Behind every successful business decision, there is always a **CMA**

Sir / Madam,

Greetings from the Institute of Cost Accountants of India – Eastern India Regional Council!!

As we step into 2025, may the spark of innovation ignite within you! May this year bring boundless opportunities, resilience and growth. Wishing you a futuristic, fabulous, and fulfilling New Year!!

India stands at the cusp of a transformative era, driven by a blend of visionary leadership, technological advancements, and an empowered populace. The journey from Aatmanirbhar Bharat to Viksit Bharat—a developed India—envisions not just economic prosperity but also a society that thrives on inclusivity, sustainability, and innovation. To achieve this ambitious goal, it is essential to focus on shaping future trends that will define the trajectory of our nation.

Technology is the cornerstone of future development. Emerging technologies such as Artificial Intelligence (AI), Blockchain, the Internet of Things (IoT), and Quantum Computing are revolutionizing industries. India must harness these technologies to enhance productivity, streamline governance, and foster innovation.

Environmental sustainability is critical for long-term development. As global attention shifts towards climate action, India must lead by example in adopting renewable energy, sustainable agriculture, and green manufacturing, Renewable Energy Expansion, Circular Economy, Sustainable Urbanization.

India's demographic dividend, with its young and dynamic workforce, can be a game-changer. However, bridging the skill gap is imperative to prepare for future challenges. Modern infrastructure is the backbone of a developed nation. Investment in physical and digital infrastructure will propel economic growth and improve the quality of life for all citizens.

Good governance and robust institutions are vital for ensuring justice, equity, and efficient resource allocation. Strengthening democratic processes and promoting transparency will be central to India's growth story.

With this evolving approach the 44th Cost Conference on the theme “Viksit Bharat - Developing New India by Shaping the Future Trends” is scheduled to take place on the 21st & 22nd February 2025 at Dhono Dhanyo Auditorium, Alipore Kolkata-700027. The Conference will cover the following broad topics :-

1. Financial Resilience for a Prosperous India - Pathways to Viksit Bharat.
2. Digital Transformation & Technology - Artificial Intelligence & Blockchain Technology.
3. Digital Transformation in Finance.
4. Viksit Bharat-Cost Competitiveness & Cost Management for Growth.
5. Sustainability & Environmental Accounting.

We urge upon all the Chapters & members of the Institute to combine their efforts to show the strength of CMA Profession to all stakeholders by mobilizing resources and attending the event in large numbers.

Let us be together with contribution towards nation building.

Looking forward to your active support.

With Warm Regards,
