Second Annual **CAPITAL MARKETS CONFERENCE 2021**

On

Investors Interest and Innovative Instruments

Sponsored by

Webinar Mode: 22-23 July 2021

Dear Colleagues,

National Institute of Securities Markets, Mumbai is organising the **Second Annual Capital Markets Conference 2021** on **“Investors Interest and Innovative Instruments”** sponsored by State Bank of India. NISM invites academicians, researchers, students and other stakeholders to send original unpublished research papers. The conference is to be held in the webinar mode during **22-23 July, 2021**.

Key Themes for Paper Submission are:

- a. The Indian Commodity Markets – Changing Landscape in the last 5 years
- b. Equity Cash and Derivatives Markets -Interdependence and Interconnectedness of the Two Markets
- c. The Interoperability of Clearing Corporations and its Impact on Markets
- d. Innovative Financial Instruments in the Fixed Income Securities Markets
- e. The SME Exchange - Regulatory Framework – Issues and Challenges
- f. Impact of Technology on Security Markets – Empirical Studies
- g. Transmission of Information from Social Media to Stock Markets
- h. Innovations in Mutual Fund Industry

Key Dates:

Dates of Conference:	July 22-23, 2021
Last date of paper submission:	June 15, 2021
Intimation on acceptance of the paper:	July 15, 2021
Conference Registration Begins:	July 10, 2021
Last date for registration:	July 20, 2021

For more details, visit the conference website [Click here](#)
Submit your paper through easy chair link [Click here](#)

Publication Opportunity:

1. **FIIB Business Review- Scopus Journal**
2. **Asia Pacific Financial Markets- Scopus and ABDC Journal**

Note:

NISM will also come out with a conference compendium where we plan to publish all accepted papers, provided authors consent is given for the same. We would like to make it clear that acceptance of your paper for conference does not automatically convert into a publication in the tied up journal. We will forward the selected papers to the journal. The journal will follow their process of review of all the papers and accept for publication based on their review or editorial recommendations. Kindly note that all journals have their own processes in place for publication.
