Clarification regarding applicability of GST on additional / penal interest – reg

Various representations have been received from the trade and industry regarding applicability of GST on delayed payment charges in case of late payment of Equated Monthly Installments (EMI).

Doubts have been raised regarding the applicability of GST on additional / penal interest on the overdue loan i.e. whether it would be exempt from GST in terms of Sl. No. 27 of notification No. 12/2017-Central Tax (Rate) dated 28th June 2017 or such penal interest would be treated as consideration for liquidated damages

In order to ensure uniformity in the implementation of the provisions of the law, CBIC has issued the following clarification.

Generally, following two transaction options involving EMI are prevalent in the trade:-

Case – 1:

X sells a mobile phone to Y amounting to Rs 40,000/-. X gives Y an option to pay in installments, Rs 11,000/- every month before 10th day of the following month, over next four months (Rs 11,000/- *4 = Rs. 44,000/-). Further, as per the contract, if there is any delay in payment by Y beyond the scheduled date, Y would be liable to pay additional / penal interest amounting to Rs. 500/- per month for the delay.

In some instances, X is charging Y Rs. 40,000/- for the mobile and is separately issuing another invoice for providing the services of extending loans to Y, the consideration for which is the interest of 2.5% per month and an additional / penal interest amounting to Rs. 500/- per month for each delay in payment.

Applicability of GST - As per the provisions of sub-clause (d) of sub-section (2) of section 15 of the CGST Act, the amount of penal interest is to be included in the value of supply. The transaction between X and Y is for supply of taxable goods i.e. mobile phone. Accordingly, the penal interest would be taxable as it would be included in the value of the mobile, irrespective of the manner of invoicing.

Case – 2:

X sells a mobile phone to Y. The cost of mobile phone is Rs 40,000/-. Y has the option to avail a loan at interest of 2.5% per month for purchasing the mobile from M/s ABC Ltd. The terms of the loan from M/s ABC Ltd. allows Y a period of four months to repay the loan and an additional / penal interest @ 1.25% per month for any delay in payment.

Applicability of GST - The additional / penal interest is charged for a transaction between Y and M/s ABC Ltd., and the same is getting covered under Sl. No. 27 of notification No. 12/2017- Central Tax (Rate) dated 28.06.2017. Accordingly, in this case the 'penal interest' charged thereon on a transaction between Y and M/s ABC Ltd. would not be subject to GST, as the same would not be covered under notification No. 12/2017- Central Tax (Rate) dated 28.06.2017. The value of supply of mobile by X to Y would be Rs. 40,000/- for the purpose of levy of GST.

It is further clarified that the transaction of levy of additional / penal interest does not fall within the ambit of entry 5(e) of Schedule II of the CGST Act i.e. “agreeing to the obligation to refrain from an act, or to tolerate an act or a situation, or to do an act”, as this levy of additional / penal interest satisfies the definition of “interest” as contained in notification No. 12/2017- Central Tax (Rate) dated 28.06.2017.

It is also further clarified that any service fee/charge or any other charges that are levied by M/s ABC Ltd. in respect of the transaction related to extending deposits, loans or advances does not qualify to be interest as defined in notification No. 12/2017- Central Tax (Rate) dated 28.06.2017, and accordingly will not be exempt.
