'Behind Every Successful Business Decision there is always a CMA'

PRESIDENT'S MESSAGE - CMA PRAMOD KUMAR VITHALDASJI BHATTAD

Dear Professionals,

The Management Accountants play a vital role in the overall growth of any organization. The fact that majority of CMAs are occupying senior level position, both in public and private sector would amply substantiate my thoughts. The CMAs managing the affairs of the corporate do encounter various challenges both statutory, as well as strategic. The Institute as a custodian of CMA Profession has always been playing a big role in not only converting the students to CMAs but initiating continuous efforts to update the professional knowledge of CMAs to increase the sustainability of the organization.

I am happy to be part of the first Annual Conclave of Members in Industry. This is first ever programme wherein the professionals from different industries would assemble at one place to discuss and deliberate on the theme 'Sustainability for inclusive growth'. I am sure this will go a long way in honing the skills of Management Accounting Professionals to face further challenges in their Professional domain for the growth of their organizations.

Look forward to meeting you in the GOD's own country - Kerala.
