8. The Government has planned the strategic disinvestment of State Road Transportation Corporation in a phased manner by allowing some private companies to ferry buses on marked routes. The outraged workers have called for a strike against the move. You are the head of the workers union of the transport corporation. In a meeting with State officials, they have informed you about the circumstances of inefficiency, corruption and deteriorating quality of service to commuters. You have also presented the worker’s viewpoint and their complaints of low pay scale and non-payment of salaries from the past few months. A deadlock has occurred between the two parties where no-side is willing to lose. To break the deadlock, the officials offer you a bribe and other perks to comply with the decision of privatisation in a phased manner. State transport services are in a state of peril and there is a huge outcry among the common masses.
- Identify the moral dilemma faced.
  - Analyse your role and duties, also suggest the course of action. [14]
