The Act currently does not define the term “liable to tax” though this term is used in sec. 6, in sec. 10(23FE) and various agreements entered into u/s 90 or 90A. Hence, sec. 2(29A) has been inserted to provide its definition. The term “liable to tax” in relation to a person means that there is a liability of tax on that person under the law of any country and will include a case where subsequent to imposition of such tax liability, an exemption has been provided.

### **Residential Status**

An individual is said to be a resident in India, if he satisfies *any one* of the following conditions -

- He is in India in the previous year for a period of *182 days or more* [Sec. 6(1)(a)]; **or**
- He is in India for a period of 60 days or more during the previous year and for 365 or more days during 4 previous years immediately preceding the relevant previous year [Sec. 6(1)(c)]

However, in case (among other) of an individual being an Indian citizen or a person of Indian origin comes on a visit to India during the previous year, the period of 60 days referred to in (ii) criteria has been extended to 182 days. Now the said exception has been amended as follow:

- In case of an Indian citizen or a person of Indian origin comes on a visit to India during the previous year, modified *condition (ii) of sec. 6(1)* is applicable:

<b>Case</b>	<b>Modified condition (ii) of sec. 6(1)</b>

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

- d. He is not liable to tax in any other country or territory by reason of his domicile or residence or any other criteria of similar nature.

### Taxpoint:

- However, if such individual has satisfied either of the basic conditions, then he shall be treated as resident in India u/s 6(1).
- Further note that the exception is not applicable in case of foreign citizen even if he is a person of Indian origin.
- If these conditions are satisfied, then such individual shall be deemed as resident irrespective of number of days of his stay in India.

In case of NRIs and foreign nationals who was stranded in India due to Covid 19, the Government has assured that their stay in the country during the period will not be counted for the purpose of determining their residency status for taxation purpose.

### **Deferring Significant Economic Presence (SEP) proposal, Extending source rule, Aligning exemption from taxability of Foreign Portfolio Investors (FPIs), on account of indirect transfer of assets, with amended scheme of SEBI [Sec. 9(1)(i)]**

Sec. 9(1)(i) creates a legal fiction that following incomes shall be deemed to accrue or arise in India.

“all income accruing or arising, whether directly or indirectly, through or from any business connection in India, or through or from any property in India, or through or from any asset or source of income in India, or through the transfer of a capital asset situate in India.”

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

---

Finance Act, 2018, inter alia, inserted Explanation 2A to said clause so as to clarify that the “significant economic presence” (SEP) of a non-resident in India shall constitute "business connection" in India and SEP for this purpose, shall mean:

- (a) transaction in respect of any goods, services or property carried out by a non-resident in India including provision of download of data or software in India, if the aggregate of payments arising from such transaction or transactions during the previous year exceeds such amount as may be prescribed; or
- (b) systematic and continuous soliciting of business activities or engaging in interaction with such number of users as may be prescribed, in India through digital means.

Said Explanation further provided that the transactions or activities shall constitute significant economic presence in India, whether or not, the agreement for such transactions or activities is entered in India; or the non-resident has a residence or place of business in India; or the non-resident renders services in India. It was also provided that only so much of income as is attributable to the transactions or activities mentioned at para 2(a) and (b) shall be deemed to accrue or arise in India.

Therefore, for the purposes of determining SEP of a non-resident in India, threshold for the aggregate amount of payments arising from the specified transactions and for the number of users were required to be prescribed in the Rules. However, since discussion on this issue is still going on in G20-OECD BEPS project, these numbers have not been notified yet. G20-OECD report is expected by the end of December 2020. In the circumstances, it is proposed to defer the applicability of SEP to starting from assessment year 2022-23. Certain drafting changes have also been made while deferring the proposal.

The current SEP provisions shall be omitted from assessment year 2021-22 and the new provisions will take effect from 1st April, 2022 and will, accordingly, apply in relation to the assessment year 2022-23 and subsequent assessment years.

Further, as per the discussion going on in international forum, countries generally agree that income from advertisement that targets Indian customers or income from sale of data collected from India or income from sale of goods and services using such data collected from India, needs to be accounted for in Indian revenue. Hence, it is amended the source rule to clarify this position.

This amendment will apply in relation to the assessment year 2021-22 and subsequent assessment years. However, for attribution of income related to SEP transaction or activities the amendment will take effect from 1st April, 2022 and will, accordingly, apply in relation to the assessment year 2022-23 and subsequent assessment years.

Further, the Finance Act, 2012, inter alia, had inserted Explanation 5 to clarify that an asset or capital asset being any share or interest in a company or entity registered or incorporated outside India shall be deemed to be and shall always be deemed to have been situated in India if the share or interest derives, directly or indirectly, its value substantially from the assets located in India. Second proviso to said Explanation, inserted through the Finance Act, 2017, provides that the Explanation shall not apply to an asset or capital asset, which is held by a non-resident by way of investment, directly or indirectly, in Category-I or Category-II foreign portfolio investor under the Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2014 [SEBI (FPI) Regulations, 2014]

Vide Gazette Notification No. SEBI/LAD-NRO/GN/2019/36, SEBI has notified Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2019 [SEBI (FPI) Regulations, 2019] and repealed the SEBI (FPI) Regulations, 2014. The difference between these two regulations pertinent in the present context is that the SEBI has done away with the broad basing criteria for the purposes of categorization of portfolios and has reduced the categories from three to two. In view of the same, necessary modification has been made in the proviso so inserted. Hence, it is amended so as to provide that the exception from said Explanation 5 provided to an asset or a capital asset, held by a non-resident by way of investment in erstwhile Category I and II FPIs under the SEBI (FPI) Regulations,

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

---

2014 may be grandfathered. Further, similar exception may be provided in respect of investment in Category-I FPI under the SEBI (FPI) Regulations, 2019.

### **Amendment to sec. 9(1)(vi)**

Sec. 9(1)(vi) deems certain income by way of royalty to accrue or arise in India. Explanation 2 defines the term “royalty” to, inter alia, mean the transfer of all or any rights (including the granting of a licence) in respect of any copyright, literary, artistic or scientific work including films or video tapes for use in connection with television or tapes for use in connection with radio broadcasting, but not including consideration for the sale, distribution or exhibition of cinematographic films.

Due to exclusion of consideration for the sale, distribution or exhibition of cinematographic films from the definition of royalty, such royalty is not taxable in India even if the DTAA gives India the right to tax such royalty. Such a situation is discriminatory against Indian residents, since India is foregoing its right to tax royalty in case of a non-resident from another country without that other country offering similar concession to Indian resident.

Hence, the definition of royalty has been amended so as not to exclude consideration for the sale, distribution or exhibition of cinematographic films from its meaning.

### **Modification in conditions for offshore funds’ exemption from “business connection” [Sec. 9A]**

Sec. 9A provides for a special regime in respect of offshore funds by providing them exemption from creating a “business connection” in India on fulfilment of certain conditions. It provides that in the case of an eligible investment fund, the fund management activity carried out through an eligible fund manager acting on behalf of such fund shall not constitute business connection in India of the said fund. Further, an eligible investment fund shall not be said to be resident in India merely because the eligible fund manager undertaking fund management activities on its behalf is located in India. The benefit u/s 9A is available subject to the certain conditions. Sec. 9A(3) provides the conditions for eligibility of the fund.

One of the conditions for eligibility of the fund requires that the aggregate participation or investment in the fund, directly or indirectly, by persons resident in India does not exceed 5% of the corpus of the fund. Representations have been made in this regard stating that this condition is difficult to comply with in the initial years for the reason that eligible fund manager, who is resident in India, is required to invest his money as “skin in the game” to create reputation to attract investment.

One other condition for eligibility of the fund requires that the monthly average of the corpus of the fund shall not be less than ₹ 100 crore rupees except where the fund has been established or incorporated in the previous year in which case, the corpus of fund shall not be less than ₹ 100 crore rupees at the end of a period of 6 months from the last day of the month of its establishment or incorporation, or at the end of such previous year, whichever is later. This condition does not apply in a case where the fund has been wound up. Representations have been made in this regard stating that as per this condition, the period for fulfilling the requirement of monthly average of the corpus of one hundred crore rupees ranges from six months to eighteen months, in so far as the fund established or incorporated on last day of the financial year would get 6 months and the fund established or incorporated on first day of the financial year would get 18 months. It has been stated that this results in anomaly as certain funds due to its date of establishment and incorporation get favoured or discriminated against.

Accordingly, sec. 9A has been amended to relax these two conditions so as to provide that:

(i) for the purpose of calculation of the aggregate participation or investment in the fund, directly or indirectly, by Indian resident, contribution of the eligible fund manager during first three years up to ₹ 25 crore rupees shall not be accounted for; and

## SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16

(ii) if the fund has been established or incorporated in the previous year, the condition of monthly average of the corpus of the fund to be at ₹ 100 crore rupees shall be fulfilled within 12 months from the last day of the month of its establishment or incorporation.

### Exemption for LTC Cash Scheme

Special cash package equivalent in lieu of Leave Travel Concession Fare for Central Government Employees during the Block 2018-21 [Office Memorandum F.No. 12(2)/2020-EII(A) dated 12/10/2020]

1. In view of Covid 19 pandemic and resultant nationwide lockdown as well as disruption of transport and hospitality sector, as also the need for observing social distancing, a number of Central Government employees are not in a position to avail themselves of LTC for travel to any place in India or their Hometowns in the current Block of 2018-21.
2. With a view to compensate and incentivise consumption by Central Government employees thereby giving a boost to consumption expenditure, it has been decided that cash equivalent of LTC, comprising Leave Encashment and LTC fare of the entitled LTC may be paid by way of

## SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16

reimbursement, if an employee opts for this in lieu of one LTC in the Block of 2018-21 subject to the following conditions:-

- The employee spends the money of a larger sum than the entitlement on account of LTC on actual expenditure.
- Cash equivalent of full leave encashment will be allowed, provided the employee spends an equal sum. This will be counted towards the number of leave encashment on LTC available to an employee.
- The deemed LTC fare for this purpose is given below :-

Category of employees	Deemed LTC fare per person (Round Trip)
Employees who are entitled to business class of airfare	Rs. 36,000
Employees who are entitled to economy class of airfare	Rs. 20,000
Employees who are entitled to Rail fare of any class	Rs. 6,000

- The cash equivalent may be allowed if the employee spends a sum **3 times** of the value of the fare given above.
- The amount both on account of leave encashment and fare shall be admissible if the employee spends
  - an amount equal to the value of leave encashment and;
  - an amount 3 times of the cash equivalent of deemed fare, as given above on purchase of such items / availing of such services which carry a GST rate of not less than 12% from GST registered vendors / service providers through digital mode and obtains a voucher indicating the GST number and the amount of GST paid.
- The admissible payment shall be restricted to the full value of the package [leave encashment as admissible for LTC and deemed fare] or depending upon the spending as per following example:

### Example

Pay of an employee: ₹ 1,38,500 and has family of 4 eligible for economy class air travel.

Leave Encashment = (₹ 1,38,500 x 1.17) / 30 = ₹ 54,015

Fare Value = ₹ 20,000 x 4 = ₹ 80,000

Total Value = ₹ 1,34,015

Amount to be spend for full cash benefit = ₹ 54,015 + ₹ 2,40,000 (i.e., 3 times of air fare) = ₹ 2,94,015

(a) Share of Leave Encashment in total = (₹ 54,015 x 100) / ₹ 2,94,015 = 18%

(b) Share of fare in total = (₹ 80,000 x 100) / ₹ 2,94,015 = 27%

Thus, if an employee spends ₹ 2,94,015 or above, he will be allowed cash amount of ₹ 1,34,015

If the employee spends ₹ 2,40,000 only, then he may be allowed 18% on account of leave encashment (i.e., ₹ 43,200) and 27% on account of fare value (i.e., ₹ 64,800). The total amount payable shall be ₹ 1,08,000.

- While TDS is applicable in the case of leave encashment, since the cash reimbursement of LTC fare is in lieu of deemed actual travel, the same shall be allowed exemption on the lines of existing income-tax exemption available to LTC fare. The legislative amendment to the provisions of the Income-Tax Act, 1961 for this purpose shall be proposed in the due course. Hence, TDS shall not be required to be deducted on the reimbursement of deemed LTC fare.
3. Head of the Departments / DDOs may make reimbursement under this package as per the details given above on receipt of invoices of purchases made / services availed during the period post the issuance of this order from the employees who are desirous to avail this package. **It may be**

## SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16

**noted that in order to avail this package an employee should opt for both leave encashment and LTC fare.**

4. An amount upto 100% of leave encashment and 50% of the value of deemed fare may be paid as advance into the bank account of the employee which shall be settled based on production of receipts towards purchase and availing of goods and services as given in Para 2(e). The claims under this package (with or without advance) are to be made and settled within the current financial year. Non-utilization / under-utilization of advance is to be accounted for by the DDOs in accordance with the extant provisions relating to LTC advance i.e. immediate recovery of full advance in the case of non-utilisation and recovery of unutilized portion of the advance with penal interest.
5. These orders will take effect from the date of issuance of this Office Memorandum and will be in force during the current financial year till 31<sup>st</sup> March, 2021.

### **Deemed LTC fare to non-Central Government employees [Press Release dated 29/10/2020]**

The payment of cash allowance, subject to maximum of ₹ 36,000 per person as Deemed LTC fare per person (Round Trip) to non-Central Government employees, shall be allowed income-tax exemption subject to fulfilment of following conditions:

- a. The employee exercises an option for the deemed LTC fare in lieu of the applicable LTC in the Block year 2018-21.
- b. The employee spends a sum equals to 3 times of the value of the deemed LTC fare on purchase of goods / services which carry a GST rate of not less than 12% from GST registered vendors / service providers ('the specified expenditure') through digital mode during the period from the 12th of October, 2020 to 31st of March, 2021 ('specified period') and obtains a voucher indicating the GST number and the amount of GST paid.
- c. An employee who spends less than 3 times of the deemed LTC fare on specified expenditure during the specified period shall not be entitled to receive full amount of deemed LTC fare and the related income-tax exemption and the amount of both shall be reduced proportionately as explained in following example:

#### **Example**

Deemed LTC Fare : ₹ 20,000 x 4 = ₹ 80,000

Amount to be spent : ₹ 80,000 x 3 = ₹ 2,40,000

Thus, if an employee spends ₹ 2,40,000 or above on specified expenditure, he shall be entitled for full deemed LTC fare and the related income-tax exemption. However, if the employee spends ₹ 1,80,000 only, then he shall be entitled for 75% (i.e. ₹ 60,000) of deemed LTC fare and the related income-tax exemption. In case the employee already received ₹ 80,000 from employer in advance, he has to refund ₹ 20,000 to the employer as he could spend only 75% of the required amount.

The DDOs shall allow income-tax exemption subject to fulfilment of the above conditions after obtaining copies of invoices of specified expenditure incurred during the specified period. Further, as this exemption is in lieu of the exemption provided for LTC fare, an employee who has exercised an option to pay income tax under concessional tax regime u/s 115BAC shall not be entitled for this exemption.

In order to further rationalise the provisions relating to start-ups, it is amended to provide that:

### Double Taxation Avoidance Agreement

#### **Agreement with foreign countries [Sec. 90] [Bilateral Relief]**

Sec. 90 empowers the Central Government to enter into agreement with foreign countries or specified territories (commonly known as DTAAs) for,-

- a. granting relief in respect of —
  - i. income on which tax has been paid both, in India and that foreign country or territory, or
  - ii. income-tax chargeable under the laws of both, India and that foreign country or territory, to promote mutual economic relations, trade and investment.
- b. avoidance of double taxation of income under the laws of both, India and that foreign country or territory,
- c. exchange of information for prevention of evasion or avoidance of income-tax chargeable under the laws of both India and that foreign country or territory, or investigation of cases of such evasion or avoidance, or
- d. recovery of income-tax under the laws of both India and that foreign country or territory.

Sec. 90A contains provision similar to sec. 90 so as to empower the Central Government to adopt and implement an agreement between a specified association in India and any specified association in specified territory outside India for granting relief, avoidance of double taxation, exchange of information and recovery of income-tax.

India has signed the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting (commonly referred to as MLI) along with representatives of many countries, which has since been ratified. India has since deposited the Instrument of Ratification to OECD, Paris along with its Final Position in terms of Covered Tax Agreements (CTAs), Reservations, Options and Notifications under the MLI, as a result of which MLI has entered into force for India on 01-10-2019 and its provisions will be applicable on India's DTAAs from FY 2020-21 onwards.

The MLI is an outcome of the G20-OECD project to tackle Base Erosion and Profit Shifting (the BEPS Project), i.e. tax planning strategies that exploit gaps and mismatches in tax rules to artificially shift profits to low or no-tax locations where there is little or no economic activity, resulting in little or no overall corporate tax being paid. The MLI will modify India's DTAAs to curb revenue loss through treaty abuse and base erosion and profit shifting strategies by ensuring that profits are taxed where substantive economic activities generating the profits are carried out. The MLI will be applied alongside existing DTAAs, modifying their application in order to implement the BEPS measures.

Article 6 of MLI provides for modification of the Covered Tax Agreement to include the following preamble text:

*“Intending to eliminate double taxation with respect to the taxes covered by this agreement without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in this agreement for the indirect benefit of residents of third jurisdictions),”*

In order to achieve this, sec. 90(1) has been amended so as to provide that the Central Government may enter into an agreement with the Government of any country outside India or specified territory outside India for, inter alia, the avoidance of double taxation of income under the Act and under the corresponding law in force in that country or specified territory, as the case may be, without creating

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in this agreement for the indirect benefit of residents of any other country or territory).

Similar amendment has also been made in sec. 90A

### **Safe Harbour Rules and Advance Pricing Agreement**

Sec. 92CB empowers the CBDT for making safe harbour rules (SHR) to which the determination of the arm's length price (ALP) u/s 92C or sec. 92CA. "Safe Harbour" means circumstances in which the Income-tax Authority shall accept the transfer price declared by the assessee. This section was inserted in the Act to reduce the number of transfer pricing audits and prolonged disputes especially in case of relatively smaller assessees. Besides reduction of disputes, the SHR provides certainty as well.

Further, sec. 92CC empowers the Board to enter into an advance pricing agreement (APA) with any person, determining the ALP or specifying the manner in which the ALP is to be determined, in relation to an international transaction to be entered into by that person. APA provides tax certainty in determination of ALP for five future years as well as for four earlier years (Rollback).

The attribution of profits to the PE of a non-resident u/s 9(1)(i) in accordance with rule 10 also results in avoidable disputes in a number of cases. In order to provide certainty, the attribution of income in case of a non-resident person to the PE has been covered under the provisions of the SHR and the APA.

Similarly, amended provision of sec. 92CC provides that the Board with the approval of the Central Government, may enter into an advance pricing agreement with any person, for determining:

- a. arm's length price or specify the manner in which the arm's length price shall be determined in relation to the international transaction entered into by the person;
- b. income referred to in sec. 9(1)(i), or specifying the manner in which the said income is to be determined, as is reasonably attributable to the operations carried out in India by or on behalf of that person, being a non-resident.

### **Thin Capitalisation**

Sec. 94B, inter alia, provides that deductible interest or similar expenses exceeding ₹ 1 crore of an Indian company, or a permanent establishment (PE) of a foreign company, paid to the associated enterprises (AE) shall be restricted to 30% of its earnings before interest, taxes, depreciation and amortisation (EBITDA) or interest paid or payable to AE, whichever is less. Further, a loan is deemed to be from an AE, if an AE provides implicit or explicit guarantee in respect of that loan.

Provision of sec. 94B has been amended so as to provide that provisions of interest limitation would not apply to interest paid in respect of a debt issued by a lender which is a PE of a non-resident, being a person engaged in the business of banking, in India.

### **Non Resident**

#### **Tax on dividends, royalty and technical service fees in the case of foreign companies [Sec. 115A]**

While, the existing provisions of sec. 115A provide relief to non-residents from filing of return of income where the non-resident is not liable to pay tax other than the TDS which has been deducted on the dividend or interest income, the same relief has not been extended to non-residents whose total income consists only of the income by way of royalty or fee for technical services (FTS).

Now the provision has been amended in order to provide that a non-resident, shall not be required to file return of income if, -

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

- i. his or its total income consists of income as referred to in sec. 115A; and
- ii. the TDS on such income has been deducted under the provisions of Chapter XVII-B of the Act at the rates which are not lower than the prescribed rates u/s 115A.

Reference of sec. 115-O has been removed from sec. 115A, 115AC, 115ACA, 115AD and 115C.

### **Amendment to sec. 115AD**

The provision is also applicable to specified fund u/s 10(4D). Income [to the extent of income that is attributable to units held by non-resident (not being a permanent establishment of a non-resident in India)] received in respect of securities shall be taxable @ 10%.

## **Company Assessment**

### **Modification of concessional tax schemes for domestic companies u/s 115BAA and 115BAB**

Sec. 115BAA and 115BAB provides an option to domestic companies to be taxed at concessional tax rates provided they do not avail specified deductions and incentives. Some of the deductions prohibited are deductions under any provisions of Chapter VI-A under the heading “C. Deduction in respect of certain incomes” other than the provisions of sec. 80JJAA (and deduction u/s 80LA in case of sec. 115BAA).

Now the provisions of sec. 115BAA and sec. 115BAB has been amended to allow deduction u/s 80M.

### **Rationalisation of provisions of Minimum Alternate Tax (MAT)**

Sec. 115JB provides for MAT at the rate of 15% of its book profit, in case tax on the total income of a company computed under the provisions of the Act is less than the 15% of book profit. Book profit for this purpose is computed by making certain adjustments to the profit disclosed in the profit and loss account prepared by the company in accordance with the provisions of the Companies Act, 2013.

Representations were received that the computation of book profit u/s 115JB does not provide for any adjustment on account of additional income of past year(s) included in books of account of current year on account of secondary adjustment u/s 92CE or on account of an Advance Pricing Agreement (APA) entered with the taxpayer u/s 92CC. Representation has also been received that since dividend income is now taxable in the hand of shareholders, dividend received by a foreign company on its investment in India is required to be excluded for the purposes of calculation of book profit in case the tax payable on such dividend income is less than MAT liability on account of concessional tax rate provided in the Double Taxation Avoidance Agreement (DTAA). Hence it is amended:

(i) to provide that in cases where past year income is included in books of account during the previous year on account of an APA or a secondary adjustment, the Assessing Officer shall, on an application made to him in this behalf by the assessee, recompute the book profit of the past year(s) and tax payable, if any, during the previous year, in the prescribed manner. Further, the provision of sec. 154 shall apply so far as possible and the period of 4 years specified in sec. 154(7) shall be reckoned from the end of the financial year in which the said application is received by the Assessing Officer. The provision is applicable only if the assessee has not utilised the credit of tax paid under this section in any subsequent

## SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16

assessment year u/s 115JAA. Further, no interest shall be payable to such assessee on the refund arising on account of the provisions.

(ii) to provide similar treatment to dividend as already there for capital gains on transfer of securities, interest, royalty and Fee for Technical Services (FTS) in calculating book profit for the purposes of sec. 115JB, so that both specified dividend income and the expense claimed in respect thereof are reduced and added back, while computing book profit in case of foreign companies where such income is taxed at lower than MAT rate due to DTAA.

### Business Trust

#### Modification of definition [Sec. 2(13A)]

Sec. 2(13A) has been amended to modify the definition of “business trust” so as to do away with the requirement of the units of business trust to be listed on a recognised stock exchange.

Further, dividend income distributed by a special purpose vehicle to business trust shall be taxable in the hands of the unitholders.

### Alternate Minimum Tax

The provisions of sec. 115JC shall not apply to a person who has exercised the option referred to in sec. 115BAC or sec. 115BAD.

Further, the provision is not applicable to the specified fund referred to in clause (c) of the Explanation to sec. 10(4D).

### **Survey u/s 133A**

Under the existing provisions of sec. 133A, an income-tax authority as defined therein is empowered to conduct survey at the business premises of the assessee under his jurisdiction. The proviso to sec.133(6) has been amended to provide that:

- No action under this section shall be taken by an income-tax authority without the approval of the Principal Director General or the Director General or the Principal Chief Commissioner or the Chief Commissioner
  - The income-tax authority being a Principal Commissioner or Commissioner, a Principal Director or Director, a Joint Commissioner or Joint Director, an Assistant Director or a Deputy Director or an Assessing Officer, or a Tax Recovery Officer or Inspector (in some circumstances) who is subordinate to the Principal Director General of Income-tax (Investigation) or the Director General of Income-tax (Investigation) or the Principal Chief Commissioner of Income-tax (TDS) or the Chief Commissioner of Income-tax (TDS).

### **Return of Income & Assessment**

### **Due date of filing return of income [Exp. 2 to sec. 139(1)]**

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

Following amendments has been made in due date for filing return of income u/s 139(1):

- a. the due date for an assessee referred to in Explanation 2(a) of sec. 139(1) shall be 31<sup>st</sup> October of the assessment year (as against 30th September)
- b. the distinction between a working and a non-working partner of a firm with respect to the due date of filing return of income has been removed.

### **Extending due date for filing return of income in some cases, reducing time to file belated return and to revise original return and also to remove difficulty in cases of defective returns**

Sec. 139 contains provisions in respect of the filing of return of income for different persons or class of persons. The said section also provides the due dates for filing of original, belated and revised returns of income for different classes of assessee.

Sub-section (1) provides for the filing of original return of income for an assessment year. The Explanation 2 of the said section specifies the due-dates for filing of original return for different class of persons. It provides that the due date for filing of original return of income for the partner of a firm whose accounts are required to be audited shall be 31st day of October of the assessment year.

Sec. 5A provides for taxation of spouses governed by Portuguese Civil Code. On account of this provision any income earned by a partner of a firm whose accounts are required to be audited shall be apportioned between the spouses and included in their total income, if the section 5A applies to them.

Since the total income of a partner can be determined after the books of accounts of such firm have been finalised, the due dates of partners are already aligned with the due date of the firm. Thus, the due date for filing of original return of income of such partner is 31st October of the assessment year. However, this relaxation is not there for spouse of such partner to whom sec. 5A applies. Therefore, it is amended that the due date for the filing of original return of income be extended to 31st October of the assessment year in case of spouse of a partner of a firm whose accounts are required to be audited, if the provisions of section 5A applies to them.

Further, in the case of a firm which is required to furnish report from an accountant for entering into international transaction or specified domestic transaction, as per sec. 92E, the due date for filing of original return of income is the 30th November of the assessment year. Since the total income of such partner can be determined after the books of accounts of such firm have been finalised, it is provided that the due date of such partner be extended to 30th November of the assessment year.

Sub-sections (4) and (5) contain provisions relating to the filing of belated and revised returns of income respectively. The belated or revised returns could be filed before the end of the assessment year or before the completion of the assessment whichever is earlier. With the massive technological upgrade in the Department where the processes under the Act are moving towards becoming faceless and jurisdiction-less, the time taken to conduct and complete such processes has greatly reduced. Therefore, it is provided that the last date for filing of belated or revised returns of income, as the case may be, be reduced by 3 months. Thus, the belated return or revised return could now be filed 3 months before the end of the relevant assessment year or before the completion of the assessment, whichever is earlier.

Sub-section (9) lays down the procedure for curing a defective return. It provides that in case a return of income is found to be defective, the Assessing Officer will intimate the defect to the assessee and give

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

him a period of 15 days or more to rectify the said defect and if the defect is not rectified within the said period, the return shall be treated as an invalid return and the assessee will be considered to have never filed a return of income. The Explanation to the sub-section lists the conditions in which a certain return of income shall be considered to be defective. Representations have been received that the aforesaid conditions create difficulties for both the taxpayer and the Department, as a large number of returns become defective by application of the said conditions. This has resulted in a number of grievances. It has been represented that the conditions given in the said Explanation may be relaxed in genuine cases. Therefore, the Board, vide notification, may provide that any of the above conditions shall not apply for a class of assessee or shall apply with such modifications, as maybe specified in such notification.

### **Relaxation for certain category of senior citizen from filing return of income-tax**

Sec. 139(1) provides that every person being an individual, if his total income or the total income of any other person in respect of which he is assessable under this Act during the previous year exceeded the maximum amount which is not chargeable to income-tax, shall, on or before the due date, furnish a return of his income.

In order to provide relief to senior citizens who are of the age of 75 year or above and to reduce compliance for them, relaxation from filing the return of income, has been provided if the following conditions are satisfied:-

- (i) The senior citizen is resident in India and of the age of 75 or more during the previous year;
- (ii) He has pension income and no other income. However, in addition to such pension income he may have also have interest income from the same bank in which he is receiving his pension income;

Once the declaration is furnished, the specified bank would be required to compute the income of such senior citizen after giving effect to the deduction allowable under Chapter VI-A and rebate allowable u/s 87A, for the relevant assessment year and deduct income tax on the basis of rates in force. Once this is done, there will not be any requirement of furnishing return of income by such senior citizen for this assessment year.

### **Verification of the return of income and appearance of authorized representative [Sec. 140 and Sec. 288]**

Sec. 140 provides that in case of company the return is required to be verified by the managing director (MD) thereof. Where the MD is not able to verify for any unavoidable reason or where there is no MD, any director of the company can verify the return. It is also provided that in case of a company in whose case application for insolvency resolution process has been admitted by the Adjudicating Authority (AA) under the Insolvency and Bankruptcy Code, 2016 (IBC), the return has to be verified by the insolvency professional appointed by such AA. Similarly, in case of a limited liability partnership (LLP), the return has to be verified by the designated partner of the LLP or by any partner, in case there is no such designated partner.

Now the sec. 140 has been amended so as to enable any other person, as may be prescribed by the Board to verify the return of income in the cases of a company and a limited liability partnership.

Similar amendment has also been made in sec. 288

### **Rationalisation of the provision relating to processing of returned income and issuance of notice u/s 143(2)**

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

Provisions of sec. 143 has been amended to reduce the time limit for sending intimation from one year to 9 months from the end of the financial year in which the return was furnished.

Consequently, the time limit for service of notice u/s 143(2) has also been reduced from 6 months to 3 months from the end of the financial year in which the return is furnished.

### **New scheme for assessment [Sec. 143(3A)]**

- The scope of section has been extended to assessment u/s 144
- Further, it has also been provided that Central Government may issue any direction upto 31-03-2021.

### **Dispute Resolution Panel [Sec. 144C]**

Sec. 144C provides that in case of certain eligible assessee, viz., foreign companies and any person in whose case transfer pricing adjustments have been made u/s 92CA(3), the Assessing Officer (AO) is required to forward a draft assessment order to the eligible assessee, if he proposes to make any variation in the income or loss returned which is prejudicial to the interest of such assessee. Such eligible assessee with respect to such variation may file his objection to the DRP.

The provision has been amended to:-

- A. include cases, where the AO proposes to make any variation which is prejudicial to the interest of the assessee, within the ambit of sec. 144C;
- B. expand the scope of the said section by defining eligible assessee as a non-resident not being a company, or a foreign company.

Further, it has been provided that the Central Government may make a scheme for the purposes of issuance of directions by the dispute resolution panel, so as to impart greater efficiency, transparency and accountability by—

- a. eliminating the interface between the dispute resolution panel and the eligible assessee or any other person to the extent technologically feasible;
- b. optimising utilisation of the resources through economies of scale and functional specialisation;
- c. introducing a mechanism with dynamic jurisdiction for issuance of directions by dispute resolution panel.

The Central Government may, for the purpose of giving effect to the scheme, direct (upto 31-03-2022) that any of the provisions of this Act shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified.

Similar provision has been inserted in sec. 92CA for the purpose of determination of arm's length price.

### **Reduction of time limit for completing assessment**

Sec. 153 contains provisions in respect of time-limit for completion of assessment, reassessment and re-computation under the Act. It provides that the time-limit for passing an assessment order u/s 143 or 144 shall be 21 months from the end of the assessment year in which the income was first assessable. However, this time limit had earlier been curtailed in order to improve the efficacy and efficiency of the Department to give effect to computerization of processes under the Act. As a result, the time limit for completion of assessment proceedings u/s 143 or 144 was reduced to 18 months for A.Y. 2018-19 and 12 months for A.Y. 2019-20 and subsequent assessment years vide the Finance Act, 2017.

## SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16

Since then, the assessment procedure has been completely overhauled by the introduction of the Faceless Assessment Scheme, 2019. The assessment procedure is now conducted in a completely faceless and jurisdiction-less way where all internal and external communication is made electronically and different aspects of the assessment procedure like verification, scrutiny of books of accounts etc. are carried on by different units. The person-to-person interface between the taxpayer and the Department has been eliminated. This team-based approach for assessment with a dynamic jurisdiction is technologically driven and very efficient. Thus, the time required for completion of assessment procedure needs to be further reduced.

The benefits of shorter time period for scrutiny proceedings are manifold. On the one hand, it reduces the compliance burden on the taxpayers who find it easier to explain matters pertaining to a recent previous year which also improve the ease of doing business. On the other hand, it enhances the ability of the Department to detect and bring to tax any leakages of revenue as the instances of tax evasion come to the notice of the Department within a shorter span of time.

Hence, it has been amended that the time limit for completion of assessment proceedings may be reduced further by 3 months. Thus, the time for completing of assessment is 9 months from the end of the assessment year in which the income was first assessable, for the assessment year 2021-22 and subsequent assessment years.

### TDS and TCS

#### **Deferring TDS or tax payment in respect of income pertaining to Employee Stock Option Plan (ESOP) of start-ups [Sec. 156, 191 and 192]**

ESOPs have been a significant component of the compensation for the employees of start-ups, as it allows the founders and start-ups to employ highly talented employees at a relatively low salary amount with balance being made up via ESOPs. ESOPs are taxed as perquisites u/s 17(2) read with Rule 3(8)(iii) of the Rules. The taxation of ESOPs is split into two components:

- i. Tax on perquisite as income from salary at the time of exercise.
- ii. Tax on income from capital gain at the time of sale.

The tax on perquisite is required to be paid at the time of exercising of option which may lead to cash flow problem as this benefit of ESOP is in kind.

In order to ease the burden of payment of taxes by the employees of the eligible start-ups or TDS by the start-up employer, sec. 192 has been amended to clarify that for the purpose of deducting or paying tax, a person, being an eligible start-up referred to in sec. 80-IAC, responsible for paying any income to the assessee being perquisite of the nature specified in sec. 17(2)(vi), in any previous year, deduct or pay, as the case may be, tax on such income within 14 days:

- a. after the expiry of 48 months from the end of the relevant assessment year; or
- b. from the date of the sale of such specified security or sweat equity share by the assessee; or
- c. from the date of which the assessee ceases to be the employee of the person;

whichever is the earliest on the basis of rates in force of the financial year in which the said specified security or sweat equity share is allotted or transferred .

Similar amendments have been carried out in sec. 191 (for assessee to pay the tax direct in case of no TDS) and in sec. 156 (for notice of demand) and in sec. 140A (for calculating self-assessment).

### **Exemption of deduction of tax at source on payment of Dividend to business trust in whose hand dividend is exempt**

Sec. 194 provides for deduction of tax at source (TDS) on payment of dividends to a resident. The second proviso to this section provides that the provisions of this section shall not apply to such income credited or paid to certain insurance companies or insurers. Second proviso to sec. 194 has been amended to provide that the provisions of this section shall also not apply to such income credited or paid to a business trust by a special purpose vehicle or payment of dividend to any other person as may be notified.

### **Enlarging the scope for tax deduction on interest income u/s 194A**

Sec. 194A governs tax deduction on interest other than interest on securities. It provides that any person not being individual or HUF who is responsible for paying to a resident any income by way of interest other than income by way of interest on securities, shall deduct income-tax at the rates in force.

In order to extend the scope of this section to interest paid by large co-operative society, it is amended to provide that a co-operative society referred to in sub section (3)(v) or (viiia) shall be liable to deduct income-tax, if-

- a. the total sales, gross receipts or turnover of the co-operative society exceeds ₹ 50 crore during the financial year immediately preceding the financial year in which the interest is credited or paid; and
- b. the amount of interest, or the aggregate of the amount of such interest, credited or paid, or is likely to be credited or paid, during the financial year is more than ₹ 50,000 in case of payee being a senior citizen and ₹ 40,000, in any other case.

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

---

Further, an individual or a HUF, whose total sales, gross receipts or turnover from the business or profession carried on by him exceed ₹ 1 crore in case of business or ₹ 50 lakh in case of profession during the financial year immediately preceding the financial year in which such interest is credited or paid shall also be liable to deduct tax. Similar amended has also been made in sec. 194C, 194H, 194-I and 194J.

### **Amending definition of “work” in sec. 194C**

Sec. 194C of the Act provides for the deduction of tax on payments made to contractors. The section provides that any person responsible for paying any sum to a resident for carrying out any work (including supply of labour for carrying out any work) in pursuance of a contract shall at the time of such credit or at the time of payment whichever is earlier deduct an amount equal to 1% in case payment is made to an individual or an HUF and 2% in other cases. In the said section “work” includes manufacturing or supplying a product according to the requirement or specification of a customer by using material purchased from such customer. However, it excludes manufacturing or supplying a product according to the requirement or specification of a customer by using material purchased from a person, other than such customer.

Now the definition of “work” has been amended to provide that in a contract manufacturing, the raw material provided by the assessee or its associate shall fall within the purview of the ‘work’. Associate means a person who is placed similarly in relation to the customer as is the person placed in relation to the assessee u/s 40A(2)(b).

### **Reducing the rate of TDS on fees for technical services (other than professional services) u/s 194J**

Sec. 194J provides that any person, not being an individual or a HUF, who is responsible for paying to a resident any sum by way of fees for professional services, or fees for technical services, or any remuneration or fees or commission by whatever name called (other than those on which tax is deductible u/s 192, to a director), or royalty or any sum referred to in sec. 28(va), shall, at the time of payment or credit of such sum to the account of the payee, deduct an amount equal to 10% as income-tax.

Sec. 194C provides that any person responsible for paying any sum to a resident for carrying out any work (including supply of labour for carrying out any work) in pursuance of a contract shall at the time of payment or credit of such sum deduct an amount equal to 1% in case payment is made to an individual or a HUF and 2% in other cases.

It is noticed that there are large number of litigations on the issue of short deduction of tax treating assessee in default where the assessee deducts tax u/s 194C, while the tax officers claim that tax should have been deducted u/s 194J of the Act.

Therefore to reduce litigation, it has been amended to reduce rate for TDS in sec. 194J in case of fees for technical services (other than professional services) to 2% from existing 10%. The TDS rate in other cases u/s 194J would remain same at 10%.

### **Misc Provisions**

#### **Amendment to Sec. 295**

Sec. 295 has been amended so as to empower the Board for making rules to provide for the manner in which and the procedure by which the income shall be arrived at in the case of,-

- (i) operations carried out in India by a non-resident; and
- (ii) transaction or activities of a non-resident.

#### **Allowing deduction for amount disallowed u/s 43B, to insurance companies on payment basis [Rule 5 of First Schedule]**

Sec. 44 provides that computation of profits and gains of any business of insurance, including any such business carried on by a mutual insurance company or a co-operative society shall be computed in accordance with the rules contained in the First Schedule to the Act. Sec. 43B provides for allowance of certain deductions, irrespective of the previous year in which the liability to pay such sum was incurred by the assessee according to the method of accounting regularly employed by the assessee, only in the previous year in which such sum is actually paid.

Rule 5 of the said Schedule provides for computation of profits and gains of other insurance business. It states that profits and gains of any business of insurance other than life insurance shall be taken to be the profit before tax and appropriations as disclosed in the profit and loss account prepared in accordance with the provisions of the Insurance Act, 1938 or the rule made thereunder or the provisions of the Insurance Regulatory and Development Authority Act, 1999 or the regulations made thereunder, subject to the condition that any expenditure debited to the profit and loss account which is not admissible under the provisions of sec. 30 to 43B shall be added back; any gain or loss on realisation of investment shall be added or deducted, as the case may be, if the same is not credited or debited to the profit and loss account; any provision for diminution in the value of investment debited to the profit and loss account shall be added back. Thus, there is no specific provision, in this rule, in the case of other insurance companies, to allow deduction for any payment of certain expenses specified in sec. 43B if they are paid in subsequent previous year. There is a possibility that such sum may not be allowed as deduction in the previous year in which the payment is made.

Therefore, it is amended by inserting a proviso in the said rule 5 so as to provide that any sum payable by the assessee which is added back u/s 43B shall be allowed as deduction in computing the income under the rule in the previous year in which such sum is actually paid.

This can be done only with prior approval of Pr. Chief Commissioner or Pr Director General or Chief Commissioner or Director General or Principal Commissioner or Principal Director or Commissioner or Director, of Income-tax. Such provisional attachment is valid for a period of 6 months. Further, the said section allows the assessee to furnish a bank guarantee of the value of the property so attached for revocation of the provisional attachment. The above bank guarantee shall be invoked if the assessee fails to pay his tax demand on time. The powers under this section can only be exercised by the Assessing Officer.

Section 271AAD of the Act was inserted vide the Finance Act, 2020 to impose penalty on a person or a person who causes such person to make a false entry or omit an entry from his books of accounts. It is an anti-abuse provision. Upon initiation of such penalty proceedings, it is highly likely that the taxpayer may also evade the payment of such penalty, if imposed. Hence, in order to protect the interest of revenue, the provision of sec. 281B has been amended to enable the Assessing Officer to exercise the powers under this section during the pendency of proceedings for imposition of penalty u/s 271AAD, if the amount or aggregate of amounts of penalty imposable is likely to exceed ₹ 2 crore.

B. An Individual who is not citizen of India or a person of Indian origin may become resident in India only in one of the following situations: –

- (i) if he stays during PY 2020-21 for 182 days or more; or
- (ii) if he stays during the PY 2020-21 for 60 days or more and also stays for 365 days or more in preceding four previous years.

Thus, generally, a person will become resident in India for the PY 2020-21 only if he stayed in India for 182 days or more unless he is covered by the exceptions discussed above.

### **II. Possibilities of dual non-residency in case of general relaxation**

Most of the countries have the condition of stay for 182 days or more for determining residency. Thus, a person in most situations will be resident in only one country since there are 365 days in a year. In fact, if general relaxation for the stay period of 182 days is provided, there may be cases of double non-residency. In such situation, a person may not become a tax resident in any country in PY 2020-21 even after staying for more than 182 days or more in India resulting in double non-taxation and end up not paying tax in any country.

### **III. Tie breaker rule as per Double Taxation Avoidance Agreement (DTAA)**

As discussed above, a person may become resident in India in some cases even if he stays for less than 182 days in India. In that situation, there may be a case of dual residency. However, due to applicability of Double Taxation Avoidance Agreement (DTAA), such person will become resident of only one country as per the “tiebreaker rule” in the DTAA. For example, the Indo-USA DTAA contains following tiebreaker rule in Article 4(2):

*“Where by reason of the provisions of paragraph 1, an individual is a resident of both Contracting States., then his status’ shall be determined as follows:*

*(a) he shall be deemed to be a resident of the State in which he has a permanent home available to him; if he has a permanent home available to him in both States, he shall be deemed to be a resident of the State with which his personal and economic relations are closer (centre of vital interests);*

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

---

*(b) if the State in which he has his centre of vital interests cannot be determined, or if he does not have a permanent home available to him in either State, he shall be deemed to be a resident of the State in which he has an habitual abode;*

*(c) if he has an habitual abode in both States or in neither of them, he shall be deemed to be a resident of the State of which he is a national,*

*(d) if he is a national of both States or of neither of them, the competent authorities of the Contracting States shall settle the question by mutual agreement.*

Thus, as per the provisions of the Indo-USA DTAA, a person can become resident of two countries only in the following case:

- (a) he has a permanent home available to him in both countries or in none of the two countries; and
- (b) centre of vital interests cannot be determined; and
- (c) he has a habitual abode in both States or in neither of them; and
- (d) he is a national of both States or of neither of them.

Even in such situations when all the above (a) to (d) are applicable (which may be a very rare situation), the Indo-USA DTAA provides a resolution mechanism through Mutual Agreement Procedure.

It is also relevant to note that even in cases where an individual became resident in India due to exceptional circumstances, he would most likely become not ordinarily resident in India and hence his foreign sourced income shall not be taxable in India unless it is derived from business controlled in or profession set up in India.

#### **IV. Employment income taxable only subject to conditions as per DTAA**

Further, Article related to employment income in the DTAA with different countries governs the taxation of employment income. For example, Article 16 of the Indo-USA DTAA provides following for taxation of employment income:

##### *“DEPENDENT PERSONAL SERVICES*

*1. Subject- to the provisions of Articles 17 (Directors’ Fees), 18 (income Earned by Entertainers. and Athletes), 19 (Remuneration and Pensions in respect of Government Service), 20 (Private Pensions, Annuities, Alimony and Child Support), 21 (Payments received by Students and Apprentices) and 22 (Payments received by Professors, Teachers and Research Scholars), salaries, wages and other similar remuneration derived by a resident of a Contracting State in respect of an employment shall he taxable only in that State unless the employment is exercised in the other Contracting State. if the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other State.*

## **SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16**

---

2. *Notwithstanding the provisions of paragraph 1, remuneration derived by a resident of a Contracting State in respect of an employment exercised in the other Contracting State shall be taxable only in the first-mentioned State, if*

*(a) the recipient is present in the other State for a period or periods not exceeding in the aggregate 183 days in the relevant taxable year;*

*(b) the remuneration is paid by, or on behalf of, an employer who is not a resident of the other State; and*

*(c) the remuneration is not borne by a permanent establishment or a fixed base or a trade or business which the employer has in the other State.*

3. *Notwithstanding the preceding provisions of this Article, remuneration derived in respect of an employment exercised aboard a ship or aircraft operating in international traffic by an enterprise of a Contracting State may be taxed in that State.”*

The DTAA distributes the taxation rights between the employee’s jurisdiction of residence and the place where the employment is exercised. Salaries, wages and other similar remuneration are taxable only in the country in which the employee is resident unless the employment is exercised in the other country. Generally, as per the DTAAs, such other country (the source jurisdiction) has taxation rights only if the employee is present in that country for more than 183 days or the employer is a resident of the source jurisdiction, or the employer has a permanent establishment in the source jurisdiction that bears the remuneration. Accordingly, if a USA resident under employment of a USA corporation has got stranded in India and performs employment from India, its salary will not be taxable in India unless he is present in India for 183 days or more during the PY 2020-21 or if the salary is borne by Indian permanent establishment of such USA corporation.

### **V. Credit for the taxes paid in other country:**

Further, a resident person in India shall be entitled to claim credit of the taxes paid in any other country in accordance with the rule 128 of the Income-tax Rules, 1962.

### **VI. International Experience**

#### **A. The Organisation for Economic Co-operation and Development (OECD)**

The Organisation for Economic Co-operation and Development (OECD) in its OECD Policy Responses to Coronavirus (COVID-19), [ OECD Secretariat analysis of tax treaties and the impact of the COVID-19 crisis, Version 3 April 2020 has provided following guidance on this matter:

*“28. Despite the complexity of the rules, and their application to a wide range of potentially affected individuals, it is unlikely that the COVID-19 situation will affect the treaty residence position.*

## SUPPLEMENTARY\_JUNE & DECEMBER\_2021\_EXAMINATIONS\_PAPER\_7 & 16

---

30. Two main situations could be imagined:

1. A person is temporarily away from their home (perhaps on holiday, perhaps to work for a few weeks) and gets stranded in the host country by reason of the COVID-19 crisis and attains domestic law residence there,

2. A person is working in a country (the “current home country”) and has acquired residence status there, but they temporarily return to their “previous home country” because of the COVID-19 situation. They may either never have lost their status as resident of their previous home country under its domestic legislation, or they may regain residence status on their return.

31. In the, first scenario, it is unlikely that the person would acquire residence status in the country where the person is temporarily because of extraordinary circumstances, There are however rules in domestic legislation deeming a person to be a resident if he or she is present in the country, for a certain number of days, But even if the person becomes a resident under such rules, if a tax treaty is applicable, the person would not be a resident of that country for purposes of the tax treaty. Such a temporary dislocation should therefore have no tax implications.

32. In the second scenario, it is again unlikely that the person would regain residence status for being temporarily and exceptionally in the previous home country, But even if the person is or becomes a resident under such rules, if a tax treaty is applicable, the person would not become a resident of that country under the tax treaty due to such temporary dislocation.”

Thus, it has been recognised by the OECD that DTAAs contain the necessary provisions to deal with the cases of dual residency arising due to COVID-19 situations.

### **B. Relief by other countries:**

A study of the measures taken by different countries reveals that there is mix response some of the countries have provided relief for certain number of days subject to the satisfaction of prescribed conditions whereas some of the countries have not provided any relief. For example, USA have provided relief up to a maximum of 60 days subject to the satisfaction of certain conditions and furnishing of information in specified Form. Similarly, UK has provided relief of 60 days in exceptional circumstances depending on fact and circumstances of each case. Similarly, Australia issued guidelines for allowing relief by examining facts and circumstances. Germany has clarified that in the absence of a risk of double taxation, there is basically no factual inequity if the right to tax is transferred from one contracting state to another due to changed facts.

### **4. Conclusion**

Thus, it can be seen that OECD as well as most of the countries have clarified that in view of the provisions of the domestic income tax law read with the DTAAs, there does not appear a possibility of

the double taxation of the income for FY 2020-21, As explained above, the possibility of double taxation does not exist as per the provisions of the Income-tax Act, 1961 read with the DTAA's. However, in order to understand the possible situations in which a particular taxpayer is facing double taxation due to the forced stay in India, it would be in the fitness of things to obtain relevant information from such individuals. After understanding the possible situations of double taxation, the Board shall examine that □

- (i) whether any relaxation is required to be provided in this matter; and
- (ii) if required, then whether general relaxation can be provided for a class of individuals or specific relaxation is required to be provided in individual cases.

Therefore, if any individual is facing double taxation even after taking into consideration the relief provided by the respective DTAA's, he may furnish the information in Form —NR annexed to this circular by 31st March, 2021. This form shall be submitted electronically to the Principal Chief Commissioner of Income-tax (International Taxation).
