

Controlling and Planning - Analyst

Take the next step in your career at ABB, working in a team that is dedicated to creating a future where innovative digital technologies allow greater access to cleaner energy.

One of the reasons for ABB's success is our rigorous and forward-thinking finance function. With more than 3,600 people in over 100 countries, the integrated finance organization delivers the insights we need to make successful, long-term business decisions.

You will play a key role in financial controlling within the Finance Center of Expertise (CoE). As part of finance CoE you will provide reliable and timely analysis of financial results, budget, and forecasts in order to support business leaders and stakeholders in decision making.

This role is based in Bangalore and reporting into Team Leader.

Your responsibilities

Analyzing financial results, coordinating the preparation of various performance reports and providing commentary on financial statements for the stakeholders.

Supporting the evaluation of the impact of strategic, financial or other major decisions.

Driving and facilitating financial planning processes and activities.

Analyzing variance analysis of budget v/s forecast.

Supporting the implementation of standardized processes and tools in support of financial planning activities.

Collaborating with key members of the business to identify areas for improvement and propose corrective actions and cost saving initiatives to protect and increase profitability.

Supporting initiatives to achieve excellence in financial controlling and improvement of controlling processes and tools.

Living ABB's core values of safety and integrity, which means taking responsibility for your own actions while caring for your colleagues, and the business.

Your background

Degree in Accounting with CMA/ CA / MBA.

Minimum 2 years' experience in accounting and finance preferably in a manufacturing unit.

Fluent in English language – spoken and written.
Should have strong knowledge of SAP, Microsoft Office Suite.
Flexible to work in shifts.

More about us

Bring your very own sense of pride and purpose as you help us drive forward the Fourth Industrial Revolution – creating a sustainable future for our planet, and your career. Join ABB and harness the power of our diverse global network, as you collaborate with and learn from our world-class teams. Above all, challenge yourself every day. Let’s write the future, together.

Important, please include in your CV the following passage:
“I hereby agree for my personal data, included in my job application, to be processed in line with the needs of recruitment, in accordance with the Law on Personal Data Protection of 29th August 1997 (Law Gazette from 2002, No.101, heading 926, as amended).”
