PROCEDURE IN BRIEF

Examination of the information by the A.O

Formation of Belief

Recording of Reasons

Issuance of Notice u/s 148

Filing of Return

**Obtaining copy of Reasons
Recorded**

**Filing objections by the
Assessee and Disposal
of Objections By A.O**

**Reassessment
Proceedings**

Reason to beleive

- AO should have ‘**reason to believe**’ that income **chargeable to tax has escaped assessment.**
- The words “reason to believe” suggest that the belief must be that of an honest and reasonable person based upon reasonable grounds and that the assessing officer may act on direct or circumstantial evidence but **not on mere suspicion or rumor.**
- Following constitutes reason to believe for invoking sec. 147:
 - ❧ Evidence in possession of AO that the assessee has understated his income
 - ❧ Evidence in possession of AO that the assessee has claimed excessive loss/ deductions, allowances, reliefs.

Issues on Reasons to Believe....

- Before making assessment u/s 147, the AO must have “reasons to believe” that income, chargeable to tax has escaped assessment. **The important words u/s 147 are ‘has reason to believe’ and these words are stronger than the words ‘is satisfied’.** **Ganga Saran & Sons P. Ltd V. ITO (1981) 130 ITR 1(SC)**
- In determining whether commencement of reassessment proceedings was valid it has only to be seen whether there was prima facie some material on the basis of which the department could reopen the case. **Raymond Woolen Mills Ltd v. ITO (1999) 236 ITR 34 (SC)**

Issues on Reasons to Believe....

Contd....

- There must exist reasons for holding a belief of escapement of income, **the question whether reasons were adequate or sufficient is not for the courts to decide**. It is open to the assessee to establish that there in fact existed no belief or that the belief was not a bonafide one or was based on vague, irrelevant and non specific information. **Phool Chand Bajrang Lal v ITO (1993) 203 ITR 456 (SC)**
- Where the reason to believe recorded does not refer to any material that came to the knowledge of the AO from which the AO could have formed a reasonable belief that the expenditure referred to had not crystallized during the relevant year. The recorded reasons to believe that income had escaped assessment were not based on any direct or circumstantial evidence and were in the realm of mere suspicion. In absence of adequate reasons the reassessment was set aside. **SMCC Construction India Ltd. v. ACIT (2014) 220 Taxman 354 (Delhi)**

Issues in Reason to believe

- If the AO's reason to believe lacks validity, the reopening of the assessment would not be permissible. **Gujarat Narmada Valley Fertilizers Co. Ltd. .v. Dy. CIT (2014) 369 ITR 763 / 223 Taxman 109 (Guj.)(HC).** [SLP of revenue was dismissed SLA (C) No 17450 of 2014 dt 18-11-2014 Dy.CIT v. Gujarat Narmada Valley Fertilizers Co Ltd(2015) 229 Taxman 220 (SC)]

- AO holds the opinion that because of excess loss or depreciation allowance the income escaped assessment the reason recorded by AO must disclose by what process of reasoning, he holds such belief. Merely recording the reason that excessive loss or depreciation allowance or other deductions have been computed without disclosing the reasons by which AO holds such belief does not confer jurisdiction to take action u/s 147. **DCIT Vs Indian Syntans Investments (P.) Ltd., [2007] 107 ITD 457 (ITAT-Chennai)**

Issues in Reason to believe

- An assessment cannot be reopened merely to verify the genuineness of the expenses. **Le Passage to India Tours and Travels P. Ltd. .v. Addl. CIT (2014) 369 ITR 109 (Delhi)**
- At the stage of recording reasons and issuing notice u/s 148, it is only expected of the AO to reach a prima facie conclusion that income chargeable to tax had escaped assessment. At that stage, he is not expected to build a fool-proof or cast-iron case against the assessee before proceeding to issue the notice. He is not expected to make a complete investigation before issuing the notice. **ITO Vs. Smt. Gurinder Kaur [2006] 102 ITD 189 (ITAT-Del.)**

Issues in Reason to believe

- Reopening of assessment u/s 147 merely on the issue of cash deposit during demonetisation period is liable to be set aside if jurisdictional aspect is completely ignored by AO. **Swati Malove Divetia Vs. ITO 2018-TIOL-2042 Guj.HC.**

Assessment on issues not included in Reason to believe

- **Explanation 3 to Sec. 147** provides that AO may assess/ reassess on any issue which comes to his notice subsequently in the course of the proceedings or re-compute the loss or the depreciation allowance or any other allowance for the assessment year concerned.
- **Hon'ble High Court of Kerala (Full Bench) in CIT vs. Best Wood Industries & Saw Mills [2011] 11 taxmann.com 278** held that in course of income escaping assessment, if it comes to notice of AO that any other item of income, other than item of escaped income for assessment of which assessment originally completed was reopened, also have escaped from original assessment, **he is bound to assess such item or items of income also in course of reassessment under section 147.**

Principles laid by Apex court in case of G.K.N Driveshafts (India) Ltd. V s. I T O [2003] 259 I T R 19

The Hon'ble Supreme court laid down principles which would serve as valuable rules of guidance and as a binding precedent in cases where notice of reassessment is issued.

STEP # 1 (FLING RETURN OF INCOME)

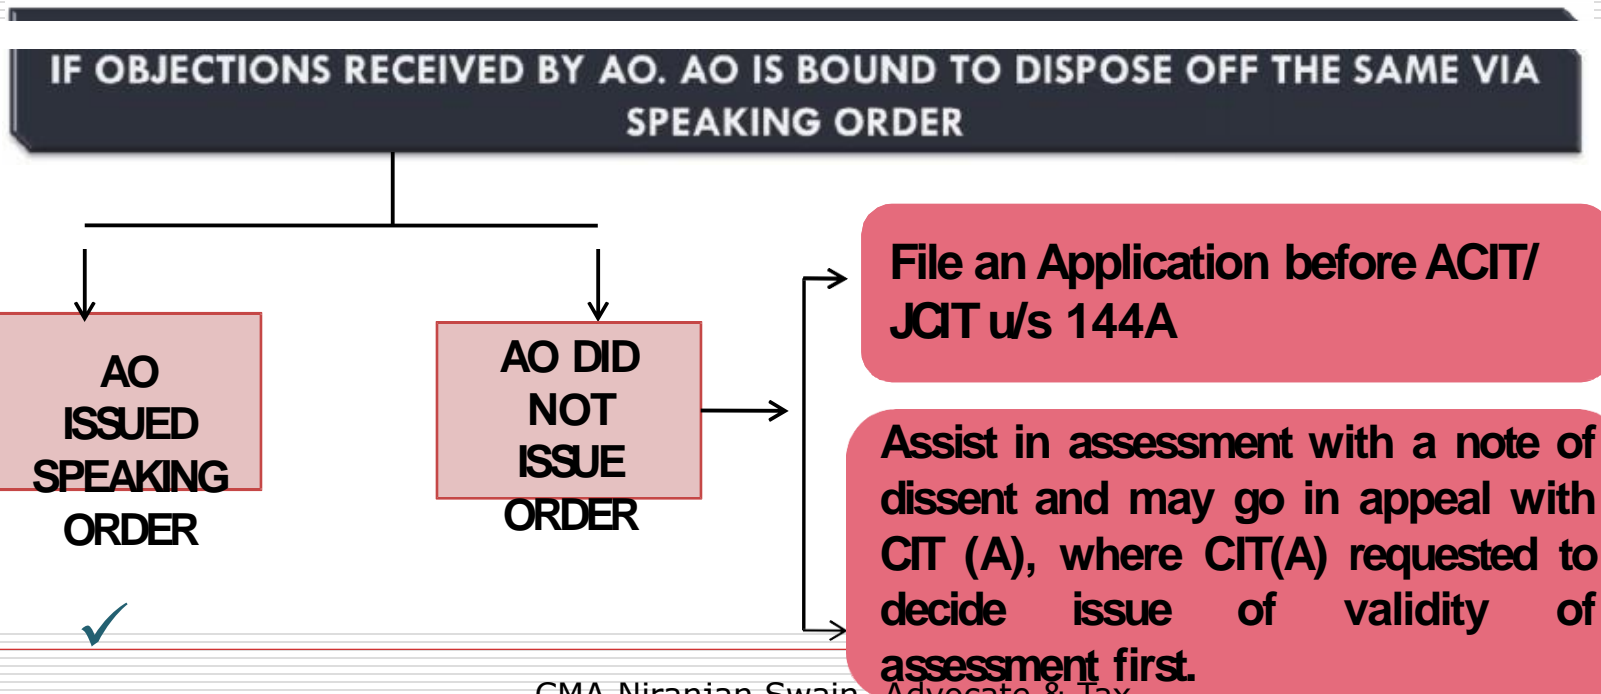

Principles laid by Apex court in G.K.N Driveshafts (India) Ltd. Vs. ITO....

Contd....

STEP# 2 (REQUEST FOR SUPPLY OF REASONS FOR ISSUANCE OF NOTICE U/S 148)

STEP# 3 (FILING OF OBJECTIONS WITH AO)

Disclosure of reasons to the assessee....

- The assessee can ask for reasons recorded by the Assessing Officer for reopening of assessment.
- Reassessment order passed by the AO without supplying reasons recorded though specifically asked by the assessee is invalid. **(CIT vs. Videsh Sanchar Nigam Ltd (2012) 340 ITR 66 (Bom.)**
- Where AO provided only gist of reasons, the same cannot be treated as reasons actually recorded by the AO as per sec. 148(2). It amounts to failure on part of AO to furnish reasons to the assessee despite repeated requests and demands. **Tata International Ltd. Vs. DCIT [2012] 23 taxmann.com 18 (ITAT-Mum.)**

Disposal of objections by AO....

- ❑ Non-compliance of direction of SC in GKN Driveshafts (India) Ltd Vs. ITO as regards to disposal of objections by passing a speaking order is a procedural irregularity which could be cured by remitting matter to authority. **Home Finders Housing Ltd. Vs ITO 94 taxmann.com 84 (SC)**
- ❑ If assessee objects to reasons for reopening assessment, any order passed by AO without considering assessee's objection would have to be quashed. **K. S Suresh v. Dy. CIT [2005] 279 ITR 61 (Mad.). Also see Sri**
- ❑ **A.S. Chinnaswamy Raju Vs. ACIT, ITA 1559/BANG./2010, ITAT- Bangalore**
- ❑ It is **mandatory** for the A.O. to dispose of preliminary objections raised by assessee against reasons recorded for reopening assessment by **passing speaking order before proceeding with assessment**. **Banaskantha District Oilseeds Growers Co-op. Union Ltd. V. Asst. CIT [2015] 59 taxmann.com 328 (Gujarat)**

Procedure to challenge the reassessment proceedings:
GKN Driveshafts (India) Ltd. v/s D.C.I.T. (2003) 259 ITR 19 (SC)

- ❑ When a notice u/s 148 of the IT Act, 1961, is issued, the proper course of action
 - ❖ (a) is to file the return ,
 - ❖ (b) if he so desires, to seek reasons for issuing the notices.
 - ❖ (c) The assessing officer is bound to furnish reasons within a reasonable time.
 - ❖ (d) On receipt of reasons, the assessee is entitled to file objections to issuance of notice , and
 - ❖ (e) the assessing officer is bound to dispose of the same by passing a speaking order.
 - ❖ (f) the assessee if desires can file a writ challenging the order or can proceed with the assessment.
 - ❖ However, the assessee has still a right to challenge the reopening of assessment after the assessment order is passed, before appellate authority.

Reopening based on change in opinion

- Reopening can never be done on the basis of change of opinion. **Section 147** does not empower the A.O to review on the same set of facts the assessment order which had already been framed merely by fresh application of mind to its own decision or to the decision of predecessor.
- In **CIT vs. Kelvinator of India Ltd., 320 ITR 561** it was held by the Hon'ble Apex court that AO has power to re-open, provided there is 'tangible material' to come to conclusion that there is escapement of income from assessment; reasons must have a live link with formation of belief. **Also see Direct Information Pvt. Ltd. Vs. ITO [2011] 203 Taxman 70 (Bomb.), Transwind Infrastructure P.Ltd. Vs ITO [2014] 362 ITR 67 (Guj.)**

Reopening based on change in opinion

- Where AO has completed assessment u/s 143(3) & there is no failure on part of assessee to disclose truly and fully all material facts necessary for assessment, initiating reassessment proceedings after expiry of 4 years is not valid.
- **CIT v. Mirza International Ltd. (2015) 54 taxmann.com 217 (All.), Sopan Infrastructure P. Ltd v. ITO (2017) 391 ITR 107 (Guj.), DCIT V. Smithkline Beecham Consumer Brands Ltd. Reopening based on change in opinion

- ❑ Reopening would amount to change of opinion in the absence of any fresh material. **Nirmal Bang Securities (P) Ltd. v. ACIT. (2016) 382 ITR 93 (Bom.), CIT v. Amitabh Bachchan [2013] 349 ITR 76, SIRO Clinpharm (P) Ltd. v. DCIT (2014) 49 taxmann.com 62 (Mum.)(Trib.)**
- ❑ AO completed assessment u/s 143(3) after taking into consideration accounts furnished by assessee. After lapse of 4 years from relevant AY, AO reopened assessment on ground that during relevant year assessee company had incurred a loss in trading in share, which was a speculative one & therefore chargeable to tax, accordingly passed order u/s 147. Since after a mere re-look of accounts which were earlier furnished by assessee, AO had come to conclusion that income had escaped assessment, same was not permissible u/s 147 as it was clearly a change of opinion. **ACIT vs. ICICI Securities Primary Dealership Limited [2012] 24 taxmann.com 310 (SC)**

Reopening based on change in opinion

- The Court held that AO has no power to review assessment order under shelter of re-opening of assessment u/s 147, therefore, it was not open for AO to re-look at same material only because he was subsequently of view that conclusion arrived at earlier was erroneous. **Housing Development Finance Corporation Ltd. v. J. P. Janjid (2014) 225 Taxman 81(Mag.) (Bom.)**
- Where AO allowed assessee's claim for deduction of payment of interest in absence of any failure on assessee's part to disclose fully & truly all material facts necessary for assessment, he could not initiate reassessment proceedings merely on basis of **change of opinion** that interest expenditure in question was capital in nature. **Business India v. DCIT (2015) 370 ITR 154 (Bom.)**
- Depreciation claim was allowed during the course of scrutiny assessment by AO. Thereafter, AO issued notice u/s 148 after period of 4 years seeking to reopen assessment of assessee on ground that earlier AO had allowed excessive depreciation. Reopening was held not justified. **Niko Resources Ltd. .v. ADIT (2014) 51 taxmann.com 568 (Guj.)(HC)**

Reopening based on change in opinion

- AO having allowed assessee's claim for deduction u/s 80-IA/ 80-IB in course of assessment u/s 143(3) could not initiate reassessment proceedings on ground that there was inappropriate allocation of expenses between various units eligible for deduction. Validity of proceedings could not be upheld as the same was based on mere change of opinion. **GKN Sinter Metals Ltd. v. Ramapriya Raghavan (Ms.), ACIT (2015) 371 ITR 225 (Bom.).**
- Reopening is invalid if failure to disclose not alleged Despite of “Wrong Claim”. There is a well known difference between a wrong claim made by an assessee after disclosing all the true and material facts and a wrong claim made by the assessee by withholding the material facts i.e. False Claim. **Titanor Components Limited vs ACIT (2011) 60 DTR 273 (Bom.) Also see Oracle India Private Limited vs Asst. CIT, WP. (C) 7828/2010, Date of Order: 26.07.2017, High Court of Delhi**

Reopening based on change in opinion

- If the AO had any doubt or dispute pertaining to valuation of the undisclosed stock and, consequently, about the disclosure of additional income by the assessee, **he ought to have pursued the issue further during the assessment itself.** It will not amount to failure of assessee. **Rajendra Kantibhai Patel (HUF) v. ACIT (2014) 69 ITR 232 (Mag.) (Guj.)**
- Where based only on assessment records, AO opined that depreciation on 'plant & machinery' and 'land & building' given on lease was not allowable, since there was no failure on part of assessee to fully and truly disclose all material facts, reopening of assessment was not valid **ACI Oils P. Ltd. .v. DCIT (2015) 370 ITR 561 (All.)**
- Reassessment after four years on account of non disclosure of material facts by raising the plea that assessee has mentioned wrong year of Commencement of manufacture in Form No. 56G is invalid if other materials furnished indicated correct year of manufacture. **MBI KTS International vs. ITO (2018) 408 ITR 1(Madras HC).**

Reopening based on Information Available in Another Assessment Year

- ❑ Reopening of case for preceding assessment year on the basis of information gathered during current year that assessee has breached condition claiming for deduction U/S 80-IB in preceding assessment year is invalid as there was no failure on part of assessee to disclose truly and fully all material facts. **Royal Infrastructure vs.DCIT (2018) 407 ITR 358(Guj.HC)**

Reopening on the basis of tax audit report not allowed

- ❑ Reassessment can not be made on the basis of information contained in the tax audit report furnished by the assessee at the time of assessment, as no new tangible material comes into possession of AO. It was held to be just change of opinion in the mind of the A.O. therefore, **reopening proceeding was quashed. CIT Vs Modipon Ltd. 2011-TIOL-355-HC-DEL-IT**
- ❑ Consideration paid for purchase of copyright was disclosed in the original assessment proceedings. AO after discussing issue passed a detailed order. AO cannot later form another opinion on same primary facts that income had escaped assessment, **therefore notice on basis of audit report that excess payment should be treated as deemed gift was held to be not valid. Jagran Prakashan Ltd. V. CIT (2014) 367 ITR 534 (Mag.) (All.)(HC)**

Reassessment on the basis of audit objection not valid

- Where belief has been borne only because of the audit report furnished by the assessee for the purpose of assessment of its income and other material information available on record. Details of payments made by assessee to persons specified in section 40A, audit report and controversy in relation thereto were within knowledge of AO at time of assessment u/s 143(3). **Raymon Glues & Chemicals v. Dy.CIT (2015) 231 Taxman 376 (Guj.)**
- If AO contests the audit objection but still reopens to comply with the audit objection, it means he has not applied his mind independently and the reopening is void. **Raajratna Metal Industries Ltd v. ACIT (2014) 49 taxmann.com 15 (Guj.). Also see National Construction Co. v. Jt. CIT (2015) 234 Taxman 332 (Guj.)**
- The notice u/s 148 was issued by the CBDT. These audit objections were not accepted by the AO. CBDT instruction directing remedial action in case of audit objections - Notice based solely on such instruction not valid. **Sun Pharmaceutical Industries Ltd. v. Dy.CIT (2016) 381 ITR 387 (Delhi).**

Reassessment on the basis of report of District Valuation Officer / Internal Audit Report not valid

- ❑ Where the Assessing Officer completed assessment u/s 143(3) making certain addition in respect of unexplained investment, he could not reopen said assessment u/s 147 for enhancement of said addition merely on basis of report of District Valuation Officer. **Akshar Infrastructure (P.) Ltd. Vs. ITO, Ward1(1), [2017] 79 taxmann.com 239 (Gujarat)**
- ❑ Reopening on the basis of an opinion formed by the internal auditor of department, can not be treated valid because it amounts to change of opinion. **CIT Vs The Simbhaoli Sugar Mills Ltd, 2011-TIOL 293 - HC- DEL-IT**

Initiation of Assessment u/s 147 after Intimation u/s 143(1)

34

- In **CIT Vs. Rajesh Jhaveri Stock Brokers (P.) Ltd, [2007] in 291 ITR 500**, the Apex Court held that Intimation u/s 143(1) does not amount to an “assessment” and in the absence of an assessment, there may not be question of “change of opinion”, the Court also held that there must be “reason to believe” i.e. “cause or justification” that income had escaped assessment. The court further held that so long as the ingredients of section 147 are fulfilled, *the AO is free to initiate proceeding u/s 147 and failure to take steps u/s 143(3) will not render the AO powerless to initiate reassessment proceedings even when intimation u/s 143(1) had been issued*

Initiation of Assessment u/s 147 after Intimation u/s 143(1)

- The finality of an intimation u/s 143(1) can be disturbed even by dispensing with the requirement of "reason to believe". It was observed that no assessment order is passed when the return is merely processed u/s 143(1) & an intimation to that effect is sent to the assessee. However, where proceedings u/s 147 are sought to be taken with reference to an intimation framed earlier u/s 143(1), the ingredients of Sec. 147 have to be fulfilled; the ingredient is that there should exist "reason to believe" that income chargeable to tax has escaped assessment. The Supreme Court in *Asstt. CIT v. Rajesh Jhaveri Stock Brokers (P). Ltd.* [2007] 291 ITR 500 does not give a carte blanche to AO to disturb the finality of the intimation u/s 143(1) at his whims and caprice; he must have reason to believe within the meaning of the Section. **CIT Vs. Orient Craft Ltd. [2013] 29 taxmann.com 392 (Delhi).**

Can retrospective amendment be a valid reason to reopen assessment? - No

- Whether assessee had disclosed fully and truly all material facts necessary for relevant AY would depend on the law as applicable as on date of filing of return. **Denish Industries Ltd. Vs. ITO (2004) 271 ITR 340 (Guj.) (346) SLP dismissed (2005) 275 ITR 1 (St.)**
- While a subsequent decision of a Court or a legislative amendment enforced after the order of assessment may legitimately give rise to an inference of an escapement of income, before the Assessing Officer proceeds to reopen an assessment after the expiry of four years of the end of the relevant assessment year, he must nonetheless apply his mind to the fundamental question as to whether there has been a failure to disclose on the part of the assessee. **Voltas Ltd. v. ACIT [2012] 349 ITR 656 (Bom.), CIT v. Avadh Transformers (P) Ltd. 51 Taxmann.com 369 (SC)**

Can retrospective amendment be a valid reason to reopen assessment?

- ❑ Where AO after minutely examining claim of deduction of assessee u/s 80- IB(10) allowed the same, AO cannot reopen the case beyond period of 4 years after retrospective amendment in the section. **Ganesh Housing Corporation Ltd. v. Dy. CIT [2016] 74 taxmann.com 172 (Gujarat).**
- ❑ If an Explanation is added to a section of a statute for the removal of doubts, the implication is that the law was the same from the very beginning and the same is further explained by way of addition of the Explanation. Where the assessee had disclosed all the materials regarding its activities & there was no suppression of materials, in spite of such disclosure, AO gave benefit of the provision by considering the then Explanation which was substantially the same and, thus, it could not be said that any income escaped assessment in accordance with the then law. The AO has now given a second thought over the same materials and it cannot be basis to reopen an assessment. **Parixit Industries (P.) Ltd. v. ACIT [2013] 352 ITR 349 (Guj.). SLP dismissed by SC [2012] 25 taxmann.com 301 (SC)**

Disclosure given in Return of Income

- A notice of reassessment was issued beyond 4 years on the ground that the assessee had set off the loss of MEK and Foods division against profit on sale of assets of the assessee from which the assessee received Rs. 7.51 crores and the remainder was credited to the P&L account instead of taking the entire amount. **Held, the in the notes to return, the assessee clearly stated the reason for doing so. Thus, there was no failure on part of the assessee to disclose truly and fully all material facts. Also, there was no hint in the recorded reasons that there was any such failure on part of the assessee.** Hence, notice was liable to be quashed. **Gujarat Carbon & Industries Ltd .v. CIT (2014) 365 ITR 464 (Guj.)(HC)**
- Where the assessee has disclosed all material primary facts, proceedings u/s 147 cannot be taken if the AO fails to draw the correct legal inference from such facts or fails to pursue the matter appropriately. **CIT v P. Krishnankutty Menon [1989] 181 ITR 237 (Ker.)**

Disclosure given in Return of Income

- Where assessee had furnished all information claiming that no capital gain arose as land sold was agricultural land but department treated the said land as capital assets, and issued reassessment notice, department acted beyond ambit of provisions of section 147, which vests upon him power to reassess income and not 'review' of subject transaction **S.M. Kutubuddin vs. Asst. CIT [2017] 83 taxmann.com 126 (Madras)**
- In the absence of any allegation that there was any failure on the part of the assessee in disclosing the true and correct facts due to which, there was escapement of income from the assessment, the notice for reassessment was not valid. **Micro Inks P. Ltd. v. ACIT (2017) 393 ITR 366 (Guj.)**

Disclosure given in Return of Income

- ❖ Where assessee- Australian company had fully disclosed income and applied tax rate of 15% taking benefit of Article 11(2) of India-Australia DTAA, initiation of reassessment after 4 years on ground that tax rate should be 40 per cent would be unjust. **Standard Chartered Grindlays (P.) Ltd v. Dy. DIT (2015) 53 taxmann.com 35 (Mag.) (Delhi)**
- ❖ Assessee had disclosed all material facts related to closing stock, reopening of assessment beyond four years on ground of understatement of closing stock was not justified. **AVTEC Ltd. v. DCIT(2015) 370 ITR 611 (Delhi)**
- ❖ Non-Disclosure of taxing event i.e. allotment of shares and absence of any declaration as to value amounts to non disclosure of primary facts even though assessment was originally completed u/s 143(3). **Sonia Gandhi Vs. Asstt.CIT 407 ITR 0594 (Delhi HC).**

❑ *Final Objection raised by CAG*

❖ **FIS Global Business Solutions India (P.) Ltd [2019] 104 taxmann.com 169 (SC)** dismissed an SLP against the decision of the Delhi High Court that the audit objection being only information, reassessment notice based on said audit objection is not sustainable.

❖ Since the audit report merely gives an opinion and does not give any new or fresh material before the AO, the reopening of assessment merely on basis of audit objection could not be sustained.

What Gone with Change in Provisions of Sec 147

- ☐ a. Concept of Reason to believe [*CIT v. Amitabh Bachchan* [2012] 349 ITR 76 (Bom.) nullified?]
- ☐ b. Application of mind(definitions are provided.AO has to just slot it).
- ☐ c. Establish a direct nexus or live link between the material coming to the notice of the AO and the formation of his belief.
- ☐ c1. It appears that what is required now is only possession of information suggesting escapement of income chargeable to tax in “normal” cases.
- ☐ d. **Failure on the part of the assessee to disclose fully and truly all material facts** necessary for the purpose of assessment finds no place.[*Dy. CIT v. Aishwarya Rai Bachchan* [IT Appeal No.3873 (Mum) of 2013, dated 18-1-2017] nullified?] [*Sunil Gavaskar v. ITO(IT)* [2017] 88 taxmann.com 372 (Mum.) has no impact now?]
- ☐ d1. So **change of opinion** goes as well?. But hon’ble Supreme Court had observed that concept of ‘change of opinion’ must be treated as an in-built test to check abuse of power by Assessing Officer.[*CIT v. Kelvinator of India Ltd.* [2010] 320 ITR 561 (SC)].

❑ If an assessee voluntarily files a return, then the AO cannot proceed under section 147 / 148 against such assessee – **Motorola Inc v. CIT [2005] 147 Taxman 39.**

❑ Mere change of opinion or wrong legal reference will not empower AO to reopen assessment. **CIT v. Bhanji Lavji [1971] 79 ITR 582 (SC).**

❑ Reassessment without any additional information amounts to change of opinion. **Fluorcent Fixtures (P) Ltd v. ITO [2009] 34 SOT 48.**

❑ Assessee-firm took over business and was granted deductions under sections 80HH and 80J in original assessments. The successor ITO held deductions not admissible and issued notices under section 148 read with section 147(b) initiating reassessment proceeding. The impugned notices is not valid. **Kamalchand v. Income-tax Officer, [1980] 4 Taxman 216 (Madhya Pradesh)/[1981] 128 ITR 290 (Madhya Pradesh)**

❑ 'Reason to believe' of Assessing Officer is founded on an information which might have been received by Assessing Officer after completion of assessment, it may be a sound foundation for exercising power under section 147, read with section 148. **Commissioner of Income-tax v. Kelvinator of India Ltd. [2002] 123 Taxman 433 (Delhi)/[2002] 256 ITR 1 (Delhi)/[2002] 174 CTR 617 (Delhi)**

□ Section 147 of the Income-tax Act, 1961 - Income escaping assessment - Non-disclosure of primary facts - Assessment years 1991-92 to 1994-95 - Whether

□ Assessee had disclosed fully and truly all material facts necessary for purpose of assessment. A notice, issued after expiry of four years from relevant assessment year under section 148 to invoke provisions of section 147, on basis of mere change of opinion of Assessing Officer that a larger sum ought to have been disallowed under original assessment, failed to satisfy conditions as prescribed in proviso to section 147. **Oil & Natural Gas Corpn. Ltd. v. Deputy Commissioner of Income-tax [2003] 133 Taxman 27 (Uttaranchal)/[2003] 262 ITR 648 (Uttaranchal)/[2004] 187 CTR 462 (Uttaranchal)**

□ Where during original assessment assessee's claim was processed at length and after calling for detailed explanation same was accepted, merely because a certain element or angle was not in mind of Assessing Officer while accepting such a claim, could not be a ground for issuing notice under section 148 for reassessment. **Clantha Research Ltd. v. Deputy Commissioner of Income-tax, Ahmedabad Circle - [2013] 35 taxmann.com 61 (Gujarat)**

□ If assessment is to be reopened after expiry of four years from end of relevant assessment year, in view of proviso to section 147, **AO must have reason to believe that income had escaped assessment on account of failure of assessee to disclose truly and fully all material facts;** a subsequent decision of a Court cannot justify reopening of an assessment after a period of four years as subsequent decision does not mean failure on part of an assessee to disclose fully and truly all material facts. **Sesa Goa Ltd. v. Ltd. v. Deputy Commissioner of Income-tax [2019] 111 taxmann.com 473 (Madras)**

❑ Assessee filed returns in response to notices under section 148 issued by ITO and the said returns were pending for disposal. Assessee's file was transferred to jurisdiction of ITO, who issued second notice under section 148. Since the reassessment proceedings were pending, impugned second notice was not valid - **A.S.S.P. & Co. v. Commissioner of Income-tax [1986] 27 Taxman 623 (Madras)/[1988] 172 ITR 274 (Madras)/[1986] 55 CTR 375 (Madras).**

Scope of section 148 – Notice

- Issue of notice u/s 148 is mandatory and if not properly issued, reopening is illegal.
- Notice u/s 148 requires notice to be “Issued”, **actual service is irrelevant**. Whereas Notice u/s 143(2) says “Notice to be Served”.
- Section 148 Notice has to **specify the period** in which return is filed. The return filed in response shall be treated as if return was return required to be furnished u/s 139 and therefore, the AO shall have to serve notice u/s 143(2) within a period of 12 months from the end of the month in which return was furnished.
- **Separate Notice u/s 148 for each AY**: During the course of proceedings u/s 147 for a particular A.Y, if any other income chargeable to tax has also escaped assessment for that particular A.Y. and it comes to the notice of the A.O, he can assess or reassess that income **(this is called umbrella provision)** but he cannot do so for any other A.Y. unless separate notice u/s 148 is issued. **Chaya Sinha Vs. ACIT, ITA No. 2462/Del/2014, Date of Order: 11.03.2016**
- As per sec 148(2), before issuing any notice u/s 148, the AO shall **record his reasons in writing**.

Notice u/s 148 – To be issued as per section 282

☐ **Section 282- Service of notice generally.**

- (1) The service of a notice or summon or requisition or order or any other communication under this may be made by delivering or transmitting a copy thereof in following manner—
 - (a) by post or by such courier services as may be approved by the Board; or
 - (b) in such manner as provided under the Code of Civil Procedure, 1908 for the purposes of service of summons; or
 - (c) in the form of any electronic record as provided in Chapter IV of the Information Technology Act, 2000; or
 - (d) by any other means of transmission of documents as provided by rules made by the Board in this behalf.
- (2) The Board may make rules providing for the addresses (including the address for electronic mail or electronic mail message) to which the communication referred to in sub-section (1) may be delivered or transmitted to the person therein named

Validity of Notice

- Where the name of assessee was not correctly mentioned in notice issued u/s 148 such notice was vague and not valid and therefore, consequent reassessment was null and void. **Shri Nath Suresh Chand Ram Naresh V. CIT [2005] 145 taxman 186 (All.), also see Shraddha Jain Vs. ITO, ITA No. 3280/Del./2015, ITAT- Delhi**
- A notice contemplated u/s 148 is a jurisdictional notice and is not curable u/s 292BB if not served within provisions of the Act. **CIT v. Shital Prasad Kharag Prasad [2005] 147 taxman 441 (All.)**
- Where AO had completed assessment u/s 143(3) r.w.s 147 of the assessee without issuing any notice under section 143(2), re-assessment order passed was legally unsustainable and same could not be justified by invoking provisions of section 292BB. **PCIT v. Oberoi Hotels (P) Ltd [2018] 96 taxmann.com 104 (Calcutta)**

Validity of Notice

- Notice issued u/s 148 on basis of search in premises of third party revealing unaccounted investments by assessee was held to be valid even when return of assessee was accepted without scrutiny u/s 143(1). **Kiran Ravjibhai Vasani Vs. Assistant CIT 408 ITR 303(Guj.HC).**
- Assessment proceedings initiated u/s 147 wouldn't be vitiated for want of proper service of notice if such ground was not raised by assessee. **CIT Vs. M/s Sudev Industries Ltd. 2018-TIOL-1060 Delhi HC.**
- Reassessment Notice issued on the basis of assessment order of earlier year was to be set aside if the assessment order was set aside by appellate authority before issue of reassessment notice. **DIT Vs. Atomstroyexport 95 taxmann.com 260 (SC)**

Case related to section 149 – Time limit

- Where the assessment was completed allowing the special deduction on the basis of a decision of the High Court, the subsequent reversal of the legal position by the Supreme Court would not authorize the Department to reopen the assessment which stood closed on the basis of the law as it stood at the relevant time. **DCIT Vs. Simplex Concrete Piles (India) Ltd. [2013] 358 ITR 120 (SC)**
- Where assessee did not have any asset outside India and, therefore, there was no question of having any income in relation to such an asset, in such a case, notice issued under section 148 after expiry of six years from end of relevant year relying upon provisions of section 149(1)(c) was not sustainable. **Deccan Digital Networks (P.) Ltd. v. ITO (2014) 50 taxmann.com 277 (2015) 113 DTR 147 (Delhi)**
