1. Overview

The Institute of Cost Accountants of India (a Statutory Body under an Act of Parliament), a Professional National Premier Accounting Body, acts as an enabler to bridge the gap between the Academia and Corporate/Professional world. One of the major roles of the Placement Cell of the Institute is to facilitate and counsel qualified CMAs through placement related activities round the year.

Placement Cell does not guarantee a job; rather it nourishes and grooms the qualified CMAs with high level of professional guidance to become job-ready. 12 Days Pre-Placement Orientation Program is conducted across India at different locations to transform those aspiring CMAs more industry friendly, skilled and marketable.
Various components of the Pre-Placement Orientation Training Programs include sessions on Presentation Skills, Group Discussion Skills, Debate Skills, Interviews Skills & Mock Interviews, Contemporary issues, Professional tit-bits, etc. Company-specific orientation program is also conducted for the target students prior to all the placement drives organized by the Institute.

2. **Campus Placement Process**

   - The Placement Cell invites prospective organizations/industries during the months of March-April and September-October of every year for Main Campus Placements at different locations. The organizations, in turn, may also contact the Placement Cell directly to meet their manpower requirement.
   - Company/Organization fills in a CIS (Corporate Information Sheet) containing details of the job offer (pay package, location, post, job description and other details along with the preferred dates (pre-fixed) of campus visit.
   - Placement Cell allots specific dates to the companies for campus interviews based on various details given by companies. The company/organizations confirm the dates with the Placement Cell in advance.
   - The details of the respective students opting for placement are sent to the company/organization concerned along with the updated Placement Brochure indicating dates and other relevant details for the campus interviews at different locations. Recruiting Companies/Organizations shortlist the students as per their own requirement/terms & conditions. After receiving the shortlisted candidates list from the recruiting organization, Placement Cell hosts the shortlisted students list in the Website and informs the candidates via Mails.
   - All information regarding campus placement is regularly updated in the website of the Institute and the students are duly informed through mails, messages and phone calls.
   - Companies visit the campus on the allotted date(s) and conduct presentations/written tests/GD/Personal interviews according to their scheduled recruitment process.
   - If required, telephonic interviews or interviews through video conferencing/skype may also be arranged.
Placement Cell always pursues with the visiting company/ organizations to declare the final list of selected students on the same day of campus visit.

The company should hand over the duly signed hard copy of the final selection list to the placement cell.

Placement Cell announces and hoists the final list of selected candidates immediately.

3. Campus Placement - General Policies & Guidelines

- The role of the Placement Cell is of a facilitator and counselor for placement related activities. It does NOT guarantee a job. Applying for a company or joining a company is entirely the responsibility/decision of the student concerned.

- The placement facility is available to all the students who have registered online along with Pre-placement Orientation Program.

**One job to one student at the first instance.** If a student is offered a job in a slot, he/she will be de-registered from the placement process and would not be allowed to appear in any further processes till campus placement activities are over.

- If a student receives more than one job offer at a time, he/she has to choose one of the jobs and will be blocked for other job opportunities.

- Students must keep their Identity Card with them at the time of Company Presentation/ Written Test/Group Discussion/ Personal Interviews, and produce the same when asked by the visiting team, Placement staff or their representatives.

- No student other than Placement Team is allowed to contact the company officials for any purpose without prior permission of the Placement Cell.

- Once the student appears for the process, the student cannot reject the offer made by the company in search of availing another offer in course of time.

- In case, if a company has a specific requirement/request, Placement Cell may nominate a set of / individual student(s) and it is mandatory that they should attend the interview.

- Each student shall be permitted to accept only one valid offer, till a confirmed offer has been communicated by the company officially.

- If a company wants to start its process before the slotted day and time they may be permitted to do so in consultation with the Placement Cell; but they shall
declare the final offer on the particular day when the company is slotted in the campus placement.

- All correspondence to and from the company will be routed through the Placement Cell only.

- The Institute is no way responsible, if a student who is and primarily short listed in multiple companies, misses out any interview process of any particular company due to overlapping interview schedule/process/time.

- After accepting a job offer, if any student decides to withdraw his/her acceptance, he/she must inform the company concerned through the Placement Cell immediately.

- If a student makes any false claim in his/her resume, his/her registration at Placement Cell may be liable to be cancelled immediately. If the student has already received a job offer, it would be revoked.

- It is the sole responsibility of the student to check that he/she meets all the eligibility criteria which might be required at the time of joining (academic, medical, etc.).

- Any kind of indecent behavior during the placement sessions may lead to cancellation of registration.

- The students should abide by prevalent rules and regulations of the Institute during the placement process.

4. Campus Placement Policies & Guidelines for Students

- The Placement Cell is committed to provide equal job opportunities to all the students who have successfully completed Pre-Placement Orientation Program.

- Candidates are advised to be cautious while filling the application form online about accuracy and correctness of the information like Date of Birth, Marks, No. of attempts for qualifying CMA Course, etc. Candidates may cross-check the information furnished in the application form before finally submitting the same.

- Mention your number of attempts in each group of CMA exam correctly. The companies will short-list your candidature based upon the information provided by you. Wrong information may cause cancellation of your recruitment.

- An attempt is considered ONLY when actually appeared for examination. Therefore, a missed attempt is NOT counted as an attempt. Example: Mr. X applied
for Final Exam (both group) in December attempt, but due to some reason, he was unable to appear in the exam in December. Mr. X again applied in next December term, appeared for exam and cleared. Mr. X cleared his exam in 1st attempt.

- The marks of all the stages of CMA Exam should be given accurately and in percentage term only. For details on calculation of marks, please refer the note below (Very Important)

---

**Note on calculation of percentage:**

i. While calculating the percentage (for any stage), the marks of each Exempted Paper (if exemption claimed) should be reckoned as 50. Eg- Ms. Z appeared in Group 3 and secured exemption in Paper no. 15 with 72 marks. Now, she re-appeared in Group 3 with 64, 67 and 55 marks in Paper No. 13, 14 and 16 respectively. She should calculate percentage of Group 3 as 59% (64+67+50+55/4).

ii. In case candidate has secured 60% marks in one paper and 40% or more in other paper and could not clear the group for want of aggregate of 50% marks, then he/she is allowed the benefit of carry forward of actual marks of that paper in his subsequent examination of the group.

iii. In case, any discrepancy is found in calculation of percentage, at any stage, the candidature will be withdrawn, even after short listing / selection of the candidate.

---

- Candidates are advised to possess a valid Email ID and Mobile number, which are to be entered in the on-line Application Form, as any important intimation to the candidates shall be provided by Institute through e-mail ONLY. Please keep this Email Id active for at least one year Post Campus for any future correspondence.
