

## ANALYSIS OF ANNUAL FINANCIAL STATEMENTS

- Students are advised to analyze two Annual Financial Statements of a (standalone) Company for the year 2011-12 and 2012-13 with the Turnover of more than 100 Crores.
- Students will be given the credit of 8 ALH on acceptance of the Project.
- The Analysis of Annual Report can be done by cutting and pasting the relevant portions from the soft copy of the Annual Report in a Word Format.
- While extracting the information, emphasis to be given in the areas of Cost Reduction, Production Improvements, Energy Saving, Research and Development, Cost Management Practices.
- The final document should be of 2 to 5 pages.
- The final report then to be converted into PDF format and uploaded in the page of Analysis of Annual Financial in ICMAT section.
- The approval of the project will be given based on the intellectual ability of the student to capture the relevant inputs for the final Project Report.
  - Sample Project Report is available in the Analysis of Annual Financial Statement Page of the ICMAT section of the website.
- ALH will be credited subject to approval of the project by the evaluator
