It has been found that materials are essential components for supply of construction service by the applicant to the contractee. Section 15 (2) (b) very clearly states that the supplier i.e the applicant in this case, is liable to pay in relation to such supply (supply of concerned materials by the contractee in this case) if the cost of the same has been incurred by the recipient of the supply (the contractee in this case) and the cost is not included in the price actually paid or payable for the goods or services or both. FINANCE BILL 2020 – IMPACT ON CHARITABLE AND RELIGIOUS ORGANIZATIONS

CMA Niranjan Mishra
Council Member (2019-23 Term)
Chairman, Indirect Taxation Committee
The Institute of Cost Accountants of India

The Finance Bill 2020 tabled by Hon'ble Finance Minister, proposed radical changes pertaining to the exemptions, registrations and taxations in the Non-Government/Charitable/religious/Non profitable sectors. This is perhaps proposed to bring the transparency in receiving and utilizing the fund in the organized manner and to control/eradicate the siphoning and channelizing of the black money through these sectors. Also the objective might be to regulate these sectors in-order to ensure proper utilization of fund in a legal way.

Prior to the proposal in the Finance Bill 2020, all the existing charitable and religious institutions are registered/exempted/approved under the following sections of the Income Tax Act, 1961;

- Section 12A (Organizations registered prior to 1996)
- Sections 12 AA (Organizations registered after 1996)
- Section 10(23C)
- Section (80G)

As per the Finance Bill 2020, the organizations registered under the above sections are to apply for revalidation within 3 months from 1st June 2020 and such validation shall be in force for 5 years from the date of revalidation. The application for the renewal of registration, after 5 years needs to be submitted at-least 6 months prior to the expiry of validity period.

Registration under Section 12AA shall stand inoperative w.e.f. June 01, 2020 & application for registration under Section 12AB shall be made to the Commissioner or Principal Commissioner of the Income tax.

All applications pending under Section 12AA before the Commissioner or Principal Commissioner and for the applications for which no order has been passed, shall deemed to be applications pending under Section 12AB.

Further, in case where Commissioner or Principal Commissioner is satisfied that the charitable/religious trusts institution etc. have not complied with the objects mentioned or any other law, shall cancel the registration of charitable/religious trusts institution etc. after providing the reasonable opportunity of being heard.

Following are the salient impacts of the proposed amendment;

- Centralized database containing the details of all Charitable and religious institutions (presently available commissionerate wise)
- Government will able to know the going concern status of each organization.
- One Unique identification number shall be allotted to all the Charitable and religious organizations by the Income Tax department.
- The organization can be denied renewal, not only for violation under Income Tax Act, but also for violations under other laws for the purpose of achieving its objectives as set out in the Byelaws of the organization.

New organizations shall apply for a provisional registration, which shall valid for a period of 3 years. And before 6 months of completion of such provisional registration period, the organization has to apply for renewal of registration, which shall be valid for a period of 5 years from the date of such renewal.

As per the new proposal, simultaneous benefit under two registrations shall be not allowed. For example, the organization those are registered under section 12 AA/12A shall not get the benefit u/s 10(46) or Sec (23C). In

other way, the organization having multiple registrations i.e U/s 12 AA/12A, 10(46) or Sec (23C) shall have to apply for revalidation of any one.

In a nut shell, all the existing Institutions having registration U/s 12A or 12AA or 10(23C) or 10(46) shall have to opt for exemption either u/s 10 or 11.

Finance Bill 2020 has provided the time limit within which the Audit report in Form 10B has to be obtained, which is in accordance with the specified date as per Sec.44AB (.e one month prior to the due date for filing of return under subsection (1) of Sec.139) of the Income Tax Act, 1961, and furnish the report of audit by that date.

Like amendments w.r.t registration, the approval of exemptions u/s 80G of the Income Tax Act for the existing approved institutions need to be revalidated and applications for the same shall be made within three months from the date from which the proposed amendments shall come in to force and such validation shall be valid for 5 years. 6 months before the completion of validation term, approval for 80G has again to be applied. In the proposed amendment the concept of perpetuity w.r.t exemption U/s 80G has withdrawn.

However for the new Institutions (those have not granted exemption U/s 80 G of the Income Tax Act, 1961) the approval shall be given for 3 years and after which the application for revalidation shall be made 6 months before the expiry of 3 years term.

As per the proposed amendment in Financial Bill 2020, the entities receiving Donation to furnish a statement there-of within specified time limit, and to issue a certificate to the Donor/payer and the claim for deduction to the donor may be allowed on the basis of declaration of Donation details of the Assessee.

In case of failure to file the above statements the Charitable/religious trusts institution etc. shall be levied the fees of Rs. 200/- for each day during which the failure continues.

Further, the Assessing office may levy penalty of amount not less than Rs. 10,000/- which may be extended to an amount of Rs. 1,00,000/-.

Similar to Section 80 G of the Act, deductions of cash donation U/S 80GG(A) shall be restricted to Rs.2000/- only.

Amendments proposed in Finance Bill, 2020 with respect to the Charitable and religious Institutions will bring additional burden of compliances in the short run but definitely lead to monitoring of activities of the religious and charitable organizations in a transparent manner. It will also bring down mis-utilisation /illegal utilization of funds and ensure utilization of fund in approved segments.

Writ Benefit can't be extended to Indolent Persons who sleeps over their Rights and Duties: Chhattisgarh HC denies plead for delayed filing of GST TRAN-1
M/s Jagadamba Hardware Stores vs. Union of India and others

Case No. – 31 of 2020
Date – 27.01.2020

Fact of the Case

- M/s Jagadamba Hardware Stores is the applicant in the present case
- The Court observed that in the Writ Petition filed by M/s Jagadamba Hardware Stores for availing the input tax credit (ITC) under Rule 117 of the Central Goods and Service Tax (CGST) Rules, 2017, the petitioner was to

submit a declaration electronically in form GST TRAN-1 duly signed on the common portal.

- When the rules were framed, the said TRAN-1 was to be filled by the traders by 30.09.2017. Later on, the time was extended till 30.11.2017 and then it was further extended till 27.12.2017.
- The petitioner contends that, during the relevant period, the petitioner tried to fill TRAN-1 but because of the technical glitches and error it could not be filled online on the portal of the department.
- It was further contended that because of the petitioner being unsuccessful in filling TRAN-1 online on the portal, he could not even obtain the screenshot to show the proof of his having attempted to fill in TRAN-1.
- Subsequently, they approached the GST Help Desk on 22.01.2019 who asked them to approach the designated Nodal with evidence of technical glitches/error requesting to permit them to submit TRAN-1 manually which was however not accepted and has led to the filing of the present writ benefit petition.

Decision of the Case

- Justice P. Sam Koshy observed that, “. . . there is no proper evidence or proof produced by the petitioner to show that he has bonafide attempted to fill up TRAN-1 and was unsuccessful because of the technical glitches and errors.
- Moreover, the petitioner also does not seem to have approached an officer in the department showing concern about his difficulties in filling up of TRAN-1 for a considerable period of time of almost 1 and 1/2 years.
- The petitioner also failed to establish having approached any of the officers in the department, nor is there any proof in his possession. There is also no document to show any correspondence made with any of the officers in the department in this regard.
- So the Chattisgarh High Court rejected the writ petition of the applicant

Challenge against Provisions on Anti Profiteering Measure: Supreme Court Transfers all Petition to Delhi High Court

The National Anti Profiteering Authority vs. Hardcastle Restaurant Private Limited & ors.

Case No. – 290-292 of 2020

Fact of the Case

- In the present case the applicants are the writ petitioners
- The subject matter of the writ petitioners to get the benefit due to the reduction in the rate of tax

from input tax credit to the consumer by way of commensurate reduction in prices

- A batch writ petitioners are pending before the High Court of Delhi , Bombay, Punjab , Hariyana.
- Section 171(1) casts the responsibility to pass on the benefit of GST to the recipient in two aspects. Passing of benefit due to reduction of the tax rate, in case of supplies exclusive of tax or for immediate services is not a big challenge. This is because the reduction in tax rate will directly be evidenced by invoices, and the recipient will get the benefit from the rate reduction.
- Benefit of Input Tax Credit (ITC), i.e., If it is the service sector, manufacturing, trading, or any specific industry, all are going to get the advantage of the better flow of input tax credit (ITC) except sectors having zero-rated output supply.
- So overall the expectations of Anti-profiteering Measure provisions are commensurate reduction in prices of supplies.

Decision of the Case

- While allowing the Transfer petition, a two-judge bench comprising of Justice Dr. Dhananjaya Y Chandrachud and Justice Ajay Rastogi observed that “We accordingly allow the Transfer Petitions and direct that the writ petitions shall stand transferred to the High Court of Delhi.
- The Registries of the respective High Courts are requested to immediately transfer the papers of the proceedings of the writ petitions to the High Court of Delhi.
- The Supreme Court has transferred the petitions challenging the validity of the provision on Anti Profiteering Measure under Section Section 171 of the Central Goods and Services Tax (CGST) Act 2017 from different High Courts.

DIRECT TAX

Reimbursement of Vehicle Expenses by Cab Owners not subject to TDS: ITAT

Sri Singonahalli Chikkarevanna Gangadharaiah vs. The Assistant Commissioner Income Tax

Case No. – 785/Bang/2018
Date – 24.02.2020

Fact of the Case

- In the present case the assessee is a contractor who engaged in the business of plying passenger vehicle
- During the relevant assessment year, the assessee has debited a sum of Rs.6,18,73,785 for

vehicle hire charges paid and Rs.2,48,39,356 for petrol and diesel expenses paid.

- Before the authorities, the assessee submitted PAN card from cab drivers and owners for whom hire charges were paid.
- The Assessing Officer observed that section 194C will only apply to a contractor during the course of business of plying, hiring or leasing goods carriages and not to a contractor engaged in the business of plying passenger vehicle.

Decision of the Case

- The first appellate authority overruled the above finding of the Assessing Officer and held in favour of the assessee.
- It was thus a clear case of reimbursement of actual expenses incurred by the assessee and the same, therefore, was not of the nature of payment covered by section 194C of the Act requiring the assessee to deduct tax at source therefrom.
- As such, considering all the facts of the case, the Tribunal passed order that the provisions of section 194C of the Act were not applicable to the reimbursement of actual expenses and the assessee was not liable to deduct tax at source from such ITAT reimbursement.

Foreign Exchange Loss on Repayment of Borrowings is Revenue Expenditure: ITAT allows Relief to Cafe Coffee Day

The Deputy Commissioner of Income Tax vs. M/S Coffee Day Global Limited

Case No. – 3041/Bang/2018
Date – 24.02.2020

Fact of the Case

- Cafe Coffee Day is the petitioner in the present case
- The CIT(A) deleted the addition by observing that the assessee had been consistently treating the gain/loss as revenue. The CIT(A) observed that there are various occasions in the past wherein the similar gain had been offered as income and the same was accepted by the department from A. Y.2004-05 till A. Y.2011-12.
- According to the CIT(A), the AO, for the first time, disturbed the similar loss on Forex claimed by the assessee for the A.Y.2012-13 by making the disallowance of forex loss.
- The order of CIT(A) for the A.Y. 2012-13, the CIT(A) held that the foreign exchange fluctuation loss here in the peculiar facts and circumstances is an allowable revenue expense and deleted the addition made consequent to disallowance of expenditure of Forex Loss.

Decision of the Case

- The ITAT bench comprising of Judicial Member, Beena Pillai, and Accountant Member, Chandra Poojari pronounced the order an appeal filed against Cafe Coffee Day.
- While dismissing the appeal the quorum said that it is not able to concur or agree with the view of the Assessing Officer that liability could arise only when the contract would have matured as such a stand is totally divorced from the accounting principles and is in variance with the principle.
- The Income Tax Appellate Tribunal (ITAT), Bangalore has granted relief to Cafe Coffee Day and held that foreign exchange loss due to the reinstatement of the accounts at the end of the financial year as well as loss incurred on account of exchange fluctuation on repayment of borrowings is similar to the interest expenditure and it is to be allowed as revenue expenditure u/s 37 of the Income Tax Act.

Interest earned by Co-operative Society on its Investments in Co-operative Bank eligible for Deduction: ITAT

Technopolis Premises Co-operative Society Limited vs. Principal Commissioner of Income Tax

Case No. – 6433/Mum/2019
Date – 08.01.2020

Fact of the Case

- The assessee which is a co-operative society had filed its return of income for A.Y. 2015-16 on 28.09.2015, declaring its total income at Rs. 57,39,670/-. Subsequently, the income of the assessee was assessed by the A.O under Sec. 143(3) of the Act, dated 23.12.2017 at a total income of Rs. 57,39,670/- (after allowing the assessee claim for deduction under Sec. 80P of Rs. 56,16,242/-).
- The assessee claim for deduction under Sec. 80P (2)(d) on the interest income of Rs. 56,16,242/- that was earned from the investments made with the co-operative banks; and that, the A.O had erroneously worked out the tax liability of the assessee under the normal provisions at Rs. 19,47,515/- as against the alternative minimum tax (ALT) of Rs. 23,80,257/-.
- On the basis of his aforesaid observations the Pr.CIT called upon the assessee to explain as to why the assessment framed in its case may not be revised under Sec. 263 of the Act.
- In reply it was claimed by the assessee that as the A.O after necessary deliberations

had framed the assessment, therefore, the exercise of the revisional jurisdiction under Sec. 263 by the Pr. CIT was clearly ousted.

- Also, the assessee tried to impress upon the Pr.CIT that no error did emerge from the assessment framed by the A.O vide his order passed under Sec. 143(3), dated 23.12.2017.

Decision of the Case

- The Tribunal observed that as per section 80(P)(d) the deduction is allowed in respect of the income of co-operative societies. Where, in the case of an assessee being a co-operative society, the gross total income includes any income referred to in sub-section, here shall be deducted
- Section 143 (3) deals with Scrutiny Assessment under the Income Tax Act which is a detailed assessment. The notice under this section is received by the assessee where the income tax department is doubtful about the authentication of the income or has information regarding income concealment. The scrutiny is made to confirm the genuineness and correctness of various claims, deductions, etc. made by the taxpayer in the return of income.
- The Income Tax Appellate Tribunal (ITAT), Mumbai held that the interest income earned by a co-operative society on its investments held with a co-operative bank would be eligible for claim of deduction under Sec. 80P(2)(d) of the Income Tax Act.

Deduction allowable on Interest Paid on Borrowings for Acquisition of Capital Assets: Gujarat HC grants Relief to Vodafone

The principal commissioner of Income Tax vs. Vodafone Shared Services Ltd.

Case No. – 841 of 2019
Date – 03.02.2020

Fact of the Case

- In the present case Vodafone Shared Services Ltd. is the applicant
- The assessee-company is engaged in providing outsourcing services for finance, accounts, human resources and supply chain management and data centre to Vodafone India Limited and its Indian subsidiaries.
- In the course of the assessment, the Assessing Officer (AO) noticed that the assessee-company (VSSL) has shown a total addition to computers on account of computer software amounting to Rs.15,54,31,008/-.

- This product was stated to be delivered to the assessee along with loads of other technical services and know-how to operate and utilize such specialized product for enduring benefits to its business and the depreciation has also been claimed @60%.
- The Assessing Officer(AO) thus disputed the eligibility of claim of higher depreciation @ 60% eligible to computer or computer software and opined that the aforesaid software of Rs.15.54 crores should be dealt with as 'licence' in the nature of intangible assets under the provisions of s.32(1)(ii) of the Act where the depreciation allowance is set out @ 25%.
- The assessed income of the assessee was accordingly increased by an amount of Rs.5,44,00,853/- owing to the reversal of alleged excess claim of depreciation.

Decision of the Case

- The division bench allows deduction under section 36(1)(iii) of the amount of interest paid in respect of capital borrowed for the purposes of business. The deduction is granted under the section, once it is established that the borrowing is for the purposes of business and that the interest is paid on such borrowings.
- Dismissing the appeal by Revenue the Gujarat High Court also said that the interest paid in respect of borrowings for the acquisition of capital assets is an allowable deduction under S.36(1)(iii) of the Income Tax Act.

- The respondent had already indicated his difficulty in doing so in view of the family disputes and had requested for inspection and copies of all documents seized during the raid.
