SCOPE OF WORKS OF STRUCTURAL AUDIT & NON-DESTRUCTIVE TESTING.

A. PHASE 1

1. Assisting the Institute to submit the report to SDMC in required format.
2. Collection of preliminary data based on Pre-repair survey (field work) - Structural audit shall be carried out as a qualitative assessment in accordance with latest guidelines of Indian Society of structural Engineers. Site visit to be conducted to assess the Structural safety of the existing foundation and columns by visual inspection and taking photographs of critical structural element such as Foundation, Columns and Beams. Taking out measurement of existing structural member like column sizes, beam sizes, etc. and also marking the damaged and affected members on drawings as well as at site supported with digital photography and marking of testing location for NDT.
3. Arranging to conduct Destructive/NDT Testing as per requirement - Assessment of damages of RCC members through Destructive/NDT (Non-Destructive Testing) with calibration chart for the site. Number of test and type of test shall be decided as per structural requirements and decided by the Consultants hereinafter called M/s Burman Et.Al, only those tests shall be conducted which are applicable and required for structure audit.
 - a) Rebound Hammer: to find out the compressive strength of concrete by using Rebound hammer.
 - b) Concrete core Test: Drilling out and testing of concrete core for evaluation of the compressive strength of concrete.
 - c) Ultrasonic Pulse Velocity Test (UPV test): to evaluate homogeneity and integrity of concrete.
 - d) Half-Cell Potential Test: To assess the severity of steel corrosion is to measure the corrosion.
 - e) Ph value: to check alkalinity of concrete.
 - f) Carbonation Test: Phenolphthalein spray test at selected locations on RCC members of the structures to see the intensity of carbonation attack on steel bar. Ratio of Carbonation depth to cover depth is also measured to check the intensity of carbonation attach on steel bar.
 - g) Water Soluble Chloride Content % (by mass of concrete) to check the risk of corrosion due to present chloride %.
 - h) Cover Meter Test
4. Finding the probable causes of damages, seepage / leakages and status of external plumbing installations, if any.
5. Submission of survey report, general defects and damages, general recommendations, suggesting priority wise repair & retrofitting, budgetary estimate in the descending order of preference, generalized bill of quantities.
6. Preparation of the as built drawing showing all Structural Members. preparation of methodology and preparation methodology and BOQ Same has to be vetted by M/s Burman Et.Al.
7. Obtaining necessary permission from appropriate Municipal or Statutory Authority etc. as per requirement, if needed.
8. Attending meeting with the Institute officials wherever required in respect to above work regarding making additional/alteration.

		10%

7.0 Discrepancies and Adjustment of Errors

Any error in description, quantity or rate in Schedule of Quantities or any omission there from shall not vitiate the Contract or release the Consultant from the execution of the whole or any part of the works.

8.0 Work Order

Within the validity period of the tender, the Institute shall issue a work order by registered post or otherwise dispatching at the address of the consultant as given in the tender to enter into a contract for execution of the work as per the terms of the tender. The work order shall constitute a binding contract between the Institute and the Consultant.

10.0 Language

The language in which the contract documents shall be drawn shall be English.

11.0 Performance Security Deposit

The security deposit of Rs 15,000/- will be released on completion of repairs/restoration work and after submission of completion report/final fitness certificate by the consultant.

13.0 Escalation

No escalation and payment due to increase in prices / wages will be made to the consultant. The rates quoted by the consultant shall remain firm throughout till completion of the work and nothing extra beyond unit rates shall be paid on account of any reason whatsoever.

14.0 Ownership of drawings

All drawings, specifications and copies thereof furnished by the Institute are the properties of the Institute. They are not to be used on any other work.

15.0 Consultant/Agency to supply tools & plants etc.

The consultant shall provide at his own cost all materials, plant, tools, appliances, implements, ladders, cordage, tackle, scaffolding etc. and temporary works required for the proper execution of the work.

THE INSTITUTE OF COST ACCOUNTANTS OF INDIA

(STATUTORY BODY UNDER AN ACT OF PARLIAMENT)

CMA BHAWAN, 3 INSTITUTIONAL AREA, LODI ROAD, N.D.-110003

HQ – 12, SUDDER STREET, KOLKATA – 700 016

Website : www.icmai.in

16.0 Protection of works and property

The consultant shall continuously maintain adequate protection of all his work from damage and shall protect the Institute's properties from injury or loss arising in connection with contract. He shall make good any such damage, injury, loss resulting due to his fault or negligence except due to causes beyond his control. He shall take adequate care and steps for protection of the other floors and adjacent properties. The consultant shall take all precautions for safety and protection of his employees on the works and shall comply with all applicable provisions of Government and local bodies safety laws and building codes to prevent accidents, or injuries to persons or property in or adjacent to his place of work.

17.0 Consultant's superintendence

The consultant shall give necessary personal superintendence during the works and as long, thereafter, as the Institute may consider necessary until the expiry of the defect's liability period, stated hereto. The consultant shall depute necessary technical staff for execution of work.

18.0 Quantities

The rates quoted for various items shall remain valid for variation of quantity against individual item to any extent. The payment to the consultant shall be made as per the actual work executed and quoted unit rates for individual items as per the certification (quality and quantity) by M/s Burman Et.Al. The quantities in the BOQ are only indicative and may increase or decrease, however the rate quoted shall remain firm.

19.0 Works to be measured

The Consultant Representative shall, except as otherwise provided, ascertain and determine by measurement the value in accordance with the contract.

Recording of measurements of any item of work in the measurement book and / or its payment in the interim, on account or final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relates nor shall it relieve the consultant from liabilities.

20.0 Certificate of payment

Payment on account of amount admissible shall be made on certification of M/s. Burman Et.Al to which the consultant is considered entitled by way of interim payment at such rates as decided by the Institute's Representative. The amount admissible shall be paid by 15th working day after the day of certification of the bill by the Institution Representative subject to the bill is found to be in order by the Institute with no discrepancies. The Institute shall recover the statutory recoveries, other dues including the retention amount from the certificate of payment.

Pending consideration of extension of date of completion, interim payments shall continue to be made as herein provided, without prejudice to the right of the Institute to take action under the terms of this contract for delay in the completion of work, if the extension of date of completion is not granted by the Institute.

21.0 Final Measurement

The final bill shall be submitted by the consultant in the same manner as specified in interim running account bills within one month of issue of virtual completion certificate for the work. The same will be verified/checked by M/s Burman Et.Al for final recommendation to clear the same.

HQ – 12, SUDDER STREET, KOLKATA – 700 016

Website : www.icmai.in

22.0 Work by other agencies

The Institute reserves the rights to use premises and any portion of the site for execution of any work not included in the scope of this contract which it may desire to have carried out by other persons simultaneously and the consultant shall not only allow but also extend all reasonable facilities for the execution of such work(s). Such work(s) shall be carried out in such manners not to impede the progress of the works included in the contract.

23.0 Maintenance of Registers

The consultant shall maintain the following registers at site of work and should produce the same for inspection of the Institute whenever desired by them.

- i) Daily progress register/ Test Register
- ii) Site order book

The consultant shall maintain the record/ registers as required by local authorities / govt. from time to time.

24.0 Permits, Laws and Regulations

Permits and licenses required for execution of the work shall be obtained by the consultant at his own expenses. The consultant shall give necessary notices and comply with the local regulations, laws, and ordinances rules, applicable for execution of work. If the consultant performs any act, which is against the local law, rules and regulations, he shall meet all the costs and consequences arising there from and shall indemnify the Institute against any legal actions arising there from. The rates quoted by the consultant are inclusive of obtaining such approval(s) and nothing extra beyond quoted rates shall be paid to the consultant on this account.

25.0 Local Laws, Acts, Regulations

The consultant shall strictly adhere to all prevailing labour laws inclusive of contract labour (regulation and abolition act of 1970) and other safety regulations. The consultant shall comply with the provision of all labour legislation including the latest requirements of all the Acts, laws, and any other regulations that are applicable to the execution of the project.

26.0 Commencement of Works

The date of commencement of the work will be reckoned as 7 working days from the date of issue of work order by Institute or the first day when the consultant is handed over the site for taking up execution of the work whichever is later.

27.0 Time for completion

Time is the essence of the contract and shall be strictly observed by the consultant. The entire work shall be completed within a period of 120 **days** from the date of commencement of work. The consultant shall complete certain portions of work before completion of the entire work. However, the completion date shall be reckoned as the date by which the whole work is completed as per the terms of the contract.

28.0 Rate of progress

Should the rate of progress of the work or any part thereof be at any time be in the opinion of the Institute is slow, to ensure the completion of the whole of the work by the prescribed time or extended time for completion, the Institute shall thereupon take such steps as considered necessary by the Institute to expedite progress of work so as to complete the work by the prescribed time or extended time. Such communications from the Institute neither shall relieve the consultant from fulfilling obligations under the contract nor will he be entitled to raise any claims arising out of such directions.

29.0 Extension of Time

THE INSTITUTE OF COST ACCOUNTANTS OF INDIA

(STATUTORY BODY UNDER AN ACT OF PARLIAMENT)

CMA BHAWAN, 3 INSTITUTIONAL AREA, LODI ROAD, N.D.-110003

HQ – 12, SUDDER STREET, KOLKATA – 700 016

Website : www.icmai.in

29.1 If the work(s) be delayed by:

Force majeure, or

Abnormally bad weather, or

Serious loss or damage by fire, or

Civil commotion, location commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or

Any other cause, which, in the absolute discretion of the Institute, is beyond the Consultant's control.

Then upon the happening of any such event causing delay, the consultant shall immediately give notice thereof in writing to the Institute but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Institute to proceed with the works.

29.2 Request for extension of time, to be eligible for consideration, shall be made by the consultant in writing within two days of the happening of the event causing delay. The Consultant may indicate in such a request the period for which extension is desired.

30.0 Virtual Completion Certificate (VCC)

Soon after the completion of the work, the Consultant shall give notice of such completion to the Institute and within 3 days of the receipt of such notice, the Institute shall inspect the work and if there is no defect in the work, the consultant on behalf of the Institute shall furnish the consultant with a virtual completion certificate, otherwise a provisional virtual completion certificate of physical completion indicating defects (a) to be rectified by the consultant and / or (b) for which payment will be made at reduced rates, shall be issued.

On successful completion of entire works covered by the contract to the full satisfaction of the Institute, the consultant shall ensure that the following works are also completed to the satisfaction of the Institute.

- a) Clear the site of all scaffolding, wiring, pipes, and surplus materials
- b) Remove all rubbish, debris etc. from the site as required by the Institute.
- c) Shall put the Institute in undisputed custody and possession of the site.
- d) All defects/imperfections have been attended and rectified as pointed out by the Institute/ Burman Et.Al to the full satisfaction of Institute.

Upon the satisfactory fulfillment by the consultant as stated above, the consultant shall be entitled to apply to Burman Et.Al for virtual completion of the work. The consultant shall within seven (7) days of the receipt of the application for virtual completion certificate (VCC), issue a VCC in respect of the work for which the VCC has been applied.

31.0 When Contract can be determined

Subject to other provisions contained in this clause, the Institute may, without prejudice to his any other rights or remedy against the consultant in respect of any delay, inferior workmanship, any claims for damages and / or any other provisions of this contract or otherwise, and whether the date of completion has or has not elapsed, by notice in writing absolutely determine the contract in any of the cases.

32.0 Suspension of work

i) The consultant shall, on receipt of the order in writing of the Institute (whose decision shall be final and binding on the consultant) suspend the progress of works or any part thereof for such time and in such manner as the Institute / Consultant may consider necessary so as not cause any damage or injury to the work already done or endanger the safety thereof for any of following reasons.

- a) On account any default on the part of the consultant, or

THE INSTITUTE OF COST ACCOUNTANTS OF INDIA

(STATUTORY BODY UNDER AN ACT OF PARLIAMENT)

CMA BHAWAN, 3 INSTITUTIONAL AREA, LODI ROAD, N.D.-110003

HQ – 12, SUDDER STREET, KOLKATA – 700 016

Website : www.icmai.in

b) For safety of the works or part thereof.

c) The consultant shall, during such suspension, properly protect and secure the works to the extent necessary and carry out the instructions given in that behalf by the Institute.

33.0 Foreclosure of contract due to abandonment or reduction in scope of work

If at any time after acceptance of the tender, the Institute decides to abandon or reduce the scope of the work for any reason whatsoever and does not require the whole or any part of the works to be carried out, the Institute shall give notice in writing to that effect to the consultant and the consultant shall act accordingly in the matter. The consultant shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the works.

34.0 Cancellation of contract in full or part

If consultant:

i. at any time makes default in proceeding with the works or any part of the work with the due diligence and continues to do so after a notice in writing of 7 days from the Institute; or

ii. commits default to complying with any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Institute or

iii. fails to complete the work, on or before the stipulated date of completion, and does not complete them within the period specified in a notice given in writing in that behalf by the Institute or

The Institute may, without prejudice to any other right or remedy which shall have accrued or shall accrue hereafter to Institute, by a notice in writing to cancel the contract as whole or only such items of work in default from the Contract.

Institute Representative shall on such cancellation by the Institute have powers to:

Take possession of the site and any materials etc. thereon; and / or carryout the incomplete work by any means at the risk and cost of the consultant.

On cancellation of the contract in full or in part, the Institute through Institute Representative shall determine what amount, if any, is recoverable from the consultant for completion of the works or part of the works or in case the works or part of the works is not to be completed, the loss or damage suffered by Institute. In determining the amount, credit shall be given to the consultant for the value of the work executed by him up to the time of cancellation, the value of consultant's materials taken over and incorporated in the work and use of plant and machinery belonging to the consultant.

Any excess expenditure incurred or to be incurred by Institute in completing the works or part of the works or the excess loss or damages suffered or may be suffered by Institute as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to Institute in law be recovered from any moneys due to the consultant on any account, and if such moneys are not sufficient the consultant shall be called upon in writing and shall be liable to pay the same within 30 days.

If the consultant shall fail to pay the required sum within the aforesaid period of 30 days, the Institute shall have the right to sell any or all of the consultants' unused materials etc. and apply the proceeds of sale thereof towards the satisfaction of any sums due from the consultant under the contract and if

HQ – 12, SUDDER STREET, KOLKATA – 700 016

Website : www.icmai.in

thereafter there be any balance outstanding from the consultant, it shall be recovered in accordance with the provisions of the contract.

Any sums in excess of the amounts due to Institute and unsold materials etc., shall be returned to the consultant, provided always that if cost or anticipated cost of completion by Institute of the works or part of the works is less than the amount which the consultant would have been paid had he completed the works or part of the works, such benefit shall not accrue to the consultant.

35.0 Settlement of Disputes

35.1 All disputes regarding interpretation of the contents of the Agreement or its implementation shall be resolved by Mutual discussion/reconciliation in good faith by the Agency and the Institute.

35.2 The Agreement shall be governed by the Law of India for the time being in force and subject to exclusive jurisdiction of Court at Delhi.

36.0 Force Majeure

36.1 Neither consultant nor INSTITUTE shall be considered in default in performance of their obligations if such performance is prevented or delayed by events such as war, hostilities revolution, riots, civil commotion, strikes, lockout, conflagrations, epidemics, accidents, fire, storms, floods, droughts, earthquakes or ordinances or any act of God or for any other cause beyond the reasonable control of the party affected or prevented or delayed. However, a notice is required to be given within 30 days from the happening of the event with complete details, to the other party to the contract, if it is not possible to serve a notice, within the shortest possible period without delay.

36.2 As soon as the cause of force majeure has been removed, the party whose ability to perform its obligations has been affected, shall notify the other of such cessation and the actual delay incurred in such affected activity adducing necessary evidence in support thereof.

36.3 From the date of occurrence of a case of force majeure, obligations of the party affected shall be suspended during the continuance of any inability so caused. With the cause itself and inability resulting there from having been removed, the agreed time of completion of the respective obligations under this agreement shall stand extended by a period equal to the period of delay occasioned by such events.

36.4 Should one or both parties be prevented from fulfilling the contractual obligations by a state of force majeure lasting to a period of 6 months or more, the two parties shall mutually decide regarding the future execution of this contract.

37.0 Peaceful handing over of the premises

It shall be the responsibility of the consultant to see that the premises under furnishing is not occupied by anybody unauthorized during execution of work and is handed over to the Institute with vacant possession of complete furnishing.

38.0 Consultant liable for damages, defects

If the consultant or his working people or servants shall break, deface, injure or destroy any part of building in which they may be working, or any building, enclosure, water pipe, cables, drains, electric or telephone post or wires, contiguous to the premises on which the work or any part is being executed, or if any damage shall happen to the work while in progress, from any cause whatever or if any defect, shrinkage or other faults appear in the work within 6 months of issue of virtual completion certificate arising out of defect or improper materials or workmanship, the consultant shall, upon receipt of a notice in writing on that behalf, make the same good at his own expense or in default, the Institute

Website : www.icmai.in

cause the same to be made good by other workmen and deduct the expense from any sums that may be due or at any time thereafter may become due to the consultant, or from his security deposit.

39.0 Accidents

The consultant shall immediately on occurrence of any accident at or about the site or in connection with the execution of the work report such accident to the Institute. The consultant shall also report such accident immediately to the competent authority whenever such report is required to be lodged by the law and take appropriate actions thereof.

SPECIAL CONDITIONS AND STANDARD SPECIFICATIONS:

1.0 Name of work: “**Consultancy and conducting of Structural Audit, Non-Destructive Test of CMA Bhawan, CMA Bhawan, New Delhi**”.

2.0 GENERAL.

2.1 The rates quoted by the Consultant/s shall be all inclusive through rates. The consultant within the rates quoted prepare working plan for NDT and get the same approved from Burman Et.Al before execution. This will determine the final scope of work at the site. No leads/lifts, loading/unloading, handling, re- handling, stacking at site, toll tax, octroi, sales tax, VAT and royalty or any other charges levied or leviable by the State Government or Local Bodies shall be paid by the INSTITUTE. The rates quoted shall be inclusive of all scaffolding, hoists, hoisting equipment’s, tools, equipment’s, testing equipment’s etc., required for the smooth execution and completion of the work.

2.2 The consultant will remove all surplus and release material from the site of work after NDT to avoid any hindrance/inconvenience to other agencies working in the adjoining area. The consultant will also, at the direction of the site in charge, re-handle his material in use or likely to be used in future to relocate the same to avoid any inconvenience to other agencies working in the adjoining area.

In case of default, INSTITUTE may get the work done at the cost of the consultant by giving him 48 hours “notice in normal case or without any notice in case of an emergency, which is causing complaints from flat/apartment occupant, and recover such costs from any payment due to the Consultants.

2.3 In case of any dispute regarding interpretation of any of the Special Condition of Contract, decision of the INSTITUTE will be final and binding on the consultant/s.

ADDITIONAL TERMS AND CONDITIONS

i. Completion Period – 120 days for conducting the Structural audit as per the scope and submission of detailed report of observations and recommendations along with submission of detailed tender documents.

ii. Payment - The payments for the Consultancy and NDT will be made in phased manner as indicated it page no 8 point No. 6(v) after verification of completion at various stages by M/s Burman Et.Al.

iii. All the Audit reports will have to be provided in triplicate in hard as well as soft copy.

iv. Since this is an old building, INSTITUTE will not be able to provide all Drawings & Documents related to the buildings. All the necessary work related for job completion shall be in the scope of the Consultants.

v. All the necessary tools, tackles, instruments, material required for completion of audit shall be part of the scope of work.

THE ENTIRE JOB SHALL BE CARRIED OUT AS PER THE TERMS AND CONDITIONS STIPULATED IN THE TENDER AND INSTRUCTIONS OF INSTITUTE REPRESENTATIVE.
