- (b) The objective of the audit also is to expedite preparation of largely error-free accounts to be placed before the Statutory Auditors at an early date and to facilitate completion of the audit process for the year well in time.
- (c) Long pending issues are also sought to be settled with the advice of the auditors who, through the process of on-the-spot verification, will be in a better position to assess and express their opinion on and suggest ways and means of closure of such issues.
- (d) The auditor is expected to ensure that the funds received for various purposes are actually used for the purpose for which they are received.
- (e) Although the responsibility for detecting and preventing irregularities and frauds, remains with the Management of B.E.P.C., they are sought to be pre-empted to a large extent by frequent and regular verification of transactions but responsibility of the Auditor remains to the extent of timely reporting about any irregularities and fraud.
- (f) The audit is also expected to project the potential areas of risk and highlight the high-risk areas. Suggestions from auditors are also expected on ways and means of mitigating such risks.
