TERMS & CONDITIONS OF TENDER

1. The tender form must be filled in English and all entries must be made by hand with blue/black ink and written in ink.
2. **Notice in writing** or written notice shall mean a notice in written, typed or printed characters sent (Unless delivered personally or otherwise proved to have been received) by hand, speed post, registered post to the last known private or business address or to the registered office of the addressee and shall be deemed to have been received when in the ordinary course of post it would have been delivered.
3. **Provisional Items** shall mean items for which only very approximate quantities have been included in the tender documents.
4. The tenders must be submitted in the prescribed format only. The rates should be written both in words and figures without any erasures and alterations. However, if errors are made, the wrong figures or words must be neatly scored out under full signature of the bidders and the correct figures and words neatly rewritten. Over writing is not permitted. Applying white fluid for correcting rates and amount is also prohibited.
5. The bidder shall quote his rates inclusive of cost of materials, corresponding wastages, labour, duties.. The rates quoted will be firm and no escalation on any account shall be allowed on the accepted rates.
6. Tax to be indicated separately in the quote. However, in case, there is change in rate of tax in future, the new tax rate will be applicable.
7. Errors in the schedule of quantities, rates and amount shall be dealt with in the following manner:
 - i) In the event of a discrepancy between the rates quoted in words and the rates in figures, lowest rate will be taken into consideration.
 - ii) In the event of an error occurring in the amount column as a result of wrong calculation the unit rate shall be regarded as firm and the amount shall be amended accordingly based on the quantity given.
 - iii) All errors in totalling in the amount column and in carrying forward, the totals shall be corrected.
8. The quantities indicated in the schedule of quantities are only probable quantities and are liable to alteration by omission, reduction or addition at the discretion of the Institute. Payment shall be made on the basis of actual quantities of work done at the accepted rates.
9. The contract shall be an item rate contract wherein the contractor shall be paid for the actual quantity of work done at the rates quoted by him in the contract and agreed to by the owner.
10. The scope of the work is as illustrated and specified in the tender document. If the contractor shall find any divergence from the same, it has to be communicated to the owner in written and the final instructions a given by the owner shall be adhered to.
11. The contractor shall visit and examine the work site for understanding the scope of work. No extra charges in consequence of any misunderstanding or incorrect information on any of these points, or on the grounds of insufficient description will be allowed.

opinion specified in the order, of any materials which in the opinion specified in the order, of any materials which in the opinion of the Institute are not in accordance with the specifications.

9. Contractor Liable for Damage done:

- i) The contractor shall be responsible for all injury to persons, animals or things, and for all structural and decorative damage to the property which may arise from the operation or neglect of himself or contractor's employee whether such injury or damage arise from careless, accident or any other cause whatever in any way connected with the carrying out of the contract.
- ii) The contractor shall reinstate all damages of every sort mentioned in this clause, so as to deliver up the whole of the contract works complete and perfect in every respect and so as to make good or otherwise satisfy all claims for damage to the property of third party.
- iii) The contractor shall indemnify the Institute against all claims which may be made against the Institute by any member of the public or other third party in respect of anything which may arise in respect of the works or in consequence thereof and shall at his own expense arrange to effect and maintain, until the virtual completion of the contract.

10. Responsibility for safety of building: The Contractor shall be responsible for the safety of the works (including the materials, temporary buildings and plant) until they are taken over by the Institute and they shall stand at their risk, and be in the sole charge of the contractor, who shall be responsible for and must with all possible speed make good all damage from whatever cause.

11. Failure of contractor to comply with Institute Instruction: If the contractor, after receipt of written notice from Institute requiring compliance within a week fails to comply with such specifications & terms and conditions, the Institute may employ and pay other persons to execute any such work whatsoever that may necessary to give effect thereto, and all costs incurred in connection there which shall be recoverable from the contractor by the Institute.

12. Termination of contract by the Institute: If the contractor (an individual, firm or an incorporated company):

- a) Commits substantial breach of material terms and conditions contained in the Contract or
- b) Does any Act which is pre- judicial to the interest of the Institute and
- c) Shall be unable within 7 days of the notice requiring him to show cause to the reasonable satisfaction of the Architect / Institute that he is able to carry out and fulfil the terms of the Contract and give security thereof if required

Or if the contractor (whether an individual, firm or an incorporated Company):

- 1) Shall suffer execution to be issued ,
- 2) Shall suffer any payments under this contract to be attached by or on behalf of any of the creditors of the contractor,
- 3) Shall assign or subject this contract without the consent in writing of the Institute first obtained,
- 4) Shall charge or encumber this contract or any payments due or which may become due to the contractor there under,

- 5) Has abandoned the contract, or
- 6) Has failed to proceed with the works with such due diligence and has failed to make such due progress as would enable the works to be completed within the time agreed upon by the parties or
- 7) Has failed to commence the works or has without any lawful excuse under these conditions suspended the progress of work for the period of 14 days after receiving the Institute' s notice to do so
- 8) Has failed to remove the materials from the site or to pull down and replace work for seven days after receiving written notice from the Institute that the said materials or work were condemned and rejected by the Architect / Institute under these conditions.
- 9) Has neglected or failed persistently to observe and perform all or any of the Acts, matters or things required by the Contract to be observed and performed by the Contractor for seven days after the receipt of written notice requiring the contractor to observe and perform the same.
- 10) Has to determine and ensure good workmanship or without the consent in writing of the Institute to sublet any part of the Contract.

The contractor shall be legally and statutorily liable for all the liabilities incurred for the performance of the Contract till the date of termination.

13. Right of technical scrutiny of final bill: The Institute shall have a right to cause a technical examination of the works and the final bill of the contractor including all supporting vouchers, abstract etc., to be made at the time of payment of the final bill. If as a result of this examination or otherwise any sum is found to have been over paid or over certified it shall be lawful for the Institute to recover the sum.

14. When Contractor Dies: Without prejudice to any or remedies under this contract, if the contractor dies, the Institute shall have the option of terminating the contract and the contractor would be compensated to the extent of work done, duly certified by the architect/Architect.

15. SETTLEMENT OF DISPUTE

- 15.1 All disputes regarding interpretation of the contents of the Agreement or its implementation shall be resolved by Mutual discussion/reconciliation in good faith by the Agency and the Institute.
- 15.2 The Agreement shall be governed by the Law of India for the time being in force and subject to exclusive jurisdiction of Court at Delhi.
