About the Seminar

he seminar titled "Navigating the New Frontier: Management Accounting in the Era of Real-Time Insights, Sustainable Growth, and Cybersecurity" is organized by the Institute of Cost Accountants of India (ICMAI) to celebrate International Management Accounting Day. This event aims to explore the evolving landscape of management accounting in today's dynamic business environment. Topics to be covered include leveraging real-time insights for decision-making, driving sustainable growth strategies, and addressing the critical role of cybersecurity in financial management. Participants can expect insightful discussions, expert presentations, and networking opportunities to enhance their understanding of contemporary management accounting practices.

This seminar will be immensely beneficial for professionals both in practice and in service. For those in practice, it offers insights into cutting-edge techniques and tools to optimize client services, enhance business performance, and stay competitive in the market. Similarly, professionals in service will gain valuable knowledge to streamline internal processes, improve financial reporting accuracy, and contribute effectively to organizational growth and resilience. By attending this seminar, participants can acquire practical skills and strategic insights essential for navigating the complexities of modern management accounting, ultimately advancing their careers and delivering greater value to their clients or organizations.

Attractions in Mumbai

he 'Atal Setu', also known as the Atal Bihari Vajpayee Sewri Nhava Sheva Atal Setu, is India's longest sea bridge of Mumbai Trans Harbour Link (MTHL). It is six-lane trans-harbour bridge of 21.8 km long out of which 16.5 km is over the sea. It shows India's infrastructural prowess and the vision to improve ease of mobility of citizens by strengthening transport infrastructure, the country's trajectory towards a 'Viksit Bharat'.

hatrapati Shivaji Terminus is another UNESCO World Heritage Site situated right in the heart of Mumbai. Built in the year 1888, during the British colonial period, this edifice exemplifies the Victorian-Gothic style of architecture.

he Gateway of India is one of India's most unique landmarks situated in the city of Mumbai. The colossal structure was constructed in 1924. Located at the tip of Apollo Bunder, the gateway overlooks the Mumbai harbour, bordered by the Arabian Sea in the Colaba district. The Gateway of India is a monument that marks India's chief ports and is a major tourist attraction for visitors who arrive in India for the first time.

ne of the most beautiful temples situated in Mumbai, the Siddhivinayak Temple is a standing testament of beauty and architecture. This ancient temple was constructed in 1801 and is dedicated to the elephant-head deity of Hinduism, 'Lord Ganesh'.. Every day, over 25,000 devotees flock the temple to offer their prayers and seek the blessings of Lord Ganesh. Tuesday is considered to be the most important day for 'puja' and 'darshan' at this temple.
