NOTICE

Subject: Non- compliance of Mandatory CPE Credit Hours requirement for the year 2025-26

As per the Guidelines for Members under Continuous Professional Education (CPE) 2024, it is mandatory for the members holding Certificate of Practice (CoP) to undergo minimum 30 hours per year subject to minimum 14 hours in physical mode and for the members above 65 years holding Certificate of Practice (CoP) to undergo minimum 15 hours per year.

Despite the Council granted extension of time upto 30th June 2025 to complete the shortfall of CPE Credit Hours requirement for the year 2024-25, it is noted that some of the CoP holders have still not complied with the mandatory requirement of CPE Hours.

In view of the audit season and to ensure smooth continuity of practice of CoP holders during the year 2025-26, the Council has decided to grant further extension of time of one more quarter upto 30th September 2025 to complete the shortfall for CPE Credit Hours requirement for the year 2024-25. Any further non compliance will be seriously viewed and will lead to discontinuation of respective CoP of member.
