The Institute of Cost Accountants of India

presents

Residential Programme

for

COMPANY DIRECTORS

15-17 July, 2014

Dubai

OBJECTIVE

The corporate environment is highly dynamic and competitive. The aspiration and expectation of the stakeholders are progressively increasing. There is an imperative need for the companies to ensure sustainable development. Good Corporate Governance is the key instrument for bringing about the desired performance levels. The Directors/Board provides the key corporate structure through appropriate policies and procedures for operating the enterprise on the tenets of Trust, Fairness, Ethics and Accountability.

The objective of the program is to create awareness amongst the company Directors and Senior Executives regarding Corporate Governance, CSR, Sustainable Development, and Enterprise Risk Performance Management for making the organization more receptive to stakeholders concerns.

This program aims at building capabilities that are essential to contribute towards enhancing board effectiveness.

PROGRAMME CONTENTS

- Corporate Governance and Corporate Social Responsibility Perspective of the Companies Act, 2013 & Revised Listing Agreement
- Enhancing effectiveness of the Board of Directors – Board Structure & Processes
- Important Changes in the Companies Act, 2013 & Companies Rules, 2014
