Generation and maintenance of electronic record  58. Records to be maintained by owner or operator of godown or warehouse and transporters

# Basic Definition

Chapter VIII of CGST Act, 2017 and Chapter VII of the CGST Rules, 2017 provides for maintenance of Accounts and Records

GST Law prescribes detailed procedure for maintenance of books of accounts and records for goods or services or both.

“Document” as defined under CGST Act, 2017 to ***include written or printed record of any sort and electronic record*** as defined in IT Act, 2000

In recent times, Government has enhanced its vigilance to curb the menace of ***excess claim of ITC or fake invoicing***. Department has stepped up investigation against such activities and in many cases genuine taxpayers also face the heat of notices for reversal of Input Tax Credit or payment of tax for fake invoicing.

During detailed investigation the taxpayer at time fail to furnish proper documents or records which is required to be maintained as per GST provisions and hence they engage in protracted litigation resulting in further agony and imposition of penalty.
