Central Tax

Circular No. 183/15/2022-GST

Dated 27th December 2022

The Central Government make Clarification to deal with difference in Input Tax Credit (ITC) availed in FORM GSTR-3B as compared to that detailed in FORM GSTR-2A for FY 2017-18 and 2018-19–reg.

Section 16 of the Central Goods and Services Tax Act, 2017 (hereinafter referred to as "CGST Act") provides for eligibility and conditions for availing Input Tax Credit (ITC). During the initial period of implementation of GST, during the financial years 2017-18 and 2018-19, in many cases, the suppliers have failed to furnish the correct details of outward supplies in their FORM GSTR-1, which has led to certain deficiencies or discrepancies in FORM GSTR-2A of their recipients. However, the concerned recipients may have availed input tax credit on the said supplies in their returns in FORM GSTR-3B. The discrepancies between the amount of ITC availed by the registered persons in their returns in FORM GSTR-3B and the amount as available in their FORM GSTR-2A are being noticed by the tax officers during proceedings such as scrutiny/ audit/ investigation etc. due to such credit not flowing to FORM GSTR-2A of the said registered persons. Such discrepancies are considered by the tax officers as representing ineligible ITC availed by the registered persons, and are being flagged seeking explanation from the registered persons for such discrepancies and/or for reversal of such ineligible ITC.

2. It is mentioned that FORM GSTR-2A could not be made available to the taxpayers on the common portal during the initial stages of implementation of GST. Further, restrictions regarding availment of ITC by the registered persons upto certain specified limit beyond the

Page 2 of 5 ITC available as per FORM GSTR-2A were provided under rule 36(4) of Central Goods and Services Tax Rules, 2017 (hereinafter referred to as "CGST Rules") only with effect from 9th October 2019. However, the availability of ITC was subjected to restrictions and conditions specified in Section 16 of CGST Act from 1st July, 2017 itself. In view of this, various representations have been received from the trade as well as the tax authorities, seeking clarification

regarding the manner of dealing with such discrepancies between the amount of ITC availed by the registered persons in their FORM GSTR-3B and the amount as available in their FORM GSTR-2A during FY 2017-18 and FY 2018-19
