**Important Announcement for Qualified CMA Students – December 2019 Term**

Dear Student,

We all are aware that Mother Earth is now facing an unprecedented challenge due to the severe outbreak of COVID – 19 across the globe. India is no exception. We have been witnessing a nation-wide lockdown situation to arrest the rapid growth of the deadly CoronaVirus.

You might understand that due to the above emerging situation, the Institute has been compelled to postpone all of its Campus Placement activities scheduled in the month of April 2020 across India.

We sincerely understand the agony and mental state of the students aspiring for Campus Placements this term. We can assure you that our concerned staff members are in constant touch with the prospective recruiters and closely monitoring the overall situation. As soon as the lock down period is over and the normalcy is restored, we will immediately start processing announcements of revised Campus Placement schedule across India.

We are committed to assist our students with best placement opportunities to shape their professional career in the right direction.

Stay Home, Stay Safe.

Warm Regards

*Biswarup Basu*
