

Paper - 8

Sl. No.	Question Number	Comment
1	1 – 3	<p>1. Detailed study of study material and practice solution of problem is required within the time frame. Reference book may also be consulted to acquire thorough knowledge on the subject.</p> <p>2. To improve on the language part regular writing and compare the same with suggested answer.</p> <p>3. While answering a new question it is better it should start from a fresh page.</p>
2	1 – 3	<p>1. Study in depth and practice is the only way for good performance.</p> <p>2. Lack of thorough knowledge and proper practice both are to be taken care of.</p>
3	1 – 3	<p>1. In depth knowledge of the subjects with exercising application of basic concept on practical problems is the solution.</p> <p>2. Wrong understanding of the requirement of question to be avoided.</p> <p>3. Sound basic concept, clarity, appropriate presentation on the subject is to be cultivated by students for improvement.</p>
4	1 – 3	<p>1. Thorough study of study materials required.</p> <p>2. Conceptual development is very much needed.</p> <p>3. Grasping the concept laid down in different CAS.</p>
5	1 – 3	<p>1. The students are having lack of knowledge of various CAS & other concepts of cost accounting and financial management which may be improved by thorough understanding of entire syllabus.</p> <p>2. The accuracy in mathematical calculation and proper understanding the requirement of question is lacking among the students which may be improved by practice of practical questions on various topics.</p> <p>3. The practical application of various CAS and proper presentation skills are lacking among the students which may be enhanced by practice of various questions on the topic with covering of theoretical part also.</p>
6	1 – 3	<p>1. Lack of understanding of problem's requirement.</p> <p>2. Lack of fundamental knowledge.</p> <p>3. Lack of latest amendments.</p> <p>4. Lack of application of basic theory & principles.</p> <p>5. Lack of analytical approach.</p> <p>6. Lack of logical presentation.</p>

Sl. No.	Question Number	Comment
7	1 – 3	<ol style="list-style-type: none"> 1. Students are advised to give reasons for where asked in questions to state with reason. Students must make regular practice of the problems to clear the concept. 2. A proper planning of study and balance of study between practical problems and theoretical questions are required to perform. 3. Students are advised to study hard from the study materials provided by the Institute. 4. Examinees are advised to consult reference book and practice the model problems analytically to acquire conceptual skills of the subject matter. 5. Students are advised to give a concise and to the point answer and also advised to give special care on theoretical parts to score better marks.
8	1 – 3	<ol style="list-style-type: none"> 1. In-depth study is required. 2. Students should study by heart otherwise performance cannot develop. 3. Students should focus on the theory part for better performance. 4. Students need more study and practice as well.
