5.4. Separation costs related to voluntary retirement, retrenchment, termination etc. shall be amortised over the period benefitting from such costs.

5.5. Employee cost shall not include imputed costs.

5.6. Cost of Idle time is ascertained by the idle hours multiplied by the hourly rate applicable to the idle employee or a group of employees.

5.7. Where Employee cost is accounted at standard cost, variances due to normal reasons related to Employee cost shall be treated as part of Employee cost. Variances due to abnormal reasons shall be treated as part of abnormal cost.

- 5.8. Any Subsidy, Grant, Incentive or any such payment received or receivable with respect to any Employee cost shall be reduced for ascertainment of cost of the cost object to which such amounts are related.**

- 6.3. Where the Employee costs are not directly traceable to the cost object, these may be assigned on suitable basis like estimates of time based on time study.**
- 6.4. The amortised separation costs related to voluntary retirement, retrenchment, and termination etc. for the period shall be treated as indirect cost and assigned to the cost objects in an appropriate manner. However unamortised amount related to discontinued operations, shall not be treated as employee cost.**
