

Webinars/Webcast sessions on CMA Foundation Course
- for September 2015 Examination - as a guide for revision

Academics Department of the Institute under guidance of the Training & Educational Facilities (T&EF) Committee announces conducting of Webinars/Webcast sessions on topics/subjects of special importance to facilitate students and examinees while preparing for CMA Foundation Course Examinations. The coverage would be strictly as per content/curriculum prescribed under Syllabus of the Institute. The objective is to facilitate a quick revision of the topics and get ready for September 2015 Foundation Course Examination. The sessions would engage in demonstrating the process of solving the MCQs with reference to the applicable rules.

Students are requested to get themselves registered for webinar sessions (maximum limit 200 for live webinars and there is no limit for webcast participants) and participate to gainfully utilize the learning outcomes for achieving success in Examinations. Participation in live classes would help you to interact with the faculty. However, the recorded versions of these sessions would also be made available in the website of the Institute on the 2nd working day after completion of each session. Learn, equip and sharpen your analytical skills further on the techniques to analyze and interpret questions which would facilitate to arrive at the appropriate answer.

For effective learning besides quick revision of the topics, students are also requested to reach the "e-learning resources" uploaded in the website of the Institute (<http://icmai.in/studentswebsite/Foundation-Papers.php>).

The webinars/webcast sessions would be spread over from the period 2nd September, 2015 to 11th September, 2015 as per the following time schedule:

Introductory Session (Webcast) : 02/09/2015 (Wednesday) from 12.00 to 1.30pm - Planning for CMA Foundation - September 2015 term of Examination.					
In this session, students/examinees would be guided on certain strategic plans, which would help them to make effective learning besides revision.
