Circular No. – 94/2019

Date – 28.03.2019

### **Seeks to clarify certain refund related issues under GST**

In order to clarify refund related issues and to ensure uniformity in the implementation of the provisions of law across the field formations, CBIC has clarified the issues as detailed hereunder-

<b>Issue</b>	<b>Clarification</b>
<p>Certain registered persons have reversed, through return in FORM GSTR-3B filed for the month of August, 2018 or for a subsequent month, the accumulated input tax credit (ITC) required to be lapsed in terms of notification No. 20/2018-Central Tax (Rate) dated 26.07.2018 read with circular No. 56/30/2018-GST dated 24.08.2018. Some of these registered persons, who have attempted to claim refund of accumulated ITC on account of inverted tax structure for the same period in which the ITC required to be lapsed in terms of the said notification has been reversed, are not able to claim refund of accumulated ITC to the extent to which they are so eligible. This is because of a validation check on the common portal which prevents the value of input tax credit in Statement 1A of FORM GST RFD-01A from being higher than the amount of ITC availed in FORM GSTR-3B of the relevant period minus the value of ITC reversed in the same period. This results in registered persons being unable to claim the full amount of refund of accumulated ITC on account of inverted tax structure to which they might be otherwise eligible. What is the solution to this problem?</p>	<p>a) As a one-time measure to resolve this issue, refund of accumulated ITC on account of inverted tax structure, for the period(s) in which there is reversal of the ITC required to be lapsed in terms of the said notification, is to be claimed under the category “any other” instead of under the category “refund of unutilized ITC on account of accumulation due to inverted tax structure” in FORM GST RFD-01A. It is emphasized that this application for refund should relate to the same tax period in which such reversal has been made.</p> <p>b) The application shall be accompanied by all statements, declarations, undertakings and other documents which are statutorily required to be submitted with a “refund claim of unutilized ITC on account of accumulation due to inverted tax structure”. On receiving the said application, the proper officer shall himself calculate the refund amount admissible as per rule 89(5) of Central Goods and Services Tax Rules, 2017 (hereinafter referred to as “CGST Rules”), in the manner detailed in para 3 of Circular No. 59/33/2018-GST dated 04.09.2018. After calculating the admissible refund amount, as described above, and scrutinizing the application for completeness and eligibility, if the proper officer is satisfied that the whole or any part of the amount claimed is payable as refund, he shall request the taxpayer, in writing, to debit the said amount from his electronic credit ledger through FORM GST DRC-03. Once the proof of</p>

such debit is received by the proper officer, he shall proceed to issue the refund order in FORM GST RFD-06 and the payment advice in FORM GST RFD-05.

c) All refund applications for unutilized ITC on account of accumulation due to inverted tax structure for subsequent tax period(s) shall be filed in FORM GST RFD-01A under the category “refund of unutilized ITC on account of accumulation due to inverted tax structure”.
