplies;
- (i) the reference number of the final assessment order and a copy of the said order in a case where the refund arises on account of the finalisation of provisional assessment;

- (j) a statement showing the details of transactions considered as intra-State supply but which is subsequently held to be inter-State supply;
- (k) a statement showing the details of the amount of claim on account of excess payment of tax;
- (l) a declaration to the effect that the incidence of tax, interest or any other amount claimed as refund has not been passed on to any other person, in a case where the amount of refund claimed does not exceed two lakh rupees:

Provided that a declaration is not required to be furnished in respect of the cases covered under clause (a) or clause (b) or clause (c) or clause (d) or clause (f) of sub-section (8) of section 54;

- (m) a Certificate in Annexure 2 of FORM GST RFD-01 issued by a chartered accountant or a cost accountant to the effect that the incidence of tax, interest or any other amount claimed as refund has not been passed on to any other person, in a case where the amount of refund claimed exceeds two lakh rupees:

Provided that a certificate is not required to be furnished in respect of cases covered under clause (a) or clause (b) or clause (c) or clause (d) or clause (f) of sub-section (8) of section 54;

- (f) of subsection (8) of section 54; Explanation.- For the purposes of this rule-
 - (i) in case of refunds referred to in clause (c) of sub-section (8) of section 54, the expression "invoice" means invoice conforming to the provisions contained in section 31;
 - (ii) where the amount of tax has been recovered from the recipient, it shall be deemed that the incidence of tax has been passed on to the ultimate consumer.
- (1) Where the application relates to refund of input tax credit, the electronic credit ledger shall be debited by the applicant by an amount equal to the refund so claimed.

(2) In the case of zero-rated supply of goods or services or both without payment of tax under bond or letter of undertaking in accordance with the provisions of sub-section (3) of section 16 of the Integrated Goods and Services Tax Act, 2017 (13 of 2017), refund of input tax credit shall be granted as per the following formula –

Refund Amount = (Turnover of zero-rated supply of goods + Turnover of zero-rated supply of services) x Net ITC ÷ Adjusted Total Turnover Where, -

- (A) "Refund amount" means the maximum refund that is admissible;
- (B) "Net ITC" means input tax credit availed on inputs and input services during the relevant period other than the input tax credit availed for which refund is claimed under sub-rules (4A) or (4B) or both;
- (C) "Turnover of zero-rated supply of goods" means the value of zero-rated supply of goods made during the relevant period without payment of tax under bond or letter of undertaking, other than the turnover of supplies in respect of which refund is claimed under sub-rules (4A) or (4B) or both;
- (D) "Turnover of zero-rated supply of services" means the value of zero-rated supply of services made without payment of tax under bond or letter of undertaking, calculated in the following manner, namely:-

Zero-rated supply of services is the aggregate of the payments received during the relevant period for zero-rated supply of services and zero-rated supply of services where supply has been completed for which payment had been received in advance in any period prior to the relevant period reduced by advances received for zero-rated supply of services for which the supply of services has not been completed during the relevant period;

- (E) "Adjusted Total Turnover" means the sum total of the value of-
- (a) the turnover in a State or a Union territory, as defined under clause (112) of section 2, excluding the turnover of services; and
 - (b) the turnover of zero-rated supply of services determined in terms of clause (D) above and non-zero-rated supply of services, excluding-
 - (i) the value of exempt supplies other than zero-rated supplies; and
 - (ii) the turnover of supplies in respect of which refund is claimed under sub-rule (4A) or sub-rule (4B) or both, if any, during the relevant period.'
- (F) "Relevant period" means the period for which the claim has been filed.
- (4A) In the case of supplies received on which the supplier has availed the benefit of the Government of India, Ministry of Finance, notification No. 48/2017-Central Tax dated the 18th October, 2017 published in the Gazette of India, Extraordinary, Part II, Section 3, Subsection (i), vide number G.S.R 1305 (E) dated the 18th October, 2017, refund of input tax credit, availed in respect of other inputs or input services used in making zero-rated supply of goods or services or both, shall be granted.
- (4B) Where the person claiming refund of unutilized input tax credit on account of zero-rated supplies without payment of tax has -
- (a) received supplies on which the supplier has availed the benefit of the Government of India, Ministry of Finance, notification No. 40/2017-Central Tax (Rate), dated the 23rd October, 2017, published in the Gazette of India, Extraordinary, Part II, Section 3, Subsection (i), vide number G.S.R 1320 (E), dated the 23rd October, 2017

- or notification No. 41/2017-Integrated Tax (Rate), dated the 23rd October, 2017, published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (i), vide number G.S.R 1321(E), dated the 23rd October, 2017; or
- (b) availed the benefit of notification No. 78/2017-Customs, dated the 13th October, 2017, published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (i), vide number G.S.R 1272(E), dated the 13th October, 2017 or notification No. 79/2017 Customs, dated the 13th October, 2017, published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (i), vide number G.S.R 1299(E), dated the 13th October, 2017, the refund of input tax credit, availed in respect of inputs received under the said notifications for export of goods and the input tax credit availed in respect of other inputs or input services to the extent used in making such export of goods, shall be granted.
- (3) In the case of refund on account of inverted duty structure, refund of input tax credit shall be granted as per the following formula:-
- Maximum Refund Amount = {(Turnover of inverted rated supply of goods and services) x Net ITC ÷ Adjusted Total Turnover} - tax payable on such inverted rated supply of goods and services.
- Explanation:- For the purposes of this sub-rule, the expressions-
- (a) "Net ITC" shall mean input tax credit availed on inputs during the relevant period other than the input tax credit availed for which refund is claimed under sub- rules (4A) or (4B) or both; and
- (b) "Adjusted Total turnover" shall have the same meaning as assigned to it in sub-rule (4).

90. Acknowledgement

- (1) Where the application relates to a claim for refund from the electronic cash ledger, an acknowledgement in FORM GST RFD-02 shall be made available to the applicant through the common portal electronically, clearly indicating the date of filing of the claim for refund and the time period specified in sub-section (7) of section 54 shall be counted from such date of filing.
- (2) The application for refund, other than claim for refund from electronic cash ledger, shall be forwarded to the proper officer who shall, within a period of fifteen days of filing of the said application, scrutinize the application for its completeness and where the application is found to be complete in terms of sub-rule (2), (3) and (4) of rule 89, an acknowledgement in FORM GST RFD-02 shall be made available to the applicant through the common portal electronically, clearly indicating the date of filing of the claim for refund and the time period specified in sub-section (7) of section 54 shall be counted from such date of filing.
- (3) Where any deficiencies are noticed, the proper officer shall communicate the deficiencies to the applicant in FORM GST RFD-03 through the common portal electronically, requiring him to file a fresh refund application after rectification of such deficiencies.
- (4) Where deficiencies have been communicated in FORM GST RFD-03 under the State Goods and Service Tax Rules, 2017, the same shall also be deemed to have been communicated under this rule along with the deficiencies communicated under sub-rule (3).

Grant of provisional refund.-

- (1) The provisional refund in accordance with the provisions of sub-section (6) of section 54 shall be granted subject to the

condition that the person claiming refund has, during any period of five years immediately preceding the tax period to which the claim for refund relates, not been prosecuted for any offence under the Act or under an existing law where the amount of tax evaded exceeds two hundred and fifty lakh rupees.

- (2) The proper officer, after scrutiny of the claim and the evidence submitted in support thereof and on being prima facie satisfied that the amount claimed as refund under sub-rule (1) is due to the applicant in accordance with the provisions of sub-section (6) of section 54, shall make an order in FORM GST RFD-04, sanctioning the amount of refund due to the said applicant on a provisional basis within a period not exceeding seven days from the date of the acknowledgement under sub-rule (1) or sub-rule (2) of rule 90.
- (3) The proper officer shall issue a payment advice in FORM GST RFD-05 for the amount sanctioned under sub-rule (2) and the same shall be electronically credited to any of the bank accounts of the applicant mentioned in his registration particulars and as specified in the application for refund.

91. Order sanctioning refund.-

- (1) Where, upon examination of the application, the proper officer is satisfied that a refund under sub-section (5) of section 54 is due and payable to the applicant, he shall make an order in FORM GST RFD-06 sanctioning the amount of refund to which the applicant is entitled, mentioning therein the amount, if any, refunded to him on a provisional basis under sub-section (6) of section 54, amount adjusted against any outstanding demand under the Act or under any existing law and the balance amount refundable:

Provided that in cases where the amount of refund is completely adjusted against any outstanding demand under the Act or under any existing law, an order giving

details of the adjustment shall be issued in Part A of FORM GST RFD-07.

- (2) Where the proper officer or the Commissioner is of the opinion that the amount of refund is liable to be withheld under the provisions of sub-section (10) or, as the case may be, sub-section (11) of section 54, he shall pass an order in Part B of FORM GST RFD-07 informing him the reasons for withholding of such refund.
- (3) Where the proper officer is satisfied, for reasons to be recorded in writing, that the whole or any part of the amount claimed as refund is not admissible or is not payable to the applicant, he shall issue a notice in FORM GST RFD- 08 to the applicant, requiring him to furnish a reply in FORM GST RFD-09 within a period of fifteen days of the receipt of such notice and after considering the reply, make an order in FORM GST RFD-06 sanctioning the amount of refund in whole or part, or rejecting the said refund claim and the said order shall be made available to the applicant electronically and the provisions of sub- rule (1) shall, mutatis mutandis, apply to the extent refund is allowed:

Provided that no application for refund shall be rejected without giving the applicant an opportunity of being heard.
- (4) Where the proper officer is satisfied that the amount refundable under sub-rule (1) or sub-rule (2) is payable to the applicant under sub-section
- (8) of section 54, he shall make an order in FORM GST RFD-06 and issue a payment advice in FORM GST RFD-05 for the amount of refund and the same shall be electronically credited to any of the bank accounts of the applicant mentioned in his registration particulars and as specified in the application for refund.
- (5) Where the proper officer is satisfied that the amount refundable under sub-rule (1) or sub-rule (2) is not payable to the applicant under sub-section (8) of section 54, he

shall make an order in FORM GST RFD-06 and issue an advice in FORM GST RFD- 05, for the amount of refund to be credited to the Consumer Welfare Fund.

92. Credit of the amount of rejected refund claim.-

- (1) Where any deficiencies have been communicated under sub-rule (3) of rule 90, the amount debited under sub-rule (3) of rule 89 shall be re-credited to the electronic credit ledger.
- (2) Where any amount claimed as refund is rejected under rule 92, either fully or partly, the amount debited, to the extent of rejection, shall be re- credited to the electronic credit ledger by an order made in FORM GST PMT-03.

Explanation.- For the purposes of this rule, a refund shall be deemed to be rejected, if the appeal is finally rejected or if the claimant gives an undertaking in writing to the proper officer that he shall not file an appeal.

93. Order sanctioning interest on delayed refunds.-

Where any interest is due and payable to the applicant under section 56, the proper officer shall make an order along with a payment advice in FORM GST RFD- 05, specifying therein the amount of refund which is delayed, the period of delay for which interest is payable and the amount of interest payable, and such amount of interest shall be electronically credited to any of the bank accounts of the applicant mentioned in his registration particulars and as specified in the application for refund.

Circular - 16/16/2017-GST Clarifications regarding applicability of GST and availability of ITC in respect of certain services.

Date – 15.11.2017

Applicability of GST on warehousing of agricultural produce such as tea, processed coffee beans or powder, pulses, jaggery, processed spices, processed dry fruits, processed cashew nuts etc.

As per the Exemption Notification No. 11/2017-CT(R) dated 28th June 2017-w.e.f 1.7.2017, GST rate on loading, unloading, packing, storage or warehousing of agricultural produce is NIL. Agricultural produce in the notification has been defined to mean “any produce out of cultivation of plants and rearing of all life forms of animals, except the rearing of horses, for food, fibre, fuel, raw material or other similar products, on which either no further processing is done, or such processing is done as is usually done by a cultivator or producer which does not alter its essential characteristics but makes it marketable for primary market”.

Tea used for making the beverage, such as black tea, green tea, white tea is a processed product made in tea factories after carrying out several processes, such as drying, rolling, shaping, refining, oxidation, packing etc. on green leaf and is the processed output of the same.

Thus, green tea leaves and not tea is the “agricultural produce” eligible for exemption available for loading, unloading, packing, storage or warehousing of agricultural produce. Same is the case with coffee obtained after processing of coffee beans. Similarly, processing of sugarcane into jaggery changes its essential characteristics. Thus, jaggery is also not an agricultural produce.

Pulses commonly known as dal are obtained after dehusking or splitting or both. The process of de-husking or splitting is usually not carried out by farmers or at farm level but by the pulse millers. Therefore pulses (dehusked or split) are also not agricultural produce. However whole pulse grains such as whole gram, rajma etc. are covered in the definition of agricultural produce.

In view of the above, it has been clarified that processed products such as tea (i.e. black tea, white tea etc.), processed coffee beans or powder, pulses (de-husked or split), jaggery, processed spices, processed dry fruits, processed cashew nuts

etc. fall outside the definition of agricultural produce given in Notification No. 11/2017- Central Tax (Rate) and 12/2017- Central Tax (Rate) dated 28th June 2017.

Applicability of GST on inter-state transfer of aircraft engines, parts and accessories for use by their own airlines Under Schedule I of the CGST Act, supply of goods or services or both between related persons or between distinct persons as specified in Section 25, when made in the course or furtherance of business, even if, without consideration, attracts GST.

It was clarified that credit of GST paid on aircraft engines, parts & accessories will be available for discharging GST on inter-state supply of such aircraft engines, parts & accessories by way of inter-state stock transfers between distinct persons as specified in section 25 of the CGST Act, notwithstanding that credit of input tax charged on consumption of such goods is not allowed for supply of service of transport of passengers by air in economy class at GST rate of 5%.

Circular No. 58/32/2018 dated 4th September 2018

Recovery of arrears of wrongly availed CENVAT credit under the existing law and inadmissible transitional credit

The Board vide Circular No. 42/16/2018-GST dated 13th April, 2018, has clarified that the recovery of arrears arising under the existing law shall be made as central tax liability to be paid through the utilization of the amount available in the electronic credit ledger or electronic cash ledger of the registered person, and the same shall be recorded in Part II of the Electronic Liability Register (FORM GST PMT-01).

Currently, the functionality to record this liability in the electronic liability register is not available on the common portal. Therefore, it is clarified that as an alternative method, taxpayers may reverse the wrongly availed CENVAT credit under the existing law and inadmissible transitional credit through Table 4(B)(2) of FORM GSTR-3B. The applicable interest and penalty shall apply on all such reversals which shall be paid through entry in column 9 of Table 6.1 of FORM GSTR-3B. It is requested that suitable trade notices may be issued to publicize the contents of this Circular.

**Circular No: 98/17/2019**

As per the Circular No: 98/17/2019 dated 23 April 2019, it has been clarified that- As per the provisions of Section 49 of the CGST Act, credit of integrated tax has to be utilised first for payment of integrated tax, then Central tax and then State tax, in that order mandatorily. This led to a situation, in certain cases, where a taxpayer has to discharge his tax liability on account of one type of tax (say State tax) through electronic cash ledger, while the input tax credit on account of other types of tax (say Central tax) remains unutilised in electronic credit ledger. The newly inserted rule 88A in the CGST Rules allows utilisation of input tax credit of integrated tax towards the payment of Central tax and State tax, or as the case may be, Union Territory tax, in any order subject to the condition that the entire input tax credit on account of integrated tax is completely exhausted first before the input tax credit on account of Central tax or State/Union Territory tax can be utilised. It is clarified that after the insertion of the said rule, the order of utilisation of input tax credit will be as per the order (of numerals) given below:

Input tax credit on account of	Output liability on account of Integrated tax	Output liability on account of Central tax	Output liability on account of State tax
Integrated tax	(I)	(II) - In proportion any order in any	
(III) Input tax credit on account of Integrated tax to be completely exhausted mandatorily			
Central tax	(V)	(IV)	Not permitted
State tax/ Union Territory tax	(VII)	Not permitted	(VI)

With the new rules in place, it is mandatory to utilise the entire IGST available in electronic credit ledger before utilising ITC on CGST or SGST. The order of setting off ITC of IGST can be done in any proportion and any order towards setting off the CGST or SGST output after utilising the same for IGST output.

Circular No. 58/32/2018

Recovery of arrears of wrongly availed CENVAT credit under the existing law and inadmissible transitional credit

The Board vide Circular No. 42/16/2018-GST dated 13th April, 2018, has clarified that the recovery of arrears arising under the existing law shall be made as central tax liability to be paid through the utilization of the amount available in the electronic credit ledger or

electronic cash ledger of the registered person, and the same shall be recorded in Part II of the Electronic Liability Register (FORM GST PMT-01).

Currently, the functionality to record this liability in the electronic liability register is not available on the common portal. Therefore, it is clarified that as an alternative method, taxpayers may reverse the wrongly availed CENVAT credit under the existing law and inadmissible transitional credit through Table 4(B)(2) of FORM GSTR-3B. The applicable interest and penalty shall apply on all such reversals which shall be paid through entry in column 9 of Table 6.1 of FORM GSTR-3B.

Circular No. 123/42/2019 dated 11th November 2019 Restriction in availment of input tax credit in terms of sub-rule (4) of rule 36 of CGST Rules, 2017

The conditions and eligibility for the ITC that may be availed by the recipient shall continue to be governed as per the provisions of Chapter V of the CGST Act and the rules made there under. This being a new provision, the restriction is not imposed through the common portal and it is the responsibility of the taxpayer that credit is availed in terms of the said rule

and therefore, the availment of restricted credit in terms of sub-rule (4) of rule 36 of CGST Rules shall be done on self-assessment basis by the tax payers. Various issues relating to implementation of the said sub-rule have been examined and the clarification on each of these points is as under: -

Sl. No	Issue	Clarification
1.	What are the invoices/ debit notes on which the restriction under rule 36(4) of the CGST Rules shall apply?	The restriction of availment of ITC is imposed only in respect of those invoices / debit notes, details of which are required to be uploaded by the suppliers under sub-section (1) of section 37 and which have not been uploaded. Therefore, taxpayers may avail full ITC in respect of IGST paid on import, documents issued under RCM, credit received from ISD etc. which are outside the ambit of sub-section (1) of section 37, provided that eligibility conditions for availment of ITC are met in respect of the same. The restriction of 36(4) will be applicable only on the invoices / debit notes on which credit is availed after 09.10.2019.
2.	Whether the said restriction is to be calculated supplier wise or on consolidated basis?	The restriction imposed is not supplier wise. The credit available under sub-rule (4) of rule 36 is linked to total eligible credit from all suppliers against all supplies whose details have been uploaded by the suppliers. Further, the calculation would be based on only those invoices which are otherwise eligible for ITC. Accordingly, those invoices on which ITC is not available under any of the provision (say under sub-section (5) of section 17) would not be considered for calculating 20 per cent. of the eligible credit available.

<p>3.</p>	<p>FORM GSTR-2A being a dynamic document, what would be the amount of input tax credit that is admissible to the taxpayers for a particular tax period in respect of invoices / debit notes whose details have not been uploaded by the suppliers?</p>	<p>The amount of input tax credit in respect of the invoices / debit notes whose details have not been uploaded by the suppliers shall not exceed 20% of the eligible input tax credit available to the recipient in respect of invoices or debit notes the details of which have been uploaded by the suppliers under sub-section (1) of section 37 as on the due date of filing of the returns in FORM GSTR-1 of the suppliers for the said tax period. The taxpayer may have to ascertain the same from his auto populated FORM GSTR 2A as available on the due date of filing of FORM GSTR-1 under sub-section (1) of section 37.</p>
<p>4.</p>	<p>How much ITC a registered tax payer can avail in his FORM GSTR-3B in a month in case the details of some of the invoices have not been uploaded by the suppliers under sub-section (1) of section 37.</p>	<p>Sub-rule (4) of rule 36 prescribes that the ITC to be availed by a registered person in respect of invoices or debit notes, the details of which have not been uploaded by the suppliers under sub-section (1) of section 37, shall not exceed 20 per cent. of the eligible credit available in respect of invoices or debit notes the details of which have been uploaded by the suppliers under sub-section (1) of section 37. The eligible ITC that can be availed is explained by way of illustrations, in a tabulated form, below.</p>

		In the illustrations, say a taxpayer "R" receives <u>100 invoices</u> (for inward supply of goods or services) involving ITC of ₹ <u>10 lakhs</u> , from various suppliers during the month of Oct, 2019 and has to claim ITC in his FORM GSTR-3B of October, to be filed by 20 th Nov, 2019.
--	--	---

	Details suppliers' invoices which recipient eligible take ITC	20% of eligible credit where invoices are uploaded	Eligible ITC to be taken in GSTR 3B to be filed by 20th Nov.
Case 1	Suppliers have furnished in FORM GSTR-1 80 invoices involving ITC of Rs. 6 lakhs as on the due date of furnishing of the details of outward supplies by the suppliers.	₹ 1,20,000/-	₹ 6,00,000 (i.e. amount of eligible ITC available, as Per details Uploaded by the suppliers)+ ₹1,20,000 (i.e. 20% of amount of eligible ITC available, as per details uploaded by the suppliers) = ₹ 7,20,000
Case 2	Suppliers have furnished in FORM GSTR-1 80 invoices involving ITC of ₹ 7 lakhs as on the due date of furnishing of the details of outward supplies by the suppliers.	₹1,40,000/-	₹ 7,00,000 + ₹ 1,40,000 = ₹ 8,40,000

Case 2	Suppliers have furnished in FORM GSTR-1 75 invoices having ITC of ₹ 8.5 lakhs as on the due date of furnishing of the details of outward supplies by the suppliers.	₹ 1,70,000/-	₹ 8,50,000+ ₹1,50,000/-* = ₹10,00,000 *The additional amount of ITC availed shall be limited to ensure that the total ITC availed does not exceed the total eligible ITC.
---------------	--	-----------------	--

5.	When can balance ITC be claimed in case availment of ITC is restricted as per the provisions of rule 36(4)?	The balance ITC may be claimed by the taxpayer in any of the succeeding months provided details of requisite invoices are uploaded by the suppliers. He can claim proportionate ITC as and when details of some invoices are uploaded by the suppliers provided that credit on invoices, the details of which are not uploaded (under sub-section (1) of section 37) remains under 20 per cent of the eligible input tax credit, the details of which are uploaded by the suppliers. Full ITC of balance amount may be availed, in present illustration by "R", in case total ITC pertaining to invoices the details of which have been uploaded reaches ₹8.3 lakhs (₹10 lakhs /1.20). In other words, taxpayer may avail full ITC in respect of a tax period, as and when the invoices are uploaded by the suppliers to the extent Eligible ITC/ 1.2. The same is explained for Case No. 1 and 2 of the illustrations provided at Sl. No. 4 above as under:
----	---	--

		Case 1	"R" may avail balance ITC of ₹ 2.8 lakhs in case suppliers upload details of some of the invoices for the tax period involving ITC of ₹ 2.3 lakhs out of invoices involving ITC of ₹ 4 lakhs details of which had not been uploaded by the suppliers. [₹ 6 lakhs + ₹ 2.3 lakhs = ₹ 8.3 lakhs]
		Case 2	"R" may avail balance ITC of ₹ 1.6 lakhs in case suppliers upload details of some of the invoices involving ITC of ₹ 1.3 lakhs out of outstanding invoices involving ₹ 3 lakhs. [₹ 7 lakhs + ₹ 1.3 lakhs = ₹ 8.3 lakhs]

Circular No. 142/12/2020**Dated 9th October 2020****Clarification relating to application of sub-rule (4) of rule 36 of the CGST Rules, 2017 for the months of February, 2020 to August, 2020**

Keeping the situation prevailing in view of measures taken to contain the spread of COVID-19 pandemic, vide notification No. 30/2020-CT, dated 03.04.2020, it had been prescribed that the condition made under sub-rule (4) of rule 36 of the CGST Rules shall apply cumulatively for the tax period February,

March, April, May, June, July and August, 2020 and that the return in **FORM GSTR-3B** for the tax period September, 2020 shall be furnished with the cumulative adjustment of input tax credit for the said months.

1. To ensure uniformity in the implementation of the said provisions across the field formations, the Board, in exercise of its powers conferred under section 168(1) of the CGST Act hereby clarifies certain issues in succeeding paragraphs.

1.1 **It is re-iterated that the clarifications issued earlier vide Circular No. 123/42/2019 – GST dated 11.11.2019 shall still remain applicable, except for the cumulative application as prescribed in proviso to sub-rule (4) of rule 36 of the CGST Rules.** Accordingly, all the taxpayers are advised to ascertain the details of invoices uploaded by their suppliers under sub-section (1) of section 37 of the CGST Act for the periods of February, March, April, May, June, July and August, 2020, till the due date of furnishing of the statement in **FORM GSTR-1** for the month of September, 2020 as reflected in GSTR-2As.

Taxpayers shall reconcile the ITC availed in their **FORM GSTR-3Bs** for the period February, 2020 to August, 2020 with the details of invoices uploaded by their suppliers of the said months, till the due date of furnishing **FORM GSTR-1** for the month of September, 2020. The cumulative amount of ITC availed for the said months in **FORM GSTR-3B** should not exceed 110% of the cumulative value of the eligible credit available in respect of invoices or debit notes the details of which have been uploaded by the suppliers under sub-

section (1) of section 37 of the CGST Act, till the due date of furnishing of the statements in **FORM GSTR-1** for the month of September, 2020.

1.2 It may be noted that availability of 110% of the cumulative value of the eligible credit available in respect of invoices or debit notes the details of which have been uploaded by the suppliers under sub-section (1) of section 37 of the CGST Act does not mean that the total credit can exceed the tax amount as reflected in the total invoices for the supplies received by the taxpayer i.e. the maximum credit available in terms of provisions of section 16 of the CGST Act.

1.3 The excess ITC availed arising out of reconciliation during this period, if any, shall be required to be reversed in Table 4(B)(2) of FORM GSTR-**3B**, for the month of September, 2020. Failure to reverse such excess availed ITC on account of cumulative application of sub-rule (4) of rule 36 of the CGST Rules would be treated as availment of ineligible ITC during the month of September, 2020.

2. The manner of cumulative reconciliation for the said months in terms of proviso to sub- rule (4) of rule 36 of the CGST Rules is explained by way of illustration, in a tabulated form, below.

Table I

Tax period	Eligible ITC as per the provisions of Chapter V of the CGST Act and the rules made there under, except rule 36(4)	ITC availed by the taxpayer (recipient) in GSTR-3B of the respective months	Invoices on which ITC is eligible and uploaded by the suppliers till due date of FORM GSTR-1 for the tax period of September, 2020	Effect of cumulative application of rule 36(4) on availability of ITC.

Sep- tember, 2020	500	385	350	10% Rule shall apply inde- pendently for September, 2020
In the FORM GSTR-3B for the month of September, 2020, the tax payer shall avail ITC of 385 under Table 4(A) and would reverse ITC of 55 under Table 4(B)(2)				

**No Input Tax Credit on Goods not Resold
within a Period of 6 Months: Bombay HC**

**Axis Mutual Fund vs. The State of Mah
arashtra Sales Tax Tribunal**

Case No. - 710 of 2018

Date – 6.08.2018

Fact of the Case:-

1. Axis Mutual Fund is the petitioner in the present case.
2. As per terms of the Scheme Information Document, the investment objective of the Gold ETF Scheme launched by the petitioner is to generate returns that are in line with the performance of gold.
3. In the A.Y. 2012-13, the petitioner purchased gold worth ₹522,48,59,036/- from a registered dealer located in the State of Maharashtra.
4. On purchase of the gold, the petitioner has claimed set-off of the tax amount of ₹5,17,31,276/- under the provisions of section 48 of the MVAT Act
5. The petitioner duly adjusted the set-off claimed of ₹3,10,79,343/- against its output VAT liabilities in accordance with the provisions of Rule 55 of the MVAT Rules.
6. Consequently, the petitioner applied for refund of excess input tax credit amounting to ₹2,06,51,993/-.

Decision of the case:-

1. During the course of assessment, the assessing authority has alleged that the petitioner is not eligible to claim any input tax credit as the goods purchased by the petitioner on which input tax credit is claimed are not resold within a period of six months from the date of purchase.
2. The petitioner was levied with interest and penalty and hence has preferred the present appeal.

**Input Tax Credit cannot be granted If
Registration of Selling Dealer was cancelled:
Kerala HC C P Rasheed vs. State of Kerala**

Case No. - 104 of 2015

Date:- 10.08.2018

Fact of the Case

1. The assessee, a dealer in chicken, had filed the returns for the year 2005-2006. The department conducted an audit visit in the premises of the assessee and found that the purchase disclosed in the returns were far lesser than the purchase seen from the Delivery Notes recovered.
2. The Revenue estimated the additional turnover on the basis of the value shown in the Delivery Note. Also, the input tax credit was denied to the assessee.
3. Before the High Court, the assessee contended that the cancellation of registration with respect to the three dealers was after the purchase made by the petitioner and that too was in the subsequent year.

4. It was also contended that the petitioner had made the purchases based on the registration granted by the Department.

Decision of the Case

1. The First Appellate Authority & the Tribunal stated that input tax credit is a concession permitted to avoid the cascading effect in the value added tax regime.
2. What is paid as tax at an earlier instance has to be set off in the later instance, wherein the taxation is only on the value addition.
3. While avoiding the cascading effect to the dealers, it is ensured that the State gets its dues on the rates fixed for each commodity.
4. In the instant case the selling dealer at the first instance does not pay the amounts to the Government, there can be no input tax credit claimed.
5. Obviously, the dealer at the first instance had, collected tax and not remitted the same to the Department. The State is deprived of the tax to that extent and hence there is no question of input tax credit.
6. The assessee could definitely file a suit for recovery from the entity from whom they made the purchase.
7. Having not received the tax at the first instance of sale, there is no obligation on the State to grant input tax credit.
8. The Division Bench rejected the contention of the appellant.

No Input Tax Credit for purchase of Motor Vehicles used for Cash Management Business and supplied post usage as Scrap: AAAR

M/S CMS Info Systems Ltd. vs. Maharashtra AAR

Case No. – MAH/AAR/SS-RJ/04/2018-19

Date:- 06.08.2018

Fact of the Case

1. The appellant is having cash management network pan India. As part of the business, the appellants purchased security vans popularly known as “cash carry vans” for transportation of cash. The appellant purchased raw motor vehicles and requisite fabrication, get them converted to cash carry vans. The appellant also pays GST on fabrication.
2. For this purpose, the appellant purchases the motor vehicle and pays GST. The credit of GST is not availed by the appellant presently.
3. The appellants approached the AAR seeking clarification with regard to the GST liability on supply of such motor vehicles as scrap after its usage and the availability of input Tax Credit on purchase of motor vehicles.
4. Before the appellate authority, the appellants contended that although in general understanding, what is being transported by the appellants is currency or cash or money, from the Appellant’s point of view or for the appellant, what is transported is ‘goods’ and not ‘money’, does not support their cause.
5. If ‘Money’ is not covered as ‘Goods’ in the definition of ‘Goods’ under CGST Act, then it is not ‘goods’ for everyone.

Decision of the Case

1. The authority was deciding the issue whether the money being transported by the Appellant in the cash carry vans is “goods” or otherwise for the purposes of availing Input Tax Credit under the GST law.
2. The Appellate Authority, finally ruled that Input Tax Credit is not available to CMS Info Systems Limited on purchase of motor vehicles i.e. cash carry vans, which are purchased and used for cash management business and supplied post usage as scrap.
3. The Appellate Authority for Advance Ruling (AAAR), Maharashtra ruled that the input tax credit cannot be allowed on the purchase of motor vehicles used for cash management business and supplied post usage as scrap.

ITC on Motor Vehicles Fact of the Case

1. In the present case the Appellant is the Purchaser of Motor Vehicles i.e cash carry vans & supplied post usage as scrape.
2. The issue here is whether the money being transported by the Appellant in the cash carry vans is “goods” or otherwise for the purposes of availing Input Tax Credit under the GST law.
3. Appellant’s point of view what is transported is “goods” and not “money”. But it is not supposed by the definition of “Goods” under CGST Act.
4. Hence, Input Tax Credit is not available on purchase of motor vehicles i.e. cash carry vans, which are purchased and used for cash management business.

Decision of the Case

Section 18, input tax credit shall not be available in respect of the following, namely:-

- (a) motor vehicles and other conveyance except when they are used-
- (i) for making the following taxable supplies, namely:-
 - (A) further supply of such vehicles or conveyances; or
 - (B) Transportation of passenger; or
 - (C) Imparting training on driving, flying, navigating such vehicles or conveyances;
 - (ii) for transportation of goods. So, no Input Tax Credit is available.

**ITC recoverable on 'Telecom Equipments'
installed on Mobile Towers: AAR**

**Vindhya Telelinks Ltd. vs. Uttarakhand AAR
Case No. -01/2018-19**

Date -28.08.2018

Fact of the Case

1. In the instant case, Vindhya Telelinks Ltd. is the applicant.
2. The applicant was registered as infrastructure provider category I where the scope of his activities are limited to establish and maintain assets on lease / rent/ sale basis only to licensed telecom service provider.
3. The issue before the AAR was the determination of availability of ITC of goods & services used for the erection of infrastructure for the telecommunication service providers since the infrastructure provided by the applicant is different from "Telecommunication Tower".

Decision of the Case

1. The authority examined the background of telecommunication service by differentiating between the types of telecommunication towers.

2. In the opinion of the authority it is stated that according to law ITC is available neither in "Works Contract Service" for construction of immovable property nor in "Telecommunication Towers" under explanation to section 17(6).
3. Installation of Telecommunication Tower is to some extent different in the present situation. It is neither constitute of the required components nor belongs to immovable property since it can be easily be moved to another place for use without any damage to the entire infrastructure.
4. So the Authority held that the applicant can avail ITC on GST in terms of section 16(1) of CGST, SGST Act 2017.

**Input Tax Credit not available for Lease
Rent paid during Pre- operative Period for
Leasehold Land: GST AAR
GGL HOTEL & RESORT COMPANY LIMITED VS.
GST AAR CASE NO. – 32 OF 2018
DATE- 11.10.2018**

Facts of the case:

1. The Applicant, engaged in the hospitality and real estate business and is contemplating a new project on a leasehold land.
2. The applicant sought sought for a ruling as to whether Input Tax Credit is available for lease rent paid during pre- operative period for the leasehold land on which the resort is being constructed to be used for furtherance of business, when the same is capitalized and treated as capital expenditure.

Decision of the Case

1. The Authority observed the following facts;-
 - The cost of constructing the immovable asset, therefore, includes the lease rental paid for the right to use the land on which the asset is built.

- The Authority noted that the property is, admittedly being constructed on the Applicant's own account and treated as a fixed asset, including the lease rental paid.
- It is held that the lease rental paid during the pre-operative period should be treated as part of the cost of goods and services received for the purpose of constructing an immovable property on the Applicant's own account.
- The input tax credit is, therefore, not admissible on such lease rental in terms of section 17(5)(d) of the GST Act.

ITC not available for GST paid for Hotel Stay on Rent-free Accommodation provided to Company Director and Manager: AAR

Fact of the case

1. In the present case the company is the applicant.
2. The MD and the GM are provided accommodation in a hotel and the cost of the same is part of the cost to the Applicant and is included as perquisites in the salary as per the provisions of Income Tax Act, 1961.
3. The Applicant would like to know whether they can claim ITC in respect of the GST charged by the hotel on the stay expenses of the MD/GM as per the provisions of the GST Law.

Decision of the Case

1. It was observed that the MD/GM could have been provided with any other residential accommodation and still would have performed their duties for the applicant. In the case of residential accommodation, as per the provision of the GST laws, GST is not liable to be paid on the rent received.

2. It is the intention of the Govt. not to tax the rent paid by any person when the rent is paid for any place of residence. In this case, if the MD/GM were staying at any residential place or society, the applicant would have paid only rent without GST.
3. It is found that the Hotel Accommodation is being used by the applicant as a residential premises of their MD/GM which is for the personal comfort of both and therefore in view of the provisions of Section 17(5)(g) we hold that they are not eligible to claim the ITC for the same.
4. The Authority for Advance Ruling (AAR), Maharashtra has held that the input tax credit not available for GST paid for the hotel stay in case of rent-free hotel accommodation provided to General Manager and Managing Director of the company.

**ITC not admissible on ambulances purchased
for employees benefit: AAR**

Nipha Exports Pvt Ltd vs. West Bengal AAR

Case No. - 43/WBAAR/2018-19

Date - 26/02/2019

Fact of the Case

- Nipha Exports Pvt. Ltd. Is the applicant and engaged in manufacturing of agricultural machinery, seeks a Ruling on whether input tax credit is admissible on ambulances purchased for the benefit of the employees under legal requirement of the Factories Act, 1948.
- The concerned officer from the revenue has raised no objection to the admission of the application and admitted the said application.

Decision of the Case

The Authority observed the followings-

- Eligibility for claiming input tax credit under section 16(1) is subject to the provisions of law at the time of occurrence of the taxable event, irrespective of when the claim is made.
- Second proviso to section 17(5)(b) of the GST Act, as it stands post amendment effective from 01/02/2019, is not applicable to a transaction made in November 2018.

It is evident from above that input tax credit on inward supply of ambulance, being a motor vehicle, is not admissible under Section 17(5)(a) of the GST Act.

- The exception carved out under Section 17(5)(b)(iii)(A) of the GST Act for services which are obligatory for an employer to provide to its employees under any law for the time being in force is limited only to rent-a-cab, life insurance and health insurance.
- Therefore, Input tax credit is not admissible on the ambulance purchased in November 2018, as Section 17(5) of the GST Act, as it stood in the relevant period, blocks any such enjoyment, even if provisioning of ambulance service to the employees is obligatory under the Factories Act, 1948.

No ITC on Inward supplies of Goods and Services given as Incentives in the form of Gifts: AAR

M/s Surfa Coats (India) is a Private Limited vs. Bangalore AAR

Case No. KAR ADRG 28/2019

Date - 12th September 2019

Fact of the Case

- The Applicant M/s Surfa Coats (India) is a Private Limited Company and is registered under the Goods and Services Tax Act, 2017.
- The AAR was considering the Question, Whether the applicant is eligible to claim the GST Input tax credit on the items purchased for the furtherance of business?
- The applicant states that they are into the business of manufacturing decorative paints meant for interiors as well as exterior surfaces
- The applicant frames incentive schemes, depending on the market conditions, to motivate dealers to lift their products.

Decision of the Case

- The AAR observed that, "in order to promote the business, gives incentives/ gifts to those persons who assist in the marketing of the products i.e. dealers, painters etc., in the form of goods and services.
- The said goods/services are distributed to the persons as gifts/ incentives without receiving any consideration for the same. Hence the goods and services so procured and disposed of/ distributed as incentives/ gifts are disposed without any consideration and hence do not qualify to be a supply in terms of Section 7 of the CGST Act. Further, no GST is being paid on disposal of the said gift items".
- The Authority of Advance Ruling in Karnataka has ruled that, the applicant is not eligible to avail input tax credit on the inward supplies of goods and services which are attributable to the incentives provided in the form of gifts of goods and services to the painters and dealers and other persons under the CGST / SGST / IGST Act.

**M/S TVS Motors Company Ltd. vs. State of
Tamil Nadu & Others**

Civil Application No. – 10560-10564 of 2018

Date – October 2018

Fact of the Case

- In the present case the state Tamil Nadu is the respondent & a group of traders are writ petitioners.
- A White Paper released by the Committee of Finance Ministers in 2005 proposed that Input Tax Credit (ITC) would be available to set-off against tax liability on all intra-state and inter-state sales.
- The Tamil Nadu Legislative Assembly passed the Tamil Nadu Value Added Tax Act, 2006, under which one of the provisions laid down that ITC would not be allowed on the purchase of goods sold as such or used in the manufacture of other goods and sold in the course of inter-State trade or commerce, to an unregistered dealer under another State.
- Moreover, a notification issued by the Government of Tamil Nadu mandated the necessity of a Form 'C' in order to avail ITC.

Decision of the Case

- The High Court had noted the specific stand taken by the State Government to the fact that in respect of unregistered dealer in other States, the State of Tamil Nadu has no mechanism to prevent evasion of tax and loss of revenue cost by trade with such unregistered dealers in the State of Tamil Nadu.
- Therefore, the provision was aimed at achieving a specific and justified purpose and could not be treated as discriminatory, and thus not unconstitutional.
- The purpose of inserting provisions denying ITC was to protect the Government Revenue against clandestine transactions resulting in the evasion of tax.
- The Supreme Court clarified that when dealers who are making sales exclusively to the other State Governments (i.e. outside the State of Tamil Nadu), the said States would be deemed as registered dealers for the purposes of availing benefits of ITC.
- The Supreme Court of India upheld the decision of the High Court of Judicature at Madras has dismissed a batch of writ petitions which challenged the constitutional validity of the provisions of the Tamil Nadu Value Added Tax Act, 2006.

Input Tax Credit available on Cash Carry Vehicles: Bombay HC quashes AAAR Order

C.M.S Info Systems Ltd. vs. The Commissioner of CGST Writ Petition No. – 5801 of 2019

Date – 9.07.2019

Fact of the Case

- In the present case the petitioner is C.M.S Info Systems Ltd., one of the largest ATM cash management companies in India.

According to the AAAR, the motor vehicles sold after usage as scrap would be chargeable to Goods and Services Tax. It was observed that the input tax credit would not be available on purchase of cash carry vans.

- This was based on the ground that money is excluded from the definition of goods as provided under the GST Act, 2017. Thus, not entitled to input tax credit in view of Section 17(5) of the GST Act.
- Challenging the order of the appellate authority, the petitioner had contended that the concerned authority did not consider their principal submissions and hence there is a flaw in the decision making process.

Decision of the Case

- Setting aside the order the bench held that money would stand covered by the definition of "Goods" under section 2(52) of GST Act so long as the same is not used as legal tender.
- In the light of the above, we note that the decision-making process has not been complied with by the Authority. It is necessary for the Authority to consider the submissions made by the parties before it and give its findings in the context of the submissions made.
- A division bench of the Bombay High Court comprising Justice MS Sanklecha and Justice MS Sonak has set aside an order of the Maharashtra Appellate Authority for Advance Ruling (AAAR) wherein the authority had held that no input tax credit is available on the purchase of 'cash carrying' motor vehicles.

Denial of GST Input Tax Credit to Recipient for Default of Supplier: Delhi HC issues Notice to Centre

Bharati Tele Media Ltd. vs. Union of India & ORS Case No. W.P.(C)6293/2019

Date- 29.05.2019

Fact of the Case

- Bharati Tele Media Ltd. is a petitioner/applicant in the present case.
- The petitioner challenged the legality and validity of Section 16(2)(c), second proviso to Section 16(2)(d) and proviso to Section 16(4) of the Central Goods and Service Tax Act, 2017.
- The Petition also challenged the validity of Section 43A(6) of the Central Goods and Service Tax Act, 2017, which has yet been notified.
- The petitioner contended that the law empowers the Department to recover any revenue loss owing to non-payment of taxes by erring suppliers and credit cannot be denied to the recipient for default on part of the supplier.

Decision of the Case

- Section 16(2)(c) of CGST Act, 2017 provides for a condition wherein the recipient would only be entitled to Input Tax Credit if the tax charged in respect of such supply has been actually paid by the Supplier.
- The second proviso to Section 16(2)(d) provides that the recipient shall add an amount of Input Tax Credit availed, along with interest to the output tax liability if the recipient fails to pay the invoice amount to the supplier within 180 days.
- The Delhi High Court will look into ambiguity in the existing Central Goods and Services Tax (GST) Law that whether input tax credit can be denied to a purchaser for the default committed by the seller.

**No Input Tax Credit on Motor Vehicles
purchased for Rent-a-Cab Service: AAR
Moham Ghosh vs. W.B AAR**

Case No. – WBAAR 9 if 2019

Date – 10.06.2019

Fact of the Case

- In the present case the applicant is the buyer of motor vehicles for supplying rent a car service.

The applicant demands ITC as per section 17(5)(a)(B) of the GST Act which allows ITC for purchasing motor vehicles when it is used for supplying passenger transportation service.

- It was contended that Rent-a -Cab is, therefore, essentially associated with the transportation of passengers. GST paid on the purchase of motor vehicles for supplying rent-a-cab service should, therefore, be admissible in terms of section 17(5)(a)(B) of the GST Act.
- He submits photocopies of a few invoices, showing that the invoices are made on the distance travelled.

Decision of the Case

- The AAR observed that the Act did not allow credit of GST paid on inputs for supply of rent-a-can service, except under certain specific conditions that are not applicable in the applicant's case.
- It rules out credit of input tax paid online purchase of motor vehicles used for supply of rent-a-cab service if the transaction was effected before 11.02.2019.
- It was further observed that the amended provisions of section 17(5)(b)(i) of the GST Act do not contain a reference to the rent-a-cab service. However, post-amendment, the

input tax credit shall not be available in respect of the supply of the service of renting or hiring of motor vehicles.

- The nature of the service the Applicant provides is classifiable under SAC 9966 as renting of a motor vehicle. The credit of GST paid on the purchase of motor vehicles or other inputs for the supply of the Applicant's service is not, therefore, admissible in terms of section 17(5)(b)(xi) of the GST Act.

Interest payable on Total Tax Liability including a portion of which is liable to be set-off against ITC, says Hyderabad HC

M/S Megha Engineering & Infrastructure Ltd. vs. Commissioner of Income Tax & Superintendent of Income Tax

Case No. – 44517 of 2018

Date – 18.04.2019

Fact of the Case

- The petitioner is engaged in the manufacture of MS Pipes and in the execution of infrastructure projects and a registered taxpayer under the GST.
- The petitioners claimed that the GST portal is designed in such a manner that unless the entire tax liability is charged by the assessee, the system will not accept the return in GSTR – 3B Form.
- According to the petitioner, the total tax liability of the petitioner for the period from July, 2017 to May, 2018 was ₹1014,02,89,385/- and the ITC available to the credit of the petitioner during this period was ₹968,58,86,133/-. They claimed that they could not make payment and file the return within time due to certain constraints.

- However, the entire liability was wiped out in May, 2018. After the tax liability was discharged by the assessee, the department levied interest at 18%, under Section 50 of the CGST Act, 2017.
- The petitioner appealed to the Hyderabad High Court for solution of the above problem.

Decision of the Case

- Until a return is filed as self-assessed, no entitlement to credit and no actual entry of credit in the electronic credit ledger takes place. As a consequence, no payment can be made from out of such a credit entry. It is true that the tax paid on the inputs charged on any supply of goods and/ services, is always available. But, it is available in the air or cloud.
- Such tax becomes an in-put tax credit only when a claim is made in the returns filed as self-assessed. It is only after a claim is made in the return that the same gets credited in the electronic credit ledger. It is only after a credit is entered in the electronic credit ledger that payment could be made, even though the payment is only by way of paper entries.
- the petitioner filed returns belatedly, for whatever reasons. As a consequence, the payment of the tax liability, partly in cash and partly in the form of claim for ITC was made beyond the period prescribed. Therefore, the liability to pay interest under Section 50 (1) arose automatically. The petitioner cannot, therefore, escape from this liability.
- A two-judge bench of the Hyderabad High Court has held that the interest under section 50 of the Central GST Act, 2017 is payable on the total tax liability including a portion of which is liable to be set-off against the input tax credit.

**ITC available on Vehicles Supplied to

Conditions: AAR Madhyapradesh**

M/S Narsingh Transport vs. M.P AAR

Case No. – 25/2018

Date – 18.02.2019

Fact of the Case

- The petitioner M/s Narsingh Transport, based in Ujjain, is providing 'Goods Transport Agency Service'.
- The applicant while purchasing cars for providing to other companies on a monthly lease rent under a lease agreement has paid GST as applicable.
- The applicant had desired the advance ruling on whether the GST paid on these cars will be available to it as ITC in terms of section 17(5) of CGST Act, 2017.

Decision of the Case

- Additional Commissioner of CGST and Central Excise, Rajiv Agarwal and Joint Commissioner of Commercial Tax, Manoj Kumar Choubey passed the application and stated that "The applicant is entitled to avail ITC on vehicle which are further supplied to customers on lease rent.
- Such Vehicles must be registered for commercial use and permit holder as per section 66 under Motor Vehicle Act, 1988.
- As per Section 17(5) of CGST Act 2017. M.P GST Act 2017 and Notification No. 11/2017 dated 28.06.2017, the application is entitled to avail ITC on vehicle which are further supplied to customers on lease rent.

ITC cannot be denied on Genuine Transactions with suppliers whose registration cancelled after transaction:

Sanchita Kundu & Anr. Vs Assistant Commissioner of State Tax (Calcutta High Court)

DT 05.05.2022

These writ petitions have been filed by the petitioners being aggrieved by the action of the respondent GST concerned denying the benefit of Input Tax Credit (ITC) by their impugned order dated 27th December, 2021 to the petitioner on purchase of the goods in question from the suppliers and asking the petitioners to pay the penalty and interest under the relevant provisions of GST Act, on the ground that the registration of the suppliers in question has already been cancelled with retrospective effect covering the transaction period in question. Petitioner has also challenged the impugned orders dated 29th March, 2022 and 30th March, 2022 respectively being Annexure P-10 to the writ petition, under Section 79(1) (c) of the WBGST Act.

The main contention of the petitioners in these writ petitions are that the transactions in question are genuine and valid by relying upon all the supporting relevant documents required under law and contend that petitioners with their due diligence have verified the genuineness and identity of the suppliers in question and more particularly the names of those suppliers as registered taxable person were available at the Government portal showing their registrations as valid and existing at the time of transactions in question and petitioners submit that they have limitation on their part in ascertaining the validity and genuineness of the suppliers in question and they have done whatever possible in this regard and more so, when the names of the suppliers as a registered taxable person were already available with the Government record and in Government portal at the relevant period

of transaction, **petitioners could not be faulted if the suppliers appeared to be fake later on.** Petitioners further submit that they have paid the amount of purchases in question as well as tax on the same not in cash and all transactions were through banks and petitioners are helpless if at some point of time after the transactions were over, if the respondents concerned finds on enquiries that the aforesaid suppliers (RTP) were fake and bogus and on this basis petitioners could not be penalised unless the department/respondents establish with concrete materials that the transactions in question were the outcome of any collusion between the petitioners/purchasers and the suppliers in question. Petitioners further submit that all the purchasers in question invoices-wise were available on the GST portal in form GSTR-2A which are matters of record.

Considering the facts as recorded, without any further verification it cannot be said that that there was any failure on the part of the petitioners in compliance of any obligation required under the statute before entering into the transactions in question and that there was no verification of the genuineness of the suppliers in question by the petitioner during the relevant period.

Petitioners in support of their contention have relied on unreported judgment of this Court dated 13th December, 2021 in a similar case in the case of **M/s. LGW Industries Limited & Ors. Vs. Union of India & Ors. in W.P.A No.23512 of 2019.**

Considering the submission of the parties and on perusal of records available, these writ petitions are disposed of by setting aside the aforesaid impugned orders and remanding these cases of the petitioners to the respondents officer concerned to consider afresh on the issue of their entitlement of benefit of input tax credit in question by considering the documents which the petitioners intend to rely in support of their claim of genuineness of the transactions in question and the respondent concerned shall also consider as to whether payments on purchase in question along with GST were actually

paid or not to the suppliers (RTP) and also to consider as to whether the transactions and purchases were made before or after the cancellation of registration of the suppliers and also to consider as to compliance of statutory obligation by the petitioners in verification of identity of the suppliers (RTP).

If it is found upon verification and considering the relevant documents that all the purchases and transactions in question are genuine and supported by valid documents and transactions in question were made before the cancellation of registration of those suppliers and after taking into consideration as to whether facts of the petitioners are similar to the judgements of the Supreme Court and various High Courts and of this Court upon which petitioners intend to rely and if it is found similar to the present case in that event the petitioners shall be given the benefit of input tax credit in question.

These cases of the petitioner shall be disposed of by the respondents concerned in accordance with and in the light of observation made above and by passing a reasoned and speaking order after giving effective opportunity of hearing to the petitioners, within eight weeks from the date of communication of this order.

These Writ Petitions being WPA No.7231 of 2022 and WPA No.7232 of 2022 are disposed of in the light of observation and directions as made above.

In view of setting aside the impugned adjudication orders, impugned orders being Annexure P-10 also stands set aside.

Prayer in W.P.(MD) No. 2127 of 2021: Writ petition is filed under Article 226 of the Constitution of India, to issue a Writ of Certiorarified Mandamus, to call for the records on the file of the respondent in GSTIN 33AUMPG3862A1ZZ/2017-18, dated 29.10.2020 and to quash the same as illegal, arbitrary, wholly without jurisdiction and in violation of the principles of natural justice, and direct the respondent to pass assessment order

For Petitioner : Mr.N.Sudalaimuthu

For Respondent : Mr.S.Dayalan

COMMON ORDER

1. Heard, the learned counsel on either side.
2. The petitioners' herein are dealers, registered with Nagercoil Assessment Circle. Though the petitions are 17 in number, the issue raised in all these writ petitions is virtually one and the same.
3. The petitioners are traders in Raw Rubber Sheets. According to them, they had purchased goods from one Charles and his wife Shanthi.
4. The specific case of the petitioners is that a substantial portion of the sale consideration was paid only through banking channels. The payments made by the petitioners to the said Charles and his wife, included the tax component also. Charles and his wife are also said to be dealers registered with the very same assessment circle.

5. Based on the returns filed by the sellers, the petitioners herein availed input tax credit. Later, during inspection by the respondent herein, it came to light that Charles and his wife, did not pay any tax to the Government. That necessitated initiation of the impugned proceedings. There is no doubt that the respondent had issued shows cause notices to the petitioners herein. The petitioners submitted their replies specifically taking the stand that all the amounts payable by them had been paid to the said Charles and his wife Shanthi and that therefore, those two sellers will have to be necessarily confronted during enquiry. Unfortunately, without involving the said Charles and his wife Shanthi, the impugned orders came to be passed levying the entire liability on the petitioners herein. The said orders are under challenge in these writ petitions.
6. The respondent has filed a detailed counter affidavit and contended that the impugned orders, do not warrant any interference.
7. The learned Government Advocate would point out that the petitioners had availed input tax credit on the premise that tax had already been remitted to the Government, by their sellers. When it turned out that the sellers have not paid any tax and the petitioners could not furnish any proof for the same, the department was entirely justified in proceeding to recover the same from the petitioners herein. The respondent cannot be faulted for having reversed whatever ITC that was already availed by the petitioners herein.
8. The learned counsel for the petitioners would draw my attention to the decision of the Madras High Court made in Sri Vinayaga Agencies Vs. The Assistant Commissioner, CT

Vadapalani, reported in 2013 60 VST page 283. It was held therein that the authority does not have the jurisdiction to reverse the input tax credit already availed by the assessee on the ground that the selling dealer has not paid the tax. I am afraid that this proposition laid down in the context of the previous tax regime may not be straight-away applicable to the current tax regime.

9. At this stage, the learned counsel brought to my notice that the press release issued by the Central Board of GST council on 4.5.2018. In the said press release, it has been mentioned that there shall not be any automatic reversal of input tax credit from the buyer on non-payment of tax by the seller. In case of default in payment of tax by the seller, recovery shall be made from the seller. However, reversal of credit from buyer shall also be an option available with the revenue authorities to address exceptional situations like missing dealer, closure of business by the supplier or the supplier not having adequate assets etc.
10. On section 16(1) & (2) of Tamil Nadu Goods and Services Tax Act, 2017, also makes the position clear. It is extracted here under:
 16. (1) Every registered person shall, subject to such conditions and restrictions as may be prescribed and in the manner specified in section 49, be entitled to take credit of input tax charged on any supply of goods or services or both to him which are used or intended to be used in the course or furtherance of his business and the said amount shall be credited to the electronic credit ledger of such person.
 - (2) Notwithstanding anything contained in this section, no registered person shall be entitled to the credit of any input

tax in respect of any supply of goods or services or both to him unless, — (a) he is in possession of a tax invoice or debit note issued by a supplier registered under this Act, or such other tax paying documents as may be prescribed; (b) he has received the goods or services or both.

Explanation. —For the purposes of this clause, it shall be deemed that the registered person has received the goods where the goods are delivered by the supplier to a recipient or any other person on the direction of such registered person, whether acting as an agent or otherwise, before or during movement of goods, either by way of transfer of documents of title to goods or otherwise;

(c) subject to the provisions of section 41, the tax charged in respect of such supply has been actually paid to the Government, either in cash or through utilisation of input tax credit admissible in respect of the said supply; and

(d) he has furnished the return under section 39: Provided that where the goods against an invoice are received in lots or instalments, the registered person shall be entitled to take credit upon receipt of the last lot or instalment:

Provided further that where a recipient fails to pay to the supplier of goods or services or both, other than the supplies on which tax is payable on reverse charge basis, the amount towards the value of supply along with tax payable thereon within a period of one hundred and eighty days from the date of issue of invoice by the supplier, an amount equal to the input tax credit availed by the recipient shall be added to his output tax liability, along with interest thereon, in

such manner as may be prescribed: Provided also that the recipient shall be entitled to avail of the credit of input tax on payment made by him of the amount towards the value of supply of goods or services or both along with tax payable thereon.”

11. It can be seen therefrom that the assessee must have received the goods and the tax charged in respect of its supply, must have been actually paid to the Government either in cash or through utilization of input tax credit, admissible in respect of the said supply.
12. Therefore, if the tax had not reached the kitty of the Government, then the liability may have to be eventually borne by one party, either the seller or the buyer. In the case on hand, the respondent does not appear to have taken any recovery action against the seller /Charles and his wife Shanthi, on the present transactions.
13. The learned counsel for the petitioners draws my attention to the order, dated 27.10.2020, finalising the assessment of the seller by excluding the subject transactions alone. I am unable to appreciate the approach of the authorities. When it has come out that the seller has collected tax from the purchasing dealers, the omission on the part of the seller to remit the tax in question must have been viewed very seriously and strict action ought to have been initiated against him.
14. That apart in the enquiry in question, the Charles and his Wife ought to have been examined. They should have been confronted. This is all the more necessary, because the

respondent has taken a stand that the petitioners have not even received the goods and had availed input tax credits on the strength of generated invoices.

15. According to the respondent, there was no movement of the goods. Hence, examination of Charles and his wife has become all the more necessary and imperative. When the petitioners have insisted on this, I do not understand as to why the respondent did not ensure the presence of Charles and his wife Shanthi, in the enquiry. Thus, the impugned orders suffers from certain fundamental flaws. It has to be quashed for more reasons than one.

a) Non-examination of Charles in the enquiry

b) Non-initiation of recovery action against Charles in the first place

16. Therefore, the impugned orders are quashed and the matters are remitted back to the file of the respondent. The stage upto the reception of reply from the petitioners herein will hold good. Enquiry alone will have to be held afresh. In the said enquiry, Charles and his wife Shanthi will have to be examined as witnesses. Parallely, the respondent will also initiate recovery action against Charles and his wife Shanthi.

17. With these directions, these writ petitions are allowed.

No costs. Consequently, connected miscellaneous petitions are closed.

Heard learned advocates appearing for the parties.

These writ petitions have been filed by the petitioners being aggrieved by the action of the respondent GST concerned denying the benefit of Input Tax Credit (ITC) by their impugned order dated 27th December, 2021 to the petitioner on purchase of the goods in question from the suppliers and asking the petitioners to pay the penalty and interest under the relevant provisions of GST Act, on the ground that the registration of the suppliers in question has already been cancelled with retrospective effect covering the transaction period in question. Petitioner has also challenged the impugned orders dated 29th March, 2022 and 30th March, 2022 respectively being Annexure P-10 to the writ petition, under Section 79(1)(c) of the WBGST Act.

The main contention of the petitioners in these writ petitions are that the transactions in question are genuine and valid by relying upon all the supporting relevant documents required under law and contend that petitioners with their due diligence have verified the genuineness and identity of the suppliers in question and more particularly the names of those suppliers as registered taxable person were available at the Government portal showing their registrations as valid and existing at the time of transactions in question and petitioners submit that they have limitation on their part in ascertaining the validity and genuineness of the suppliers in question and they have done whatever possible in this regard and more so, when the names of the suppliers as a registered taxable person were already available with the Government record and in Government portal at the relevant period of transaction, petitioners could not be faulted if the suppliers appeared to be fake later on. Petitioners in support of their contention have relied on unreported judgment of this Court dated 13th December, 2021 in a similar case in the case of M/s. LGW Industries Limited & Ors. Vs. Union of India & Ors. In W.P.A No.23512 of 2019.

Considering the submission of the parties and on perusal of records available, these writ petitions are disposed of by setting aside the aforesaid impugned orders and remanding these cases of the petitioners to the respondents officer concerned to consider afresh on the issue of their entitlement of benefit of input tax credit in question by considering the documents which the petitioners intend to rely in support of their claim of genuineness of the transactions in question and the respondent concerned shall also consider as to whether payments on purchase in question along with GST were

actually paid or not to the suppliers (RTP) and also to consider as to whether the transactions and purchases were made before or after the cancellation of registration of the suppliers and also to consider as to compliance of statutory obligation by the petitioners in verification of identity of the suppliers (RTP).

These cases of the petitioner shall be disposed of by the respondents concerned in accordance with and in the light of observation made above and by passing a reasoned and speaking order after giving effective opportunity of hearing to the petitioners, within eight weeks from the date of communication of this order.

These Writ Petitions being WPA No.7231 of 2022 and WPA No.7232 of 2022 are disposed of in the light of observation and directions as made above.

In view of setting aside the impugned adjudication orders, impugned orders being Annexure P-10 also stands set aside.
