g) Evaluation of tender-

- After opening of the bid, the documents submitted by cost audit firms will be downloaded and shall be put up to the evaluating Committee. The Committee will examine the uploaded documents against information/declarations furnished by firms online. If it confirms to all of the information/ declarations furnished by the firm online and does not change the eligibility status of the firm, then the firm will be considered eligible for next level.
- Any bid which has not been submitted either with valid documents will not be considered for further evaluation.
- In case the evaluation Committee finds that there is some deficiency in uploaded documents by a firm then the same will be specified online only once by Evaluator clearly indicating the omissions/shortcomings in the uploaded documents and indicating start date and end date allowing 7 days (7 x 24 hours) time, for online re-submission by firm. The firm will get this information on their personalized dashboard under "Upload confirmatory document" link. Additionally, information shall also be sent by system generated email and SMS, but it will be the firm's responsibility to check the updated status/information on their personalized dashboard regularly after opening of bid. No separate communication will be made in this regard. Non- receipt of e-mail and SMS will not be accepted as a reason of non-submission of documents within prescribed time. The firm will upload the scanned copy of all those specified documents in support of the information/ declarations furnished by them online within the specified period of 7 days.

Note: The shortfall information/ documents will be sought only in case of historical documents which pre-existed at the time of the tender opening and which have not undergone change since then. These will be called only on basis of the recommendations of the TC. So far as the submission of documents is concerned with regard to qualification criteria, after submission of the tender, only related shortfall documents will be asked for and considered. However, no work order for new contract should be asked for so as to qualify the bidder.

- The tender will be evaluated on the basis of documents uploaded by firm online. The firm is not required to submit hard copy of any document through offline mode. Any document submitted offline will not be given any cognizance in the evaluation .
 - In case the firm submits requisite documents online, then the firm will be considered eligible for next level.
 - In case the firm fails to submit requisite documents online or if any of the information/declaration furnished by firm online is found to be wrong by Committee during evaluation of scanned documents uploaded by firm, which changes the eligibility status of the firm, then his bid shall be rejected.
 - In case none of the firms complies the technical requirement, then necessary action as deemed fit by management will be taken.
 - It is responsibility of firms to upload legible/clearly readable scanned copy of all the required documents as mentioned above.
 - The final selection will be based on professional judgment of the appointing authority and marks obtained by the firms out of 100 marks.
- h) There is no provision to take out the list of parties who have downloaded the tender document from the above-referred website. As such, cost auditors/bidders are requested to visit the website once again before the last date of submission of offer(documents)/due date of opening to ensure that they have not missed out any corrigendum issued against the said tender after they have downloaded the document. The responsibility of downloading the corrigendum, if any, will be of the cost auditors/bidders. No separate intimation in respect of corrigendum (if any) will be sent to the cost auditors/bidders who have downloaded the tender document from website.
- i) The cost auditors/bidders, in their own interest, are requested not to wait till the last moment for submission of bid to avoid last minute rush and local problems related to internet connectivity, law and order, strike, bandh etc. CIL shall not be responsible, if documents could not be uploaded due to such local problems at the cost auditors/bidder's end.
- j) Bid Validity: The validity period of the tenders shall be 120(One Hundred Twenty) days from the end date of bid submission. The validity period of tender shall be decided based on the final end date of submission of bids.
