Institute of Actuaries of India – Relaxation on Admission Criteria

**To
The Members,
The Institute of Cost Accountants of India**

The Institute of Actuaries of India (IAI) is the sole professional body of Actuaries in India. IAI was established under The Actuaries Act 2006 (35 of 2006) for regulating and development of profession of Actuaries in India. The roots of the Profession dates to 1944 when then Actuarial Society of India was registered under the Societies Registration Act, 1860.

An actuary is a business professional who deals with the financial impact of risk and uncertainty. Actuarial qualification is globally accepted by organisations and other actuarial bodies.

Institute of Actuaries of India has enhanced the criteria of Student Membership Admission.

Fully qualified members from the Institute of Cost Accountants of India can now directly apply for Admissions without appearing for the ACET entrance examination.
