About the Institute

The Institute of Cost Accountants of India (erstwhile The Institute of Cost and Works Accountants of India) is a Statutory Body established under an Act of Parliament (viz., the Cost and Works Accountants Act, 1959) is performing a distinct role in maintaining governance system in the country's economy, ensuring transparency, proper disclosure and social security for consumers at large besides regulating the profession of cost and management accountancy. Our professionals are statutorily recognized as "Cost and Management Accountants (CMAs)". The Institute is a member of the International Federation of Accountants (IFAC), the Confederation of Asian & Pacific Accountants (CAPA) and the South Asian Federation of Accountants (SAFA).

Objective of the Train the Trainers on GST Program

The Goods & Services Tax (GST), is the much awaited revolutionary tax reform in India since independence. GST Law would upon implementation would make One Nation, One Tax. We are confident that the GST would bring about transparency, governance besides ensuring greater degree of ease of doing business in India and boost the pace of economic growth and development.

We take this opportunity to enrich our Professionals through 'Capacity Building' exercise. The Taxation Committee of the Institute considers it appropriate to conduct Train the Trainers Program on GST Law in India. In this age of transformation and going ahead, Institute desires to enrich the Professionals, who would in turn, would represent the Institute for knowledge dissemination across the country on GST Law and also participate in developing relations with the Revenue Officials across the country. The Trainers are expected to lead the process of educating professionals down the line and stakeholders related for smooth roll-out of GST and its adoption by tax-stakeholders.
