Dear Esteemed Members,

PHD Chamber of Commerce and Industry is happy to inform that we organising a Seminar on DPDP Act & Rules 2025 — Uncovering your Blind Spots before Penalties Hit on Wednesday 28th January 2026, from 02:00 PM to 05:30 PM at PHD House, New Delhi

With the Digital Personal Data Protection (“DPDP”) Rules, 2025 now notified, India has entered a fully operational data protection regime. Every enterprise, whether it is a manufacturer, exporter, hotel, logistics company, professional services firm, bank, fintech, healthcare provider, retailer, or MSME, must now comply with a set of non-negotiable, time-bound obligations.

The next 12–18 months will define which businesses adapt smoothly and which will struggle with compliance penalties, audit failures, and operational disruption.

This Seminar is designed to provide industry leaders with clarity, direction, and decision-making guidance, without overwhelming them with legal jargon or unrealistic technical expectations.
