### **SCOPE PROGRAMME ON 'SERVICE TAX' FOR CPSE EXECUTIVES**

SCOPE and the institute of cost accountants of India (ICAI) jointly organised a programme on service tax, which was attended by a large number of senior finance executives of public enterprises. UD Choubey, director general, SCOPE said that service tax has emerged as a significant contributor to the tax revenue. From a modest beginning in 1994, revenue from service tax has increased manifold and with the recent introduction of negative list of services, the revenue is likely to increase further.
