Dear Professional Colleagues,

I express my sincere gratitude to all of you for your valuable guidance, support and cooperation to consolidate the efforts of the Council to have proper recognition of the profession in general to serve the national interest and for strengthening competencies of Indian industries in particular.

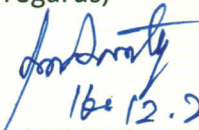

You will be pleased to note that after several rounds of discussion and considering the suggestions from various corners, the Council finalised the attached documents and filed the suggestions on draft Rules on the website of the Ministry, followed by hard copies by Speed Post to MCA within the scheduled date.

The Council is in the process of finalising the next course of action on the matter. I sincerely look forward to your active support in creating wider awareness on the relevance of Cost Accounting, Cost Management, authenticity of Cost Information for Policy Decisions and Cost Audit in the interest of the Industry, Regulators, Government and overall public interest.

I am sure that the other opportunities for CMA Profession such as Internal Audit, Valuation, Indirect Taxes etc. will be grabbed by the members to contribute to the growth of the Indian Economy to ensure equity with their professional skills.

I sincerely wish all of you and your family & friends Merry Christmas and an eventful New Year 2014.

With best regards,
