CAMPUS PLACEMENT 2015

Welcome Corporates!!

With the boost in the current GDP of the country and a positive trend towards the industry in the years to come as per various surveys, the need for the business sector is good professionals with domain knowledge, who can play a value added role in sustaining and improving business performance. The finance professionals' domain nowadays extends beyond the transaction recording and reporting roles of the past, to emerge as a facilitator to the various arms of business in evaluating and improving their decision making process. This requires an industry ready professional who has the conceptual knowledge fine-tuned with practical exposure to the business environment.

The recently qualified Cost and Management Accountants (CMAs) of The Institute of Cost Accountants of India have the exposure of the four knowledge pillars viz., Financial Reporting, Regulatory function, Management and Strategy. They are also exposed to the real life business situations as many of them are either working in various enterprises or have undergone training imparted by various arms of the Institute. They have been imparted knowledge on the specialized domain of cost & management accounting techniques, finance & accounting, auditing, management and information technology and hence are capable of handling real time challenges of your organization. The role of a CMA in a competitive environment need not be emphasized.

Over a period of time we are privileged to have many Corporates from different sectors like Manufacturing/IT/Consultancy/Financial Institutions/Mining/Energy/Pharma etc. visiting our campus to acquire their future managers. We are happy in announcing that the Institute has scheduled its next campus placement for the recently qualified CMAs during the month of April-May 2015 in various locations across the country.

We invite the Corporates to visit our campus and we assure you that CMAs of the Institute will become backbone of your organization and become drivers of growth in your Organization.

Best Wishes

Team Placement
