Terms of Reference (ToR):

1. National Health Mission is a Centrally Sponsored Scheme, funded by Central Govt. and State Govt. in the ratio of 60:40. NHM aims to provide accessible, affordable and quality health care to the people, especially the vulnerable sections. It was first launched by the Government of India in name of National Rural Health Mission (NRHM) on 12th April, 2005 which was later renamed as National Health Mission after incorporation of National Urban Health Mission in year 2013.
2. It also supports for strengthening of primary & secondary health care system which reduces morbidity and mortality at much lower costs and significantly reduces the burden on tertiary care. With the transformation of Sub-Centres into Susasthya Kendras, the ambit of delivery of primary healthcare services widens from selective services like reproductive, maternal, neonatal, infant and adolescent health care to comprehensive primary healthcare services covering entire population. Under NHM, special focus is given to screening and early diagnosis of non-communicable diseases especially Diabetes and Hypertension, basic ophthalmic, ENT, dental, geriatric, mental ailments and emergency care.

3. At present the following Programmes/Schemes are running under the National Health Mission:

A. NRHM-RCH Flexible Pool:

- ❖ RCH Flexible Pool including Immunization (RCH)
- ❖ National Iodine Control Programme (NIDDCP)
- ❖ Health System Strengthening/ Mission Flexipool (HSS)

B. National Urban health Mission (NUHM)

C. Flexible Pool for Communicable Disease:

- ❖ Integrated Disease Surveillance Project (IDSP)
- ❖ National Vector Borne Disease Control Programme (NVBDCP)
- ❖ National Leprosy Eradication Programme (NLEP)
- ❖ National Tuberculosis Eradication Programme (NTEP / Erstwhile RNTCP)
- ❖ National Viral Hepatitis Control Programme (NVHCP)

D. Flexible Pool for Non-Communicable Disease:

- ❖ National Programme for Control of Blindness (NPCB)
- ❖ National Mental Health Programme (NMHP)
- ❖ National Programme for Health Care of the Elderly (NPHCE)
- ❖ National Tobacco Control Programme (NTCP)

Apart from above; State Health Societies, District Health Societies and Block Health Societies deal with some other funds such as XV Finance Commission Health Grant, PM-ABHIM Project, M&DP Fund, Covid-19 fund, User charges collected from patient, Jungle Mahal Development Fund(JMDF), Health System Development Initiative(HSDI), Collection related to Medical Education, District Illness Assistance Fund and other health related funds. The auditor has to conduct audit of these funds in addition to the funds under NHM. The auditor is also required to audit any pending units of previous years in addition to audit of current financial year.

4. Institutional and Funding Arrangements:

For the implementation of the above programmes, MoH&FW has directed for creation of an Integrated Health Society at State and District levels (registered as a legal entity at the State and District under Societies Registration Act, 1860). In West Bengal there are 341 numbers of Block Health Societies which are also registered under Societies Registration Act, 1860 apart from 28 numbers of District Health Societies & one State Health Society.

Such integrated State Health Society (SHS) works in close coordination with the Directorate of Health & Family Welfare whereas District Health Societies (DHS) work in coordination with the District Collector and Chief Medical Officer of Health (CMOH). Block Health Societies (BHS) work in coordination with the Block Development Officer and Block Medical Officer of Health (CMOH). Program implementation at Block level is done through its Block Primary Health Centre, Primary Health Centres (PHCs), Sub- Centres (SCs), Rogi Kalyan Samities and Village Health & Nutrition Sanitation Committees. Certain activities may be managed at the State level such as drug procurement, IEC, civil works, training using specialized entities such as SIHFW, IEC Bureau, PWD, the Directorate of Health and Municipal Corporations for the urban health components. In addition funds are also released from SHS/ DHS to NGOs and private entities under public private participation (PPP) arrangements.

Funding & Accounting Arrangements:

Funds for the various programs are transferred from Pay & Accounts Office of MoHFW to the State Treasuries and then from Treasuries to the SHS functioning in the State. Government of India transfer funds in the form of Grants-in-Aid to SHS through State Treasury on the basis of respective State Programme Implementation Plan (SPIPs) and approved Annual Work Plans which are prepared on the basis of Districts' and Blocks' requirement.

Banking Arrangements & Single Nodal Accounting System:

As per direction of Ministry of Finance, GoI, regarding new procedure for release of fund under Central Sponsored Scheme- National Health Mission, Single Nodal Account System (SNA) has been implemented in F.Y. 2020-21. The system was stated functioning in all Districts from the F.Y. 2021-22. Under this system, limit based allocation has been transferred to Districts and sub-units through web based system whereas physical fund is remained lying under the custody of State Samiti in Single Nodal Account.

The Accounts at each Unit are being maintained on double entry system and Customized version of Tally ERP9 has been used for maintaining books of Accounts.

5. Objective of audit services:

The objective of the audit is to implement a system for timely examination of financial transaction on regular basis to ensure accuracy, authenticity, compliance with specified procedure and guidelines. The emphasis under Concurrent Audit is not on test basis but on substantial checking of transaction so that fraud and misappropriation can be identified at initial level.

6. **Standards:** The audit will be carried out in accordance with **Engagement & Quality Control Standards (Audit & Assurance Standards)** issued by the Institute of Chartered Accountants of India in this regard.
