About Neuland

Neuland Laboratories Limited was established in 1984 and today is a publicly listed company headquartered in Hyderabad, India. Neuland is a leading manufacturer of active pharmaceutical ingredients (APIs) and an end-to-end solution provider for the pharmaceutical industry's chemistry needs.

We provide solutions across the full range of the pharmaceutical industry's chemistry requirements, from the synthesis of library compounds to supplying NCEs and advanced intermediates at various stages in the clinical life-cycle, as well as commercial launch. Our strength is our expertise in manufacturing of APIs and advanced intermediates from our US FDA approved facilities. Our core competency lies in the application of strong process chemistry to manufacturing in a regulatory compliant environment, which is supported by a strong, well-qualified team of more than 1000 employees.

For over three decades, Neuland has been at the forefront of facilitating and accelerating drug development and cGMP manufacturing of APIs. The Company's technical and scientific teams provide comprehensive solutions and services to the global pharmaceutical industry.

I'm writing this mail to check possibility of participating in Campus recruitment. We are having multiple opportunities for Cost Accountants in our Finance function based at our new Corporate Office located in Jubilee Hills, Hyderabad.
