**Subject: Request for extension of Date of Filing CRA-4 (Cost Audit Report in XBRL format)**

Dear Sir,

Greetings from the Institute of Cost Accountants of India;

We are thankful to you for releasing the XBRL Costing Taxonomy 2019 and the validation tool version 3.1 and also taking immediate action to resolve the queries of the members with regard to the filing of CRA-4 in XBRL Taxonomy 2019.

We wish to bring to your kind notice that the Institute has been receiving requests from the stakeholders to extend the last date of filing of form CRA-4 in XBRL format due to the following reasons:

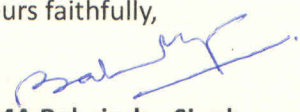

1. The last date of filing for CRA-4 was extended upto 31<sup>st</sup> December 2019 vide MCA circular dated 24<sup>th</sup> October 2019 while the said Costing Taxonomy 2019 was issued by the MCA on 4<sup>th</sup> December 2019 and the Revised Validation Tool 3.1 on 18<sup>th</sup> December 2019 **giving very less time to the companies for filing the CRA-4 within the last date of 31<sup>st</sup> December 2019.**
2. Further the internet services in many areas of the country have been disrupted due to the ongoing agitation, **compelling the stakeholders postponing the filing of Form CRA-4.**

In view of the above, we request you to consider extending the last date of filing of CRA-4 in XBRL Format for the year 2018-19 using the Costing Taxonomy 2019 suitably.

We look forward to receive a positive response from you in this regard.

Thanking You,

Yours faithfully,

  
**CMA Balwinder Singh**  
President
