## ADVISORY TO MEMBERS

To: The members

### Subject: Advisory to attend Continuing Professional Education Programs in Physical Mode

Dear Members,

Through this advisory, it is felt to encourage all members to take this opportunity to rejuvenate their learning experience by attending the CPE programs in physical mode.

In recent years, it has been experienced as to how virtual learning has enabled flexibility and increased accessibility to members. Nothing, however compares to the experience of face-to-face interaction by attending sessions in physical mode.

This ensures in-person networking, interactions and re-connect with the Institute benefiting both professionally and personally.

Further, attending programs in physical mode would facilitate smooth compliance of Structured CPE Credit Hours requirement as per the Guidelines for members under Continuous Professional Education (CPE) 2024.

We look forward to your active participation and continued engagement with the Institute in physical mode also.

For further details on program dates, venues, and registration, please visit website of your Institute.

Let's come together to share knowledge, exchange ideas, and participate in shaping the future of our profession.

Warm regards,

CMA Manoj Kumar Anand  
Chairman Professional Development &  
Continuous Professional Education Committee
